Struggle Is Sad, Inspiring

A touching drama of American family life trying to find a comfortable and happy place in a land strange and at times even a bit hostile is being enacted today throughout Eng-

It's a struggle that sometimes is sad, sometimes inspiring, and often comical - involving more than 40,000 military men and some 12,000 wives and children who followed their menfolk to this island.

mate association with the British townspeople. Sadly, there is not the same singleness of purpose and spirit of forebearance that helped oil the friction points in 1944.

The situation is depicted fairly finding life, weiting and estimate

accurately although with exageration, of course, in a cartoon showing a frosty, tweedy Englishman and his wife glaring at a startled American airman, and saying:

"What are YOU doing back here?"

Desperate Air

One of 34,686

Traffic Violators Get Lots of Company

a warning ticket instead of an arrest ticket. And you might not have been involved in one of the 13,496 accidents during the month. Better than that—you might not have been one of the 6,840 persons injured in traffic accidents in April. And one thing is sure—if you're reading this you're really fortunate, because you weren't among the 168 killed in Texas traffic during the thirty-day period. fic during the thirty-day period.

Walter J. Elliott, chief of the

Speeding was also the leader in drinking." the "Warning Tickets" category, with 7,438. The nearly 17,000 motorists who received warnings, however, didn't get off entirely ticket was filed in their permanent driving record at the head-quarters of the driver's license division of the Texas Department of Public Safety where enough of them, just like a small collection of arrest notations or accident experiences, will automatically bring tected from flooding with good drainage, and a concrete platform for ten days.

With a tongue as s harp as the cactus of his beloved South Texas, Maverick coined the word "gobble-dygook" for hard-to-understand official language.

Maverick was twice mayor of San Antonio and served in Contaminated water is negative.

plained. "But sometimes we won-der if we're really doing the motorist a favor when he is released partment.

If you were stopped by a Texas Highway Patrolman during the month of April for an infraction of the traffic laws, you had a lot of company. As a matter of fact you had exactly 34,686 other people in the driver of the traffic accident and the driver of the company. The month of the company with your statements of the company with your statements. With merely a warning. We always having an ulterior motive.

In one case, a young American housewife moved into a neighborhood and liked the looks of the British housewife next door. She baked a cake and a batch of cook-the cook-th the same boat with you.

You could have been "lucky", though. You might have been one of nearly half of the total who got a warning ticket instead of an arrest would have saved a life.

Maybe. I don't know."

Baket a cake and a baketh of cooking is and took them over as a gesture of neighborliness. But she was shocked to tears to find her gesture regarded coldly and with suspicion.

Safe Water Necessary For Vacation

Texas highway patrol, has just released a comprehensive break-down of the activities of 444 patrolmen of summer vacationists is a safe One of the most important facwho were on duty during the and healthful water supply. Conmonth. It shows that the men, taminated water is the annual comprising the 16 highway patrol districts, worked a total of 108,922 hours during April at duties run-

hours during April at duties running the gamut from giving road
information to tourists to making
11,850 arrests and passing out
16,926 warning tickets. Thirtyseven per cent, or 40,239, of those
hours were turned in on night duty.

The 444 patrolmen operated in
317 ears for 1,082,617 miles. It
wasn't all riding and writing tickets, however. Accident investigations took up 3,555 hours of the
time; another 2,151 hours were devoted to safety work other than
enforcement; and the men spent
3,612 hours on court duty.

According to Elliott's figures,
8,544 of the arrests made were for
hazardous traffic violations — the
fort that cause acidents. Speeding, as usual led the field with
