THE RACE OF LIFE

Life is much like this race. It is a handicap, a struggle against odds, a contest to be won.

This race begins in the cradle when the "little man" bangs his first rattle against the crib. It continues when he takes his first step, rides his first bike, carries his first books to school, and comes home with his first girl friend.

Preparation for living is all-important. Our children have so much to gain, so very much to lose. They will need robust health, a well-rounded education, but most important of all, they will need moral and spiritual strength. They must learn to interpret God's will concerning their lives.

Take your children to Church, so that their future destiny may be guided by God's word. And by example, show them how the most important race of all can be won—the race of life.

THE CHURCH FOR ALL... ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.
