BUDDIES

It was Jackie who hit that home run this afternoon, but Butch is just as proud as if he'd been the one out there swinging. That's the way these boys are. They share their experiences, both the good and the bad... for they are buddies.

Another thing they share is going to Church school regularly. Here they learn about another kind of friendship, the warm, all-encompassing friendship of Christian love.

It may be that in the years ahead the paths of these two buddies will take different directions.

No doubt they will have different vocations, and perhaps live in different parts of the world. But wherever they may be, we can be sure that each of them will have the Church as their guide and inspiration... forever.

THE CHURCH FOR ALL... ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.
