

# Fish Dump Allen 80-56 For Second Straight

By JERRY WIZIG  
Battalion Sports Editor

Shooting and rebounding like a bunch of eagle-eyed jumping jacks, the Aggie Fish swept over Allen academy 80-56 last night in Bryan, their second win in two nights.

Four Fish scored 14 points or over as A&M sank 26 of 58 field goals and outbounded the Ramblers 53-25. Allen hit 19 of 53 field goals.

Fish guard Willard Hutto was high point man for the game with 17 points. Center Carter Williams, who didn't score until the last seconds of the first half, scored 14 for the Freshmen, along with forward Fritzie Connelly and guard Bryan Sutherland.

Connelly, 6-2½, performed an outstanding defensive job on Allen's 6-5 center, Wayne Lemons, holding him to 14 points and out-rebounding him, 11-8.

Lemons had averaged 33 points in four of Allen's five games before last night, and scored 42

against Lon Morris junior college Monday night. He fouled out in the first six minutes of the second half.

Monday night, the Fish play University of Houston frosh at 8 p.m. in White coliseum. Before the freshman game, there will be two games featuring 10-13-year-old College Station boys, the first one starting at 6:30.

Tomorrow night, the varsity meets Tulane in New Orleans and plays LSU in Baton Rouge Monday night. The Cadets do not play another home game until Jan. 8, when they face Arkansas.

Last night, the Fish took an 8-0 lead, Sutherland scoring six of the points. Lemons' jump shot made it 8-2, and that was the closest Allen came the rest of the night.

With Connelly and Hutto doing most of the scoring, the Fish built up a 24-6 lead at the 10-minute mark. Lemons then rang in six points as Allen pulled up to 34-25 at the half.

In the first five minutes of the second half, Connelly's tip was the only Fish goal, the Ramblers coming up to 39-32. Then Dockery hit a set shot and a tipin, Hutto a field goal, Sutherland made four free throws and Connelly one, and the Fish roared into a 50-32 lead.

Allen never came close again. In the game's last four and a half minutes, the Fish notched 11 points to Allen's two.

After Lemons fouled out, coach John DeWitt used a team of Ervel Elswick, Dale Archer, Hutto, Sutherland and Williams most of the remainder of the game.

## Bowl Squads Cut For Monday Drill

Army and air force coaches reduced their squads yesterday in preparation for scrimmaging in pads Monday.

Coach Bennie Sinclair kept 35 players on his army squad, and Elwood Kettler, air force coach, 37.

Both teams will use T-formation offenses, and 5-3-2-1 defenses. Once the teams decide on an offense and defense they are required to use them throughout the game.

"The line is doing a great job so far, and the backs are looking exceptionally good," said Kettler.

Kettler has his squad divided into three units, and continues to experiment with his players.

Yesterday the air force had Charlie Ritchey, Tom Norton, Adrian Helms, and J. M. Denard running in the first unit backfield.

Air force line coach Bill Schroeder named several promising linemen on the squad. They are ends Bill Sauer and Gail Pruitt, tackle Ernest Strain, and guard Byrne James. Carl McGee and Ralph Bledsoe were singled out as top defensive men.

Sinclair praised his team for its spirit and willingness to play.

"They really come out here and hustle," said Sinclair. "When guys come out an hour or so early every day you know that they want to play ball."

Three quarterbacks are battling for the starting position on the army squad. Jim Morrison, Glen Rand and Howard Grantham all are looking good, said Don Watson, army backfield coach.

## No SWC Recruiting Violations Noted

DALLAS, Dec. 10—(AP)—Southwest Conference athletic directors and coaches, meeting here today, found there had been no violations of recruiting rules but suggested steps to remove even rumors of violations.

Noting reports the past year that recruiting and subsidization rules were being overstepped, athletic officials agreed with each other that they would correct any practices that might lead to indications that there were violations.

The athletic directors and coaches also recommended a longer spring football practice period but the elimination of spring training in basketball.

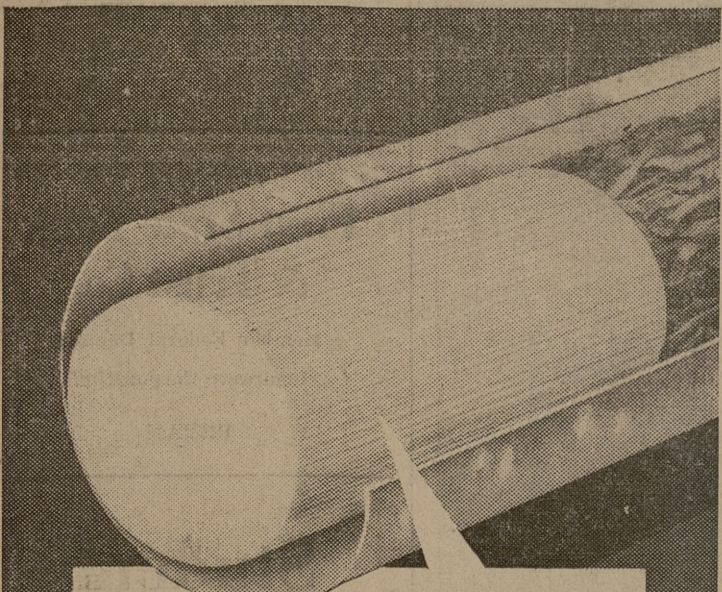

To make up for the latter, however, they suggested that fall practice open 15 days earlier.
