Crippled Childrens Clinic To Be Held

By PAUL SAVAGE
Battalion Staffwriter

The ninth annual Crippled Childrens Clinic will be held May 10 at Sbsa hall from 8 a. m. to 12 a. m. The clinic is open to all children and adults in the need of medical advice.

Although it is a free clinic it is not to be mistaken for a charitable organization, said Taylor Reidel, president of the Brazos County Society for Crippled Children.

Arrangements will be made for people who cannot afford medical treatment, he said.

Outstanding orthopedic and plastic surgeons of the state will conduct the clinic. A pediatrician and neurologist will also be available for advice.

The clinic was started nine years ago by Dr. Dan Russell of the agricultural economic and sociology department and Dr. Luther Jones.

Russell is clinic chairman of the society. Jones is state director for the Texas Society for Crippled Children.

Last year more than 100 cases were examined and referred to doctors. Approximately 150 cases are expected this year, Reidel said.

The clinic is sponsored by the College Station Kiwanis club, Brazos County Society for Crippled Children, the State Department of Health, Brazos Valley Shrine club and the County Health clinic.

Frat President Displays New Fall Formal Wear

In an exclusive showing, Reggie Van Snaz, frat president, displayed the new formal wear for next fall. "The well-dressed greek will show for next fall's formal functions in black tuxedo, black tie, white shirting and carrying Dr. Pepper," says Van Snaz.

Van Snaz was asked: "Why Dr. Pepper?" "Obviously," answered Van Snaz, "you haven't taken the Dr. Pepper 8 day test!" Van Snaz went on to explain the 8 day test was drinking Dr. Pepper at 10, 2 and 4 for 8 days.

"Thereafter one could not think of turning out for any function without his Dr. Pepper," concluded Van Snaz.
