I SHOT AN ARROW... In the flight of an arrow this young lady glimpses something of the question mark that is life. She compared herself to the arrow, trembling and plunging toward the earth... falling at some distant, unknown point. She thinks of the childhood poem she once learned, "I shot an arrow into the air... it fell to earth, I know not where." Until she discovered the Church, thoughts like these troubled her. But in the Church she found the answer, a secure knowledge that her flight of life will be guided by a higher power to a perfect destination. Like this girl, everyone has flights of fancy. We dream of, plan for, and have misgivings about the future. That is why we must discover the Church and its teachings, for under its influence, our destiny will become sure, and our future will take on a new meaning.

THE CHURCH FOR ALL... ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.
