Mrs. Martin Wins In Wives Bowling

Last week's morning session of the Bryan Air Force Base Officers' Wives League ended with Eleanor Martin of the Bow Legs Team having bowled a 175 for high game honors.

Dot Moore of the Sabres Team bowled the high individual series for the morning with a 454.

The BAFB Officers' Wives League is experiencing many upsets with the Lofters still holding a very narrow three game lead in the league standings. The Sabres have been fortunate in advancing

to second place in the past three weeks and are good contenders for the league's championship.

For the life of the league, just watch Marie Heritage hop a ball returning to the rack; the agility the gal has is really amazing.

FLOWERS PAY CASH

DETROIT (AP)—Burglars worked for hours over a safe in a flower shop, but couldn't break it open. Before departing, however, they reached into a flower refrigerator and took some corsages and boxes in which to put them.

Their decision to take flowers cost the shop \$347. The owner explained: "For years I've kept office supplies in the safe and money in a corsage box in the refrigerator."

Joy McLaughlin Takes High In Lassie Bowling

Joy McLaughlin of the Cuddies Team bowled a 186 for high individual game at last week's meeting of the Lassies' League at the Memorial Student Center Bowling Alleys.

The high individual series for the evening was bowled by Lon McDonald of the Dumbelles Team.

During the evening Margaret Elbrich of the Cuddies Team picked up the 3-7-10 split to give her team the nod for one of the two games won from the Half-Wits Team. The Dumbelles continue to hold a very narrow lead in the league standing. However, with only three weeks of league play left, it should be fairly easy for them to "cinch" the championship for the season.

erton County, 50 years ago, and resided on the farm until I was 18 years of age. I was graduated from Calvert High School, later entered Baylor University, and received my law degree from that institution in June 1931.

"In 1932 I made the race for prosecuting attorney of Robertson County, was elected, and assumed office January 1st, 1933, and served in such capacity for a period of six years. In 1939 I moved to Hearne, and formed a law partnership with the late Judge J. Felton Lane who was affectionately known by his host of friends as "the tall sycamore of the Brazos". I practiced law with Judge Lane until his death in 1942, and thereafter I practiced alone until my present partner, Bill Palmos, returned from the Navy in October, 1945, since which date we have been associated together under the firm name of Grace & Palmos.

"During the period of my practice I have participated in hundreds of contested cases, civil and criminal, as prosecuting attorney and defense attorney in criminal cases, and as attorney for the plaintiff and as attorney for the defendant in numerous civil cases. My experience has been varied, as I have been an attorney in a small town where my clients have had many types of problems, and I have never attempted to specialize in one field of legal work, but have engaged in all different types of such work.

The records of the District Courts of Brazos, Robertson, Milam and many other counties in Texas will reflect that my work has been of almost every type of legal trial work that a lawyer could be engaged in. This information is given you to show you the wide experience I have had, and to advise you that my work has been such that it fully qualifies me for the position of District Judge of Brazos and Robertson Counties."
