

## Williams Services Held

(Continued from Page 1)

lege training was acquired on a hit-and-run basis.

In the summer of 1917 he attended the University of Wisconsin, in the summers of 1922, 1923, and 1925 he enrolled at Pennsylvania State college. Almost continuously from 1920 to 1925 he had taken evening courses and extension work at the University of Pittsburgh and Carnegie Institute of Technology. Finally, in August of 1925, he had accumulated enough college credits for a bachelor's degree.

Since the University of Pittsburgh was the only one of his alma maters at which he had enough residence to satisfy the degree requirements, he became a graduate of that institution. Five years after having sandwiched graduate courses into a busy schedule as a college department head, he received his MS degree from A&M.

Williams was married December 21, 1920 at McKeesport, Pennsylvania, to Miss Jane Wheeler of Winsted, Connecticut.

## Spirit Impresses SMU Alumnus Here

A recent graduate of Southern Methodist university who is impressed with the Aggie spirit is the Rev. Robert C. Monk, new director of the Wesley Foundation of the A&M Methodist church.

Monk's home town is Lubbock, where he attended Texas Tech and was graduated in 1951. In 1954 he was graduated from the Perkins School of Theology at Southern Methodist university.

"I am impressed with the Aggie spirit and am looking forward to working with the students of the campus," said Monk.

"The opportunities here are unlimited and I believe the message of Christ has a place in the life of the Texas Aggies. I hope to be able to share in this message at the Wesley Foundation."

## Lot of Bicycles Goes for Sale

Ninety-nine bicycles and some parts will be sold as a lot by the college, said Walter F. Berndt, assistant auditor.

