

OUTSTANDING—A&M Cadet Fair Colvin Jr. is being congratulated by Col. Leo A. Codd, retired vice president of the American Ordnance association, for winning the outstanding cadet award at the Aberdeen Proving ground ROTC summer camp. The Camp was attended by more than 1,000 students from 56 colleges and universities.

There are only two species of living elephant, the African and the Indian.

Bryan Air Base Sponsors School Bus Driver Course

A school bus driver institute, which will attract public school administrators and bus drivers from nine Texas counties, will be held at Bryan air force base Friday.

Some 43 independent and county schools from Brazos, Burleson, Grimes, Leon, Madison, Robertson, Walker and Washington counties will be represented at the one-day institute.

Ways of operating school busses more safely and the problems of transportation administration will be discussed during the conference. The institute is presented as a community service by Bryan air force base in cooperation with Brazos county schools. The one-day program has been worked out by W. D. Bunting, superintendent of Brazos county schools, and E. H. Bass, Bryan AFB ground safety officer.

Safety will be discussed by Texas Highway Patrolmen W. E. Hale, Houston, and C. O. Crawford, Waco. A driver demonstration will be conducted by W. R. Meredith, patrolman of Austin, and Leon Graham, transportation specialist, will speak on bus regulations.

Two discussion groups, first aid and policies, will conclude the institute.

Wart hogs live in burrows which they habitually enter hind-end first to be ready to attack animals which might attempt to follow them.
