Mrs. Zinn was born in Harborn, Germany, and received most of her education in Kassel. She and her husband came to College Station in September of 1953 after being married in Berlin, July 1. # Dorm 15 Downs 16 For Third Victory

Dorm 15 shelled two Dorm 16 pitchers for eight hits and 12 runs for their third win in intramural softball last Tuesday.

Dorm 15 started by scoring seven runs in the second inning with the aid of five walks and the timely hitting of Rector, Dedeker, and Erp. They sent two more runs across the plate in the fourth inning and then added three more in the fifth. The game was called in the fifth inning because of the

eight run rule that applies in intramural softball here.

Dorm 16 scored all their runs in the fourth inning with the aid of three errors, a base on balls, two fielders' choices and one hit.

# Five Dorms Are Being Repaired During Summer

Five dorms are undergoing repair work this summer.

W. H. Badgett, manager of the physical plants, said yesterday that the exterior repair work on Hart hall was almost complete. Badgett said dorms Milner, Mitchell, Law, Leggett, and Puryear would have both the exterior and interior repaired. He said that \$75,000 had been appropriated for this job.

Talco, of Houston, has the contract to do the painting which calls for \$34,550 and should be finished by Sept. 5, 1954.

A day-room is being added to Mitchell hall between rooms 35 and 36. Lights are being installed over the lavatory in all rooms of these dorms that did not have one before.
