### SHOULD BOBBY HATE COPS?

Bobby had always wanted to be a policeman. But recently he has gotten acquainted with an older boy who hates cops. This older boy belongs to a gang. He has been "in trouble" several times. Despite the fact he comes from a respectable family, he is a juvenile delinquent.

The older boy is poisoning Bobby's mind. He is teaching Bobby to look at life through the eyes of a juvenile delinquent. The gang starts early to "train" new recruits!

Is there any antidote in Bobby's life to counteract the poison to which he is exposed? There can be.

It's not too late for Bobby's family to realize his need for religious training. They can begin next Sunday to be a church-going family. They can bring him to church school, provide a Christian atmosphere in his home, encourage him in his spiritual and moral development.

God cares about Bobby's future. Our community cares. Our churches care. DO BOBBY'S PARENTS CARE?

### THE CHURCH FOR ALL . . . ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church: They are (1) For his own sake (2) For his children's sake (3) For the sake of his community and nation (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.
