Official Notice

Any student who normally expects to complete all the requirements for a degree by the end of the current semester should call by the Registrar's office NOW and make formal application for a degree. November 1st is the deadline for filing an application for a degree to be conferred at the end of the current semester. This deadline applies to both graduate and undergraduate students.

H. L. Heaton, Registrar

Presidents of all student organizations are reminded that college regulations require that each such organization must have a current constitution and a list of the student officers on file with the Department of Student Activities, 2nd floor, Goodwin Hall.

The price tag is low —

Ford brings you the only V-8 in the low-price field . . . plus trend-setting style . . . and revolutionary Ball-Joint Suspension!

Today's Fords are costly cars in everything but price! Take engines, for example: Ford's new 130-h.p. V-8 is the most advanced engine in any car—yet Fords with this new Go-packed V-8 actually sell for hundreds of dollars less than many cars with only six-cylinders. And Ford's new I-block Six, with its years-ahead low-friction, deep-block design costs even less! Also Ford offers you the widest choice of body, color, and upholstery combinations in the whole industry. You can have power steering, power brakes, power windows, power front seat, and Fordomatic Drive at extra cost.

and we're trading high!

Your present car may be worth more to us than you think. And when you choose your new Ford you can be certain you're getting America's greatest car buy. You can expect more for it when you sell it, too. For Fords return more of their original cost, in resale, than any other car!
