The book will consist of all new

W. T. McDonald

W. T. McDonald Enters Race For District Judge

W. T. McDonald, the only graduate or former student of Texas A&M College in the race, is seeking the office of District Judge of the 85th Judicial District of Texas, composed of Brazos and Robertson counties.

McDonald is no stranger to the campus, as his deceased father, Mr. J. T. McDonald, known to thousands of Aggies and faculty members as "Sgt. Mac," was employed by the college from 1921 until his retirement in 1945. The candidate is also a brother of Reed McDonald, Assistant Comptroller of the A&M System.

In outlining his qualifications and experience, Mr. McDonald pointed out that he received his Bachelor of Arts Degree from A&M in 1933. He studied law independently while holding down a full-time job and was licensed to practice law in 1936, upon examination by the Board of Law Examiners of the Supreme Court of Texas. McDonald has engaged in the general practice of both civil and criminal law in Bryan for more than 18 years. He served as State Representative in the Texas Legislature from the Brazos and Grimes county district for 8 years. While in the Legislature he sponsored the bill authorizing the construction of the 13 dormitories and the agricultural building just west of Sbis Hall, by the issuance of bonds. During his legislative service McDonald served 4 terms on the appropriations committee in the House and twice served as Chairman of the Educational Subcommittee. It was through his efforts that college employees received a full restoration of salaries following a reduction during the depression.

He is currently beginning his 5th year as City Attorney of the City of Bryan, which position is part-time. He still engages in the general practice of law from his offices located in the Old City National Bank Bldg., Bryan.

The candidate will be 43 years of age the coming September. He has been President of the Brazos County Bar Association and has served for three years as a member of the Board of Directors of the State Bar of Texas. He is a veteran of World War II, an active churchman and belongs to numerous fraternal and civic organizations. McDonald has attended the Law School of the University of (See McDONALD, Page 5)

cartoons that Earle has drawn up over the summer. Earle has dedicated the book to the class of 1954.

Birdwell said that Earle is working on a second volume of Slouch cartoons that will be released shortly before Christmas if the first volume is successful.

Decals of Slouch have been made and are on sale at the Exchange store. Slouch T-Shirts are also being planned and may be on sale soon. Birdwell said that the Exchange Store will be the exclusive handler of Slouch products in Brazos county. Earle will be employed by the Exchange Store to handle all of the newspaper advertising, which will be built mostly around Slouch and Simp.

Allen Pengelly Named Editor Of Ex-Student Paper

Allen Pengelly, former navy newspaper editor, is now editing the "Texas Aggie."

Pengelly, class of '53, joined the navy in July, 1952. He served as a seaman journalist until May, 1954. While in the navy, Pengelly was editor of a ship newspaper on the aircraft carrier U.S.S. Lake Champlain. He also worked in the public relations department of the ship.

Pengelly first entered A&M in 1949, enrolling in journalism. During his first three years here, he was feature editor of the freshman Battalion, city editor of the Battalion, a member of the MSC dance committee and an assistant manager of the first Cafe Rue Finale program.

Pengelly, now a senior, re-entered A&M this June.

Grove Movie Attendance On Increase

Attendance at the summer movies at the Grove indicates the movies have been a great success this year. Last week there was an average attendance of 383 persons for the four nights.

To date there have been 847 season tickets issued. Student Activities has issued 664 season tickets to the students attending summer school. There have been 123 adult season tickets sold and 60 children's season tickets sold.

The movie for tonight is to be "Escape From Fort Bravo," a western adventure starring William Holden and Eleanor Parker.

Col. Effingham's Raid To Be Next Film Society Show

"Colonel Effingham's Raid" will be presented by the Film Society Thursday evening at 7:30 p.m. in the Memorial Student Center ballroom. The picture will star Charles Coburn and Joan Bennett.

In this 20th Century Fox picture Colonel Effingham proves that the individual is very important in dealing with local corruption.

