Southwest conference teams roam far and wide this week for intersectional games as the squads put on final touches before settling down to conference play.

The biggest attraction of the weekend involving SWC teams takes place inside the state, however. University of Texas plays Oklahoma at Dallas.

Rice goes to Madison to meet powerful Wisconsin, SMU takes on Missouri at Columbia and TCU plays Southern California at Los Angeles Friday night.

This week's predictions:  
A&M 13, Houston 7.  
Texas 27, Oklahoma 21.  
Rice 14, Wisconsin 10.

SMU 20, Missouri 7.  
TCU 13, Southern Cal. 21.  
Baylor 21, Arkansas 20.

## A&M — University of Houston

This week's game could be the most important of the season for the Aggies. If they beat the Cougars and get the poise and drive they need, the Cougars can have a mighty big hand in deciding where the conference title is going to go this year.

Houston has scouted all three A&M games and has movies of the Georgia game. A&M has been un-

## Texas — Oklahoma

In five of their last six meetings, OU has beaten the Steers. Ed Price and his boys reportedly have been pointing for this one since last year's defeat and will be as ready as they will ever be.

The Sooners, ranked first in the nation, will have soph Jimmy Harris at quarterback for injured Gene Calame, and there's

## Rice — Wisconsin

Dicky Moegle ran only six times against Cornell, gained 168 yards and scored four touchdowns.

But Wisconsin has a powerful defense and fullback Alan Ameche, and this nationally televised game figures to be a hard fought ball game all the way. Wisconsin

## SMU — Missouri

SMU has too much everywhere for Missouri and shouldn't have to open up too much. Quarterback Duane Nutt should up well in the Georgia Tech game, and the Mustangs should be better than last year.

## TCU — USC

TCU's soph quarterback Charlie Curtis will play only in spots, so Ronald Clinkscale, the senior man-

## Baylor — Arkansas

Baylor, bruised, battered and dispirited after the loss to Miami, should be the underdog in Fayetteville. Star halfback L.

# Records Show Fish Margin Over Wogs

The A&M freshman football team piled up a heavy statistical edge Wednesday in the 7-0 win over the TCU Wogs before 18,000 fans in Amon Carter stadium.

Gaining nearly 350 yards total offense compared to less than 150 yards for the TCU freshmen, the Fish had an equally lop-sided advantage in first downs, chalking up 16 while the Wogs settled for 6 first downs.

Led by the hard-running 200-pound halfback John Crow, the freshmen galloped for 258 yards rushing. Crow had 83 yards on 13 carries for an average of over 6 yards per carry and Ed Dudley, the other halfback, ran for 55 yards in 13 tries for more than 4 yards per carry.

The Fish score came midway in the third period after fumbles muffed several scoring opportunities in the first half. Taking the ball on their own 43, they marched down to the TCU 16 with Crow plunges adding up to 30 yards during the drive.

From the 16, Dudley took a pitchout from Quarterback Jim Wright and circled wide to the left to cross the double stripe just inside the red flag marker. Crow added the extra point and the scoring was over for the evening.

## Jerry Mount Sets 'Mural Swim Mark

Jerry Mount of Milner Hall splashed to a new upperclassman mural record in the 300 foot freestyle event with a time of 1:00.5 seconds at the P. L. Downs Jr. natatorium last night. The old record was set by Don Horn in 1953 with a time of 1:01.5 seconds.

Other upperclassmen who qualified in the freestyle were West, D Inf.; Dye, Puryear; Ware, D Inf.; Weatherby, Sqdn. 1; Goetzke, A Ord.; Lewis, A Armor; Kessinger, B Inf.; Winburn, Law Hall and Bellinger, B Field Art.

Fletcher, Sqdn. 25, had the best qualifying time for the freshmen with 1:05.0 seconds. He missed the old record of one minute flat set by R. H. Taylor in 1940 by five seconds.

Other freshmen who qualified were Strikland, Sqdn. 5; Colwich, B Eng.; Ragsdale, Sqdn. 6; Quinn, Sqdn. 1; Cooper, Sqdn. 7; Jones, Sqdn. 18; Hundley, D Field Art.; Middleton, Sqdn. 2; and Wilson, A AAA.

The 100-foot backstroke will be the next swimming intramural event, scheduled for Tuesday.

Later in the contest, Crow missed a field goal attempt that apparently was wide by inches.

"I thought for sure it was good," Coach Willie Zapalac said.

Well pleased with the showing the team turned in against the Wogs, Zapalac said the entire team looked very good and that they continued to show improvement.

"They know what they're out there for," he said, "and they have the desire and will to win. It's impossible to pick outstanding players from the squad because they all played good ball."

Zapalac said that Wog recoveries of 7 out of 8 Fish fumbles "hurt plenty," but that he wasn't disappointed in the score.

"All I know is that we won," he said.

## Co-captains Announce Hopes For UNDEFEATED SEASON

Our nationally famous co-captains, when interviewed in the locker room after Saturday's game, had this to say, "Sure, we got good talent on the team this year, but we wouldn't get to first base (sic) with our schedule, if it wasn't for our trainer." When asked to explain, they said, "We just squeaked through our first two games . . . but now the trainer has put a Dr. Pepper vendor in the locker room. Our boys get such a Lift for Life there will be no stopping them."

And, there'll be no stopping you in any of your campus activities if you'll Wake Up Your Taste with a frosty cold bottle of Dr. Pepper.

What makes a Lucky taste better?  
**"IT'S TOASTED"**  
to taste better!

Doubtless, you've guessed that the Doodle at the right is: Careless two-gun cowboy enjoying better-tasting Lucky while waiting in ambush. Lots of other two-gun cowboys—and many millions of no-gun folks—agree that Luckies taste better. Students, for example, prefer Luckies to all other brands, according to the latest, biggest coast-to-coast college survey. Once again, the No. 1 reason is that Luckies taste better. They taste better because Lucky Strike is the cigarette of fine tobacco . . . and "It's Toasted" to taste better. "It's Toasted"—the famous Lucky Strike process—tones up Luckies' light, mild, good-tasting tobacco to make it taste even better. So, enjoy the better-tasting cigarette . . . Lucky Strike.