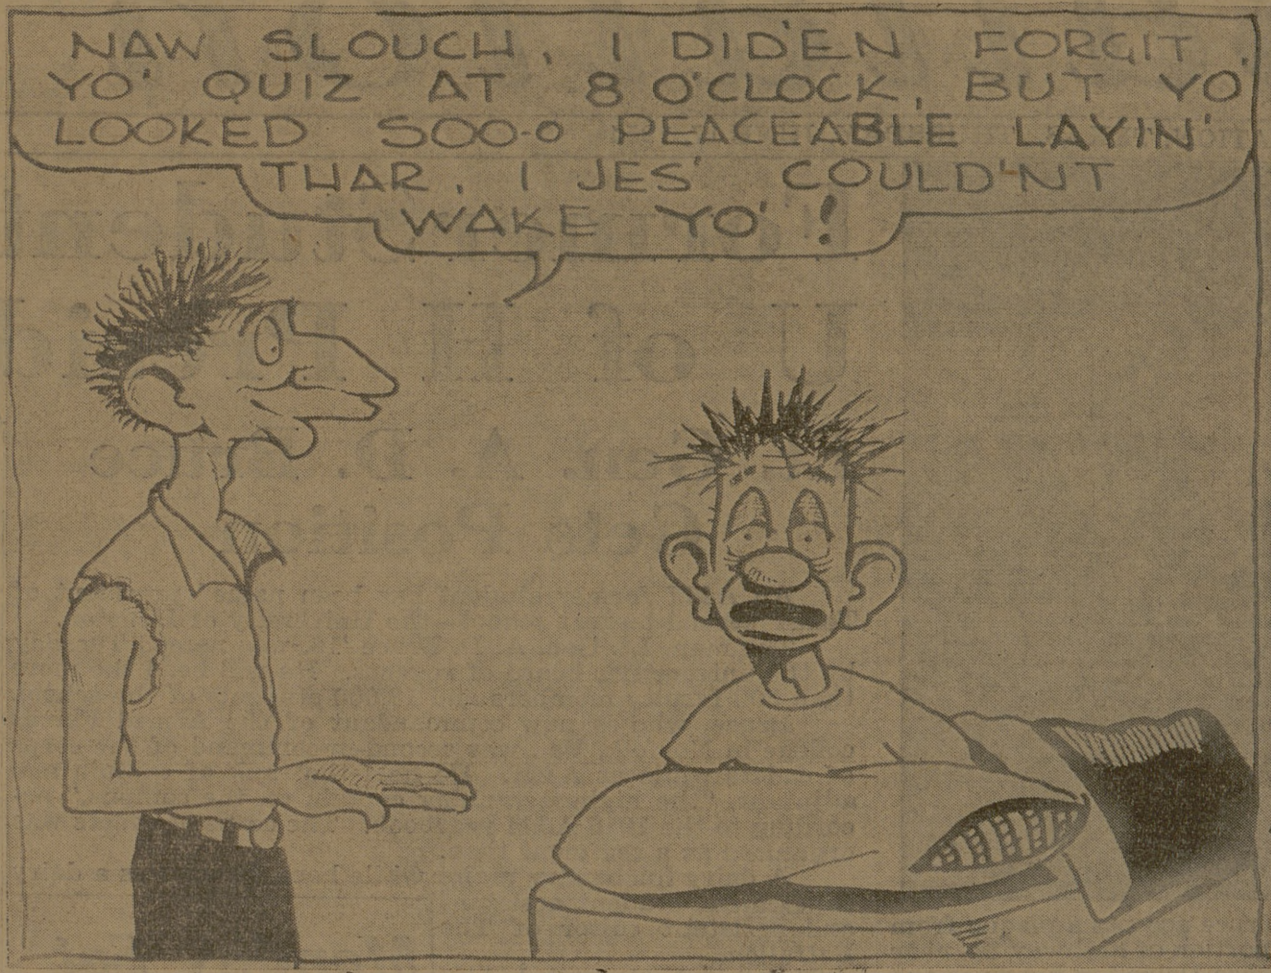

Berndt said bids on the bicycles would be accepted by the auditor's office until about June 28.

The bicycles were picked up as abandoned personal property by the Campus Security officers and held for at least 12 months from the date of pick up.

Any personal property not claimed within 12 months is considered abandoned property and may be put on sale.

## Democratic Committee Sets Convention Dates

The Brazos county Democratic executive committee has set the date of the precinct and county conventions.

The precinct conventions will be at the 18 polling places in the county on July 24. Meetings will be at 2 p.m. in the county precincts and at 7:15 p.m. in the city boxes of Bryan and College Station.

The county convention will be July 31 at 2 p.m. at the Lamar school gymnasium in Bryan.

Elected precinct chairmen to fill vacant terms were Mrs. Karl Elmquist for College Hill's precinct 16, and V. R. Wilson for Edge's precinct 8.

The committee estimated the cost of the primary election at \$3,900, which will be paid for by assessment of the candidates.

The committee unofficially agreed that the assessment would be 5 1/2 per cent, as compared to 7

per cent last election year. For the main county offices, which pay \$4,680 a year, this would mean an assessment of \$257.40 to get on the ballot. This would have to be paid by June 26.

## Palace Theater Gets CinemaScope

Edna Shulman won't admit that she has built a new theater to show The Robe, but that's about what it amounts to.

The inside of the Palace theater in Bryan has been repainted and redecorated, but the main change is the installation of CinemaScope equipment with the stereophonic sound.

The CinemaScope screen reaches from one side of the stage to the other, more than twice the size of the old screen there. It is made of a molded plastic material, and is seamless to prevent lines on the picture.

Other new equipment includes new camera lenses and a high-fidelity sound system. The Anamorphic lenses, which cost more than \$500 each, spread the picture out over the wider screen. The sound equipment was installed by Atec-Lansing, the same firm that made the sound system for Kyle field.

The equipment gives the Palace the same equipment used in New York's Roxy and Radio City Music Hall theaters, and in Houston's Loews State.

## January Is Gym Completion Date

The addition to the new G. Rollie White coliseum should be completed by January 1956, said Howard Badgett, manager of physical plants.

The contract for this \$571,081 building was awarded to R. B. Butler with 300 working days needed to complete the structure, Badgett said.

This building, which will be built adjoining the south wall of the coliseum, will house the required physical education program. It will contain offices, lockers, a gymnasium, and intramural headquarters, said C. E. Tishler, head of the physical education department.

A chicken, the blue hen, known in colonial days for its cock fighting progeny, is the state bird of Delaware.

## MSC To Sponsor Popular Concert

The Memorial Student Center will sponsor a summer concert of popular music next Tuesday beginning at 7:30 p.m.

Playing on the Starlight Terrace will be a 15-piece band from Bryan air force base, directed by Sergeant Bill Coker.

The 15-piece group is composed of regular musicians from BAFB's 515th air force band, directed by D. L. Grazes.
