

HI, SCHOOL

By BETSY BURCHARD
A&M Consolidated Correspondent

Anna Beaty has been selected as the outstanding citizen of Consolidated high school for December. She was honored today by the Bryan-College Rotary club at their regular Wednesday luncheon.

Outstanding citizens are chosen by the student council from three faculty nominees, usually seniors. Clifton Bates was the choice for November.

Consolidated is sending three delegates to the Texas High School Press Association meeting in Denton Dec. 2-4.

Tom Ivy and Maurice Olian, the news editor and the sports editor of the school paper, and Patsy Nolan, yearbook editor, will attend the convention at TSCW.

The date of the student council hayride has been changed from Dec. 3 to Dec. 4 due to a conflict with a basketball game. Eighteen couples have made reservations for the truck trip to Koppie's Bridge at 6:30 p.m., leaving from

the front of the old high school building.

Cold drinks will be available at the river and each pair is to provide its own supper. The group will be chaperoned by Mr. and Mrs. T. E. Ryan, Mr. and Mrs. R. L. Boone, and J. J. Skrivanek.

Proceeds from the hayride will defray the expenses of the annual high school Christmas party given by the student council. The party is set for Dec. 17 and the annual gift exchange and refreshments are scheduled.

Lettermen on the 1954 Tiger team and yell leaders were measured for their award jackets yesterday. The group could chose between letter sweaters and jackets.

Two more recreation facilities have been added to the extracurricular agenda at Consolidated. Horseshoe courts and washer pits provide students with activities and take the load off the two ping pong tables installed recently.

A Thanksgiving assembly last Wednesday featured a short speech by Rev. Nolan R. Vance. His topic was "To Think Is To Thank." The high school chorus performed two numbers preceding his talk, "Rejoice and Give Thanks" and "Praise Ye the Lord."

Twelve A&M students and the Rev. Robert Darwall of St. Thomas Episcopal church will attend the Winter Conference of Episcopal college students in Victoria at the Trinity Episcopal church.

Episcopal students from all Texas colleges are invited to the conference. The theme for this year's conference is "The Faith Passed On To Me."

The Rt. Rev. John E. Hines DD, Bishop Coadjutor of the Diocese of Texas, will be the main speaker of the conference. Rev. Hines will also be the main speaker during Religious Emphasis week on the campus.

The program for the weekend will be as follows: a banquet Friday evening, address and study groups Saturday and a dance Saturday night.

The twelve students who will attend the conference are Tyree Hardy, Barton Ellison, Stuart Hayden, Les Robinson, Roy Gaul, Leonard Magruder, Jerry Schnepf, Jim Hancock, John Loggins, George Pierce, Tom Goldstone and Michael Gill.

Service Club Has Christmas Theme

"Making Ready for Christmas" is the theme of the Extension Service club meeting to be held in the Memorial Student Center Thursday at 8 p.m.

Mrs. G. G. Gibson and Mrs. A. M. Meekma have arranged for the demonstrations.

United States Savings Bonds mean more with every passing year

FOR THE YOUNGSTERS: Make sure they have the bright and shiny things—the toys and games that fascinate and delight. But give them something of permanent value, too . . . U. S. Savings Bonds. They'll appreciate your foresight later on when their Bonds help them through college or, perhaps, into business. And Bonds teach a valuable lesson about the benefits of a wise investment.

FOR YOUR WIFE OR HUSBAND: Whether it be a new home, a "dream" vacation or early retirement, bring that long-awaited goal closer with a U. S. Savings Bond. Bonds now earn interest for as long as 19 years and 8 months. So this gift will still be saying "Merry Christmas" in 1974.

FOR MOM AND DAD: What could be a happier Christmas gift than the feeling of added security that goes with every Bond they own? And Bonds, with their average 3% annual interest, compounded every 6 months when held to maturity, give them a wonderful source of extra earnings.

FOR YOURSELF: Give yourself an added measure of security with U. S. Savings Bonds. Sign up where you work for the Payroll Savings Plan—the easiest savings plan ever devised. Just tell the people in your pay office what you want to save, and they'll put that amount aside for you each payday. When enough accumulates, they buy and turn over to you an interest-earning U. S. Savings Bond. If you're self-employed, your banker will enroll you in the Bond-A-Month Plan.

If you want your interest as current income, ask your banker about 3% Series H Bonds that pay interest semiannually by Treasury check.

Give the gift of security— with United States Savings Bonds!
