Thanksgiving

The corn is drying in the fields . . . the sky overhead seems shades bluer than it has ever been before and the autumn air is a tonic, bracing and cool. And on this, the most American of all holidays, thoughts go back to the first Thanksgiving and what it really meant.

It was a bare bounty for which the Pilgrims knelt to thank God. Their harvest was not a rich one, they faced the prospect of a long, bleak winter to be followed by an uncertain Spring. But still, those who had survived the rigorous year just past were deeply thankful for all that they had . . . and did not dwell upon that which they had not.

It was their faith and the faith of others like them which has enabled our country to survive and flourish. Today, more than ever, we and our children need faith like that. We need to kneel in thanks for a bounty far richer than that known or dreamed of by the Pilgrims. In the church of our choice let each of us praise and thank Him for our blessings.

THE CHURCH FOR ALL . . . ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.
