

Tigers Ready for Katy

A&M Consolidated's battered Tigers went through a stiff scrimmage session Monday afternoon, and Coach Jim Bevans scheduled

more of the same to ready CHS for the district opener here with Katy Friday night. Katy is unscored on this season,

though held to a 0-0 tie by Hempstead, whom CHS has beaten. Katy will be Consolidated's third straight undefeated opponent and the fifth

straight home game for the Tigers.

Led by halfback Johnny Olbrych, Magnolia beat Consolidated 38-7 Friday night. The 155-pound Olbrych scored four touchdowns for the Bulldogs, and gathered in a total of 247 yards rushing in 18 carries, for an average of 13 yards a try.

Tommy Barker was the leading ground gainer for CHS, with 76 yards in 6 carries, for a 12.7 average.

Not satisfied with a 13-7 lead at half time, Magnolia scored four more times in the final half.

Magnolia scored first when Olbrych broke through the middle of the Tiger line and ran 52 yards for a touchdown. The try for the extra point was low, and Magnolia had a 6-0 margin with four minutes left in the first quarter.

Just 50 seconds later, Olbrych bounded back into the end zone, on a 25-yard sprint. Bobby Parker made the point try, and the score stood at 13-0.

This drive started with Bobby Seal's recovery on a Consolidated fumble on the Tiger 43.

CHS got their lone score with 55 seconds left in the half, when J. B. Carroll's 11-yard pass connected with Travis Engelbrecht in the end zone. Carroll booted the extra point.

A 57-yard run by Barker put the Tigers in position for the score.

Magnolia picked up two more touchdowns in the final minutes of the third quarter.

Olbrych, again, romped 32 yards to cap a 79-yard drive to Consolidated's goal four minutes before the end of the quarter. Parker converted.

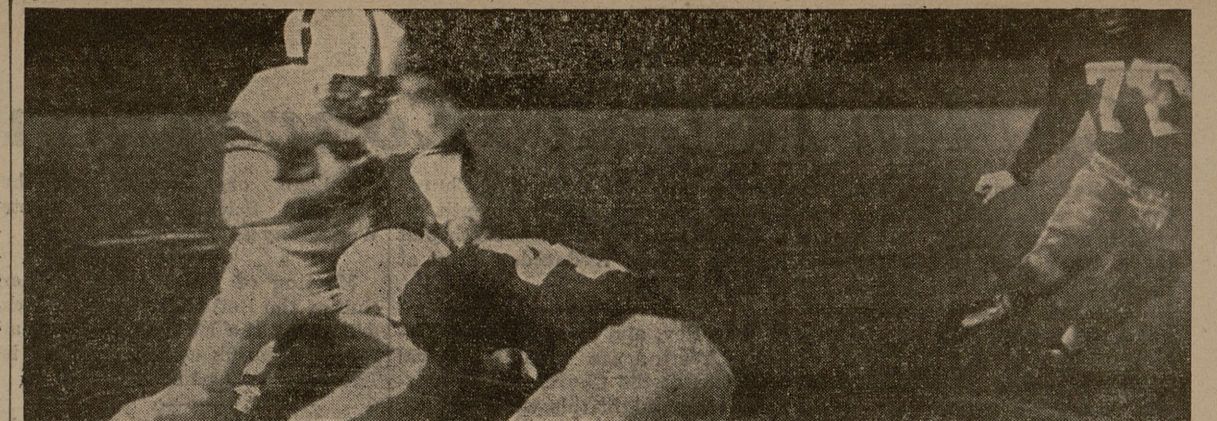

A pass from Gerald Applegate to Buddy Dial priced 60 yards for the next Bulldog score. A fumbled snap-back halted the extra point try.

With one minute, 23 seconds left to play Olbrych ended his scoring for the night with a six yard drive for a touchdown.

The Tiger line reached for the conversion try, blocking it.

With only 18 seconds left in the game, Seals heaved a 29-yard pass to Dial in the Tiger end zone, finishing the game and the Tigers.

Another fumble prevented the extra point, and the game ended 38-7.

IT'S KETTLER AGAIN—Aggie quarterback Elwood Kettler picks up four yards and a first down on the Houston 36 yard line in the first quarter of Saturday's game.

Football Talk Main Topic At '39 Reunion

Football talk flowed freely at the Shamrock hotel when over 500 people honored the 1939 national champion Aggie football team Saturday.

Homer Norton, coach of the unbeaten squad, said, "I can still see them as if it were yesterday," and present coach Paul Bryant said, "I saw them play Tulane in the Sugar Bowl, and it was one of the greatest teams I've ever witnessed."

The '39 team, which included two all-Americans, went unbeaten through a 10-game schedule and defeated Tulane 14-13 in the Sugar Bowl. It gave up only 10 points in the regular season.

Tackle Jim Boyd, now a Baptist minister, and fullback John Kimbrough were the all-Americans. Boyd and Cotton Price, who played quarterback, were team co-captains.

Another co-captain, end Herbie Smith, was killed in World War II along with two other team members, Dorace Moser and Cotton Williams. The luncheon guests stood for a moment of silence in tribute to the three players and Harry Faulkner, an assistant coach, now deceased.

