Schneider Given Watch As Award

James G. Schneider, animal husbandry major from El Campo, was presented a watch at the annual Saddle and Siroloin club barbecue as club award.

Schneider, a January graduate, was chosen by a faculty panel of three members as the outstanding senior in animal husbandry.

Schneider was also winner of the Brewer award, which is an annual award to the outstanding senior in animal husbandry, and the essay contest sponsored by Swift and company, which was an all-expense paid trip to the International Livestock show in Chicago.

Richardson Clears Battalion Mistake

L. S. Richardson, A&M Consolidated school superintendent, was misquoted in Tuesday's Battalion on the nonsegregation decision of the Supreme Court.

His corrected statement is as follows:

"If we had to have the end of segregation, then College Station could make the adjustment easier than any other place in Texas that I know of, because our people come from all parts of the United States," he said.

"School people have suspected that the Supreme Court would end segregation at any time," Richardson said.

Dorm Laundry Stations To Close After Exams

Dormitory laundry stations will remain open during final examination week.

They will be closed Saturday, May 29, when the dormitories will be closed and locked, according to the housing office.

THE THRESHOLD!

The Baccalaureate speaker was right. This was the threshold of life. Beyond today, spanning the years, were many paths each leading to a different goal. Someone in Bob Adams' position need only to choose his path.

Bob wasn't frightened. The choice would not be difficult. In fact, it had already been made.

Not that anyone had told Bob which profession to follow . . . which opportunity would be most rewarding. No! Those decisions were not yet final . . .

But one decision was final. He had made it some years before—on the day he had become a member of the Church.

Bob had decided to build his life on faith . . . on the principles the Church had instilled in his conscience . . . on the truth and the power and the love of JESUS CHRIST. Bob Adams had chosen HIS Path!

THE CHURCH FOR ALL . . . ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.
