Laymen's Day To Be Observed By Methodists

Annual Laymen's day will be observed at the A & M Methodist church Sunday. At the morning worship service A. A. White, Dean of the College of Law at the University of Houston, will speak.

He will be introduced by the Rev. Nolan R. Vance, pastor of the A&M Methodist church. A native Texan, White was reared on a farm in Van Zandt county. While attending North Texas State Teacher's College he was a member of a debate team that won three regional debating tournaments. After receiving his BS degree in 1932, he attended Southern Methodist university on a scholarship, and received his LLB degree in 1935. He practiced law in Tyler for six years before going to Columbia university in 1941 to do graduate study.

At the beginning of World War II he entered the Office of Price Administration, Dallas, as regional rent attorney. He advanced to regional rent executive in 1944 and to regional enforcement attorney in 1945. In 1947 he left federal work to enter the field of education as Dean of the College of Law at the University of Houston.

An active layman in church circles, White has served on the Board of Stewards and has taught Sunday school at Saint Paul's Methodist church in Houston. He is now a Sunday school teacher at the Westminster Methodist church. Lay activities of the A&M Methodist church are headed by Fred J. Benson, chairman of the official board. He and Rev. Vance, together with the congregation, invite the public to hear this distinguished layman.

What a wonderful existence mankind would have if all the troubles and problems of this world could be dumped into a magician's hat—and then with a "presto, chango" they would all vanish.

Or, if you had such power, wouldn't it be marvelous to rid yourself of all personal worries?

But by our very nature, we are imperfect. While going it alone, we are incapable of perfect deeds and decisions.

Fortunately, there is a Greater Being than ourselves who stands ready and anxious to help us. To Him we must look for guidance and faith. And it is through His Church, here on earth, that we can best come to understand His will.

Attend Church this Sunday and every Sunday. Here, in spite of all our weaknesses, we will become stronger men and women. Here, we will learn to face the future with a surer understanding of right and wrong.

THE CHURCH FOR ALL . . . ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

Wilmeth To Speak At Local Church

P. D. Wilmeth, minister of Glenwood Church of Christ, Tyler, Texas, will deliver a special series of messages at the A&M Church of Christ, Oct. 31 through Nov. 3, on "Christian Marriage".

Mr. Wilmeth, a graduate of Abilene Christian college and Columbia university, has done special work in the field of marriage counseling and has been widely used as a lecturer in this field of study, said James F. Fowler, minister of the College Station Church of Christ.

The first in the series of five sermons will be delivered at the regular Sunday morning worship hour, 10:45, Oct. 31. The subject will be, "The First Wedding". The Sunday evening topic will be "Causes of Failure in Marriage". The remaining three addresses for Mon-

day, Tuesday and Wednesday evenings at 7:15 are: "How to be Happily Married", "Unsuccessful Marriage", "The Wrecked-Home Divorce".

In addition, Wilmeth will address the Young Married Couples' class, Sunday at 9:45 a.m. on the subject "Problems of Young Married Couples". Sunday evening at 6:15 he will speak to the Aggie Young Peoples' class on the theme "Courtship".

In extending an invitation to the public to attend these lectures, Fowler said, "Since the divorce rate in America is greater than in pagan Japan and Communist Russia, and since 'decay of the home' has always preceded national weakness, we feel that every person in our nation needs more teaching on this vital theme of 'Christian Marriage'."
