

TAMALADA SUPPER—Seated above are Dean W. W. Armistead, head of the School of Veterinary Medicine, left, and his family at the Tamalada supper which was held at St. Thomas Episcopal Chapel last evening. The supper was sponsored by the Women's auxiliary of the church and is given as an annual event each year. Guests were served the Mexican supper from 5 until 7 last evening by young people dressed in gayly colored costumes. The costumes, bright tablecloths and dripping candles in bottles helped to provide a Mexican atmosphere for the supper.

HI, SCHOOL

Over 60 variations on the "hideous hair" theme helped make the fourth annual all-high school Halloween party last Saturday night a success. The faculty decorated the Bryan National Guard armory and provided an abundance of edibles for students from profits made on ice cream and coke sales.

Prizes were awarded to the outstanding coiffures in four categories. Ann Hite and George Litton were most original, J. D. Milling was deemed the prettiest, while Earnest Tanzer took the cake for the most unsightly. Jack McNeely and Bill Armistead deadlocked for the weirdest style.

Clifton Bates, president of the student body, appointed the various committees which will function throughout the year at student council meeting Monday. Rita Hughes was added to the list of officers as parliamentarian and it was decided that all officers would serve as the reception committee.

The activity committee will be headed by Donald Patton assisted by Jerry Mills, Dan Davis and Nancy Smith. Vice president J. B. Carroll has Patsy Byrd and Steadman Davis to help him in assembly planning.

In charge of campus and grounds are Betsy Burchard, chairman, Edward Litton, Mary Lindra Cathcart, Jerry Oden, and George Litton. Wayne Thompson, Joe Marek and Nell Ross will handle traffic problems and Bobbie Huff has

the responsibility of the lost and found department.

Betsy Burchard, George Litton, Lucy Rogers, and Jerry Oden, will handle fire drills which the state decrees shall be held once per month. Mimeographed sheets of escape routes will be posted in each class room.

The Consolidated FHA Chapter boasted three victories in District IV elections in Caldwell last Saturday. Mildred Dew was selected third vice president and Patsy Byrd was chosen district treasurer. Jean Ann Smith is state nominee from this district in the Area VIII elections.

Mrs. Sydney Sorensen was honored by a birthday party last Thursday given by the senior girls. A chorus of "Happy Birthday," cookies, cokes and two gifts highlighted the celebration held at activity period.

The A&M Consolidated high school chorus will journey to Huntsville Saturday for a SHSTC sponsored choral clinic. Charles Lindsay, director of vocal music at the college, has invited the group to be one of seven choirs participating in the meet directed by Mr. LaVern.

The chorus will sing two numbers, "Praise the Lord" and "Legend of the Bells," which has a solo by Jean Ann Smith. The purpose of the clinic is for choruses to receive critical evaluations of their work and suggestions for improvement before contest and concert season arrive.

"Believe me, it's important to make the right decision — and stick with it!"

SAYS **Bill Grieve,**
VETERAN WORLD SERIES UMPIRE

"There's nothing like umpiring to teach you the importance of making the right decisions—in and out of the ball park," says Bill Grieve. "And one of the best decisions I ever made was the time I started buying Savings Bonds. It's the easiest, surest way in the world to save for your future—and your country's future, too. And nobody's going to throw pop bottles at you for doing that."

Decide now to make your dreams come true — through the Payroll Savings Plan

Today, with the Payroll Savings Plan, it's as easy to save as it is to wish. And your saving really gets you what you want—whether it's a home of your own, a vacation cottage, college for your children, or financial independence for yourself.

To join the Payroll Savings Plan, just ask your pay office to save out a part of your check before you get it, each payday—a few dollars or as much as you want. After that, your money's saved for you—automatically—and invested in U. S. Series E Savings Bonds that are turned over to you.

Which means your money really goes to work for you! Because each Savings Bond earns 3% per year, compounded semiannually, when held to maturity. If you sign up to save only \$3.75 a week, in 5 years you'll have \$1,025.95 cash. In 9 years, 8 months, you'll have \$2,137.30!

Easy to see why 8 million Americans are using the Payroll Savings Plan to help them get what they want out of life! Why not join them—today?

If you're self-employed, start the Bond-A-Month Plan where you bank. Like Payroll Savings, it's simple, systematic and sure. Pick your plan—and start now!

If you want your interest as current income, ask your banker about 3% Series H Bonds which pay interest semiannually by Treasury check.

Choose your own savings goal

	If you want approximately		
	\$5,000	\$10,000	\$25,000
Each week for 9 years and 8 months, save	\$8.80	\$18.75	\$45.00
Each week for 19 years and 8 months, save	\$3.75	\$7.50	\$18.75

This chart shows only a few typical examples of savings goals and how to reach them through Payroll Savings. Remember, you can save any sum you wish, from a couple of dollars a payday up to as much as you want. The important thing is, start your Plan today!

Saving is simpler than you think — with U. S. Savings Bonds on the Payroll Savings Plan!
