Statistics aren't dull when they're human

Almost ONE MILLION juvenile delinquents last year! Increase expected this year!

These are not dull statistics. They are flesh and blood figures. They are the tragedy of America written not with paper and pen, but with the wreckage of young lives.

"But why?" you ask. "What is the cause?"

Judges and social workers, almost with one voice, lay the blame on home influences and lack of religious training.

It's up to you, then, Mother and Dad, to help YOUR child. Give him a home filled with love and understanding rather than indifference—a home that leads him into service rather than crime.

Bring YOUR child to Sunday School and Church. Help him become a happy, useful personality, instead of a sad statistic.

THE CHURCH FOR ALL... ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.