GHOSTLY VOICE

NEWPORT, Ark.—(P)—Mrs. J. A. Gregory was practicing on the organ at St. Paul's Episcopal Church here when, suddenly, a voice boomed out of the instrument.

"I got to thinking about all the funerals I had played for," said Mrs. Gregory, "and it scared me plenty."

Investigation showed that the organ's amplifier had acted as a receiver to pick up an amateur radio broadcast.

Barlow Resigns As Head Of Engineering School Tuesday

H. W. Barlow

1200 Firemen Due For Training Session

More than 90 instructors including assistant fire chiefs of Austin, Dallas, Fort Worth, Houston and San Antonio, are on the staff for the 25th annual Firemen's Training school being held here July 11-16.

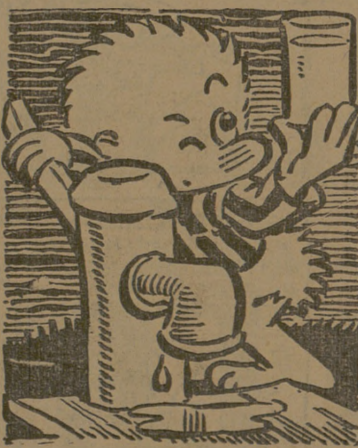

Col. H. R. Brayton, director of the school conducted by the Texas Engineering Extension Service, said he expected a record enrollment of upwards of 1,200 firemen from around the state. Always in

Cotton Oil Men In Short Course

The 22nd annual short course for Oil Mill Operators will be held at A&M July 7, 8 and 9. The course will be conducted by the Institute of Oilseed Technology of A&M in cooperation with the Texas Cottonseed Crushers' Assn. and the National Oil Mill Superintendents' Assn.

President David H. Morgan will give the welcome address at 8:30 a.m., July 7 in the Assembly room of the Memorial Student Center. Dr. J. D. Lindsay, head of A&M's Chemical Engineering Department, will preside. One hundred persons from all over Texas are due to attend.

Weather Today

CLEAR

Clear today, with no thunder-showers in sight. Low temperature this morning was 74 degrees; high yesterday, 96 degrees.

To Direct Washington's Institute Of Technology

Dr. H. W. Barlow has resigned as Dean of Engineering at A&M, director of the Texas Engineering Extension Service, and director of the Engineering Experiment Station to become director

of the Institute of Technology of Washington State College, it was announced here by Chancellor M. T. Harrington of the A&M System. Dr. Barlow is expected to assume his new post by September 1.

Rooms Must Be Reserved By Next Wednesday

All students who expect to attend the Second Term of the Summer Session should pay fees and reserve rooms beginning at 8 a.m., Tuesday, July 13, by following this procedure:

a. World War II veterans (not Korean) will secure fee waiver slips from the Veteran's Adviser's Office, Room 102, Goodwin Hall.

b. Korean veterans who have not signed enrollment papers for the second six weeks should report to Veteran's Adviser's Office and sign same.

c. All pay fees at the Fiscal Office in the administration building.

d. Reserve rooms at the housing office according to the following schedule:

1. Students who wish to reserve the rooms they now have may reserve their rooms between 8 a.m. Tuesday, July 13 and 5 p.m. Wednesday, July 14. Students who wish to move to a different room in the dormitory they now occupy may also reserve rooms between 8 a.m. Tuesday, July 13, and 5 p.m. Wednesday, July 14, by presenting a room change slip signed by the housemaster of the dormitory concerned.

2. All other students may register for rooms on a first come first served basis from 8 a.m. Thursday, July 15, until noon Saturday, July 17.

3. Day Students, including those living in College Apartments, are reminded that they may save considerable time in the registration procedure by paying fees early.

A native of New York, Barlow took his B. S. degree at Purdue University, M. S. at the University of Minnesota and Doctor of Engineering Science at New York University. He came to A&M as head of the aeronautical engineering department in 1940, became Dean of Engineering in 1944 and assumed directorship of the Engineering Experiment Station and Extension Service in 1947.

