ALL OVER THE WORLD

Glance at an atlas or give your globe a spin. It's a vast world, encompassing continents, oceans, mountains, deserts and valleys. Its inhabitants number in the billions, and they in turn are divided into many nations, each with varied tongues, creeds, and religions.

But here at last we have struck upon a common denominator—*religion*. For all peoples in all times have recognized a superior power—their creator.

On World Wide Communion Day, Christians all over the world unite in their churches to partake of the Lord's Supper, one of the holiest rituals of the Church. Together, in His house, their prayers attain a new significance. Their voices blend into one universal voice, from which stems new power and meaning.

Go to your church on World Wide Communion Day. You will be in the fellowship of millions of worshippers, receiving with them new hope for peace of mind and soul—and peace for the world.

THE CHURCH FOR ALL... ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

New Fall Fashion Announced by Campus Leader

Adam Apple, prominent senior, stuck his neck out yesterday about student fashions for the coming year. "Charcoal and pink are the colors; no shoulders, two vents and heavy brogans will be the clothes of distinction. Button down shirts and heavy knit ties will grace male necks on campuses from coast to coast. No jewelry, no chains, just a simple watch that rings a bell at 10, 2 & 4. Then, you'll be sure to know when it's Dr. Pepper time."

er 10, 2 & 4 for remember the first can't-be-copied drink in American colleges. Wake up your taste... Drink Dr. Pepper.

Follow the fashion cues set by campus leaders...