Speakers included Norton, Bryant, Boyd, Price, President David H. Morgan, Gen. A. D. Bruce, president of the University of Houston and a former A&M student, Houston coach Clyde Lee, who played under Norton at Centenary, Charlie DeWare, the luncheon's general chairman and a freshman coach at A&M in 1939, Marty Karow, backfield coach, Bill James, line coach, Manning Smith, assistant backfield coach, and Lil Dimmitt, trainer.

Intramurals Have Heavy Schedule

Football, horseshoes, basketball, tennis and swimming all share the spotlight in intramural competition today.

Team basketball and team tennis will be played by the upperclassmen, while football and horseshoes will be played by the freshmen.

Upperclassmen and freshmen will vie for the best qualifying times in the 100-foot backstroke, to be unraveled tonight at the P. L. Downs jr. natatorium.

Swimming will start at 7:30 and the other sports will begin at 5:10 p.m.

Baseball Candidates To Meet Wednesday

All varsity baseball candidates are to meet in DeWare field house at 5 p.m. Wednesday, baseball coach Beau Bell announced Monday.

Delano Womack, who was Texas' leading scorer last year with 42, has a "scoring" number. He wears No. 44, which was Jack Crain's number when he set Texas' all-time scoring mark of 92 points in a single season (1941), and Gib Dawson switched to that numeral in mid-season of 1952 and set a scoring mark for SWC play only (62) while wearing it.

Football Game

and began sending his players to the dressing room.

Yesterday Bryant said two or three Aggies suffered the usual bumps and bruises, then added, "I won't say anybody is out for the TCU game, although two or three might like to say they're hurt bad enough to miss it."

Asked about the Aggie players on the bench standing throughout the last half, Bryant said, "I didn't notice anything about it—two or three others asked me about that. We didn't ask them to stand, and I think it's a good sign they did—we played better in the second half." "I'm proud they did it—glad my kids were so interested," he also said.

Bryant, asked about A&M's best players, immediately said, "Kettler—the same player who has pleased us the most in every other game." He said fullback Don Kaehlik showed "pretty good" and pointed out he played on 39 offensive and 54 defensive plays.

Guard Sid Theriot played a "fine game," said Bryant and he also praised tackles Norb Ohlendorf, Larry Winkler and Bill Schroeder, ends Gene Stallings and Jack Pardee, quarterbacks Charlie Scott and Gene Henderson and halfback Joe Schero.

After the varsity worked out for about one and a half hours in sweat suits, Bryant said he had made several position changes but didn't want them disclosed. The Aggies worked on defending TCU plays.

Guard Marvin Tate, who was hurt on the opening kickoff Saturday but came back in, and Kaehlik didn't practice.

The freshmen had a long workout yesterday as they readied for Thursday night's game in Waco with the Baylor Cubs.

Aggie Harriers Split In Oklahoma Contests

A&M's cross-country team, defending Southwest conference champs, split a "double header" in Oklahoma over the weekend, defeating Oklahoma and losing to Oklahoma A&M.

The Cadets downed OU 14-24 Friday in Norman and lost to the O-Aggies 26-10 Saturday in Stillwater. They now have won three out of four meets—the win over Texas and Texas Tech is a triangular meet counting as two victories.

Verlon Westmoreland ran the three mile OU course in 15:47 to finish first for the second straight time. A&M also took the next four places, with Bill Cocks, Bob Boles,

TCU Sends Back Football Tickets

Additional reserve seat tickets for Saturday's TCU-A&M game were received here Monday and are now on sale, said Pat Dial, business manager of athletics.

Dial said 400 to 500 tickets were returned from Fort Worth. The seats are around the 20-yard line high on the west side of the stadium and cost \$3.25.

If you drive for the sheer zest of it you owe yourself this hour!

If your hands rejoice in the precise balance of a fine gun or the sweet response of a racing sloop... then you owe yourself an hour with the Chevrolet Corvette.

You'll find it is, quite literally, like no other car in the world—a heart-lifting blend of the true sports car with all that is best in American engineering.

There is the velvet smoothness of a Powerglide automatic transmission (but with the classic floor selector-lever).

The trouble-free durability of a Chevrolet "Blue-Flame" engine (but with three side draft carburetors to unleash its flashing 150 horsepower).

The ruggedness of an X-braced box girder frame (but with the astonishing impact resistance of a glass-fiber-and-plastic body).

Luxurious seating for driver and passenger in deep foam rubber (but cradled in the traditional security of bucket seats).

Generous luggage room, the panoramic sweep of a deeply curved windshield, the flair of tomorrow's styling (but within the polo-pony compactness of a real road car).

The Corvette blends all this and more. For it is a driver's car... a low-slung torpedo with a center of gravity only 18 inches above the concrete... with outrigger rear springs that make it hold to the road like a stripe of paint... with a 16 to 1 steering ratio that puts needle-threading accuracy at your finger tips.

Frankly, the Corvette is a "limited edition," made only in small numbers. It is intended only for the man or woman to whom driving is not just transportation but an exhilarating adventure, a sparkling challenge to skill and judgment. If you are one of these, then you owe yourself an hour with a Chevrolet Corvette.

Call us now and let us set up a demonstration run... for in a short 60 minutes you can discover that motoring has a whole new dimension of delight.

Make a date to drive the

Chevrolet Corvette

150-h.p. overhead-valve engine with three side draft carburetors • Four-leaf outrigger springs in rear • Powerglide automatic transmission • Center-Point steering, 16 to 1 ratio • Form-fitting individual seats • Full instrumentation, with tachometer, oil pressure gauge, and ammeter.