Dr. Barlow was on the staff of the University of Minnesota, 1932-38 and 1939-40, and New York University 1938-39. He holds membership in many professional and learned associations.

One of the most widely known men of his profession, he also was connected with the Glenn L. Martin Co., 1924-30 and the National Aircraft Engineers Inc., 1930-32.

At A&M Dr. Barlow organized and managed the faculty orchestra, one of the most unique and outstanding of its kind in the U. S. A trustee of the A&M Research Foundation, he was a member of the Executive Committee and Academic Council and Tau Beta Pi Advisory Council.

An ardent civic worker, he was active as a member of the governing board of the Brazos County Health Unit, the College Station Civic and Development Association, Inter-City Relations Committee, past chairman of the College Station Recreation Council. He is a member of Sul Ross No. 1300, A. F. and A. M.

Dr. Barlow takes an active interest in the Boy Scouts of America. He is one of the organization's most enthusiastic workers.

Stags, Daters Well Represented At Tuesday Dance

The first semi-formal Dance of the summer semester was a great success," said Gary Bourgeois, chairman of the Summer Program committee.

Over one hundred attended the dance, sponsored by the Memorial Student Center Summer Program Committee, which was held in the MSC ballroom.

Music was provided by the Bryan Air Force Base combo under the direction of Sgt. Bill Coker.

Due to complications, the floor show scheduled for the dance was not held. Plans are now being made to assure a fine floor show for the next dance.

There was a fine attendance of stags, said Mrs. Helen Atterbury, MSC secretary, as well as a good number of daters.

SNOW PROVIDES HOUSES

FORT WILLIAM, Ont.—(P)—O. J. Weiben, Fort William airlines manager, said it gave him "quite a start" his first night on the Belcher Islands in Hudson Bay to see lighted windows like a small town.

In daylight he had seen nothing but a desolate waste of ice and snow.

The lighted windows were in Eskimo igloos.

"They make their windows with a clear sheet of ice," said Weiben.

With little use for white man's goods, except guns and ammunition, some 200 Eskimo families are spread through the 3,000-square-mile area of the islands in mid-Hudson Bay. Housing presents no problem. Within two or three hours they can "whip up an igloo."

Rooms Must Be Reserved By Next Wednesday

All students who expect to attend the Second Term of the Summer Session should pay fees and reserve rooms beginning at 8 a.m., Tuesday, July 13, by following this procedure:

a. World War II veterans (not Korean) will secure fee waiver slips from the Veteran's Adviser's Office, Room 102, Goodwin Hall.

b. Korean veterans who have not signed enrollment papers for the second six weeks should report to Veteran's Adviser's Office and sign same.

c. All pay fees at the Fiscal Office in the administration building.

d. Reserve rooms at the housing office according to the following schedule:

1. Students who wish to reserve the rooms they now have may reserve their rooms between 8 a.m. Tuesday, July 13 and 5 p.m. Wednesday, July 14. 3. Day Students, including those living in College Apartments, are reminded that they may save considerable time in the registration procedure by paying fees early.

John R. Grace

Grace Announces Candidacy For District Judge

John R. Grace, Hearne attorney, has recently announced his candidacy for district judge of the 85th Judicial District, which is composed of Brazos and Robertson counties.

Grace's announcement statement was as follows:

"It is with great humility that I, John Grace, decided to seek advancement to this most important office. Fully realizing that the people of the district who are not acquainted with me will want to know something of my background, my experience and my qualifications, I ask your indulgence while a brief history of my life is outlined, together with a few of the proposals I intend to inaugurate, should you elevate me to the office of District Judge.

"I was born on a farm in Rob-

Sbis Hall Floors Replaced By Tile

The wooden floors in the Sbis dining hall are being torn up and are to be replaced by tile, said J. G. Peniston, supervisor of subsistence, Sbis dining hall.

So far, half of the floors have been torn up.
