LEFT ALONE?

Two little girls left alone! It sounds like the beginning of a sad story. But look again. There are certainly no tears. There is a comfortable home; and pretty clothes. But these children have been given a great deal more than the ordinary comforts of life. There in the older child's hand is a book, "The Story of Jesus."

How reassuring to see that they have been given the advantages of a Christian training. Somehow all doubt has been removed from our minds. We feel that these little girls will be safe—not only during this one evening, but through their entire lives.

All of us want our children to be shielded from life's hardships and temptations, but we can guarantee no such protection. Our surest course is that we rear them in a Christian atmosphere, sending them to Daily Vacation Church School and taking them to the services of the Church regularly. Then, and then only, will we know that we have done everything in our power for their future success, happiness and salvation.

THE CHURCH FOR ALL . . . ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.
