

Varsity Rests, Fish Get Light Workout

A&M's basketball forces had an easy day yesterday, Coach John Floyd giving the varsity the day off and John DeWitt putting the undefeated Fish through only a light workout after a record-breaking performance Monday night.

In beating the University of Houston frosh 87-77 for their third straight win, the Freshmen scored more points in a single game than any A&M varsity has ever scored and probably set a record for any Aggie basketball team.

The modern record for the varsity is 74 points. The Aggies beat North Texas State 74-33 in 1950 and trounced Baker's Clothiers of Port Arthur 74-23 in the depression year of 1933.

The Fish don't play again until Jan. 4, when they meet the Rice Slimes in Houston before the varsity game. The varsity and Fish

don't play at home again until Jan. 8, when the Cadets meet Arkansas and the Fish take on Tyler junior college.

A hard workout is scheduled today for the Cadets, who didn't return from the Louisiana trip until 10 a.m. yesterday. Floyd expressed pleasure over the play on the road of forward Bill Brophy, center George Mehaffey and guard Lee Smith.

Brophy scored 28 points against LSU Monday night and 15 against Tulane, while Mehaffey made 16 in the Tiger game.

The Aggies didn't get enough scoring from John Fortenberry and Pat McCrory, their most experienced players, Floyd said. The two co-captains have only scored 40 points between them in A&M's four games.

A&M plays next in the Canyon

tournament, meeting West Texas State in the opening round Tuesday and playing Hardin-Simmons or Pepperdine of Los Angeles in the second round Wednesday.

The Cadets play in the Southwest conference tournament in Houston Dec. 27-29.

Jim Harrington Wins Second Place

Jim Harrington, 15, son of Chancellor and Mrs. M. T. Harrington, has been honored nationally for his swimming ability.

Final tabulation of the Junior Olympic swimming meet last summer showed that Jim turned in the second fastest time in the nation for the 100-meter backstroke. He swam in the 13-14 intermediate age division, since he was not 15 years old until August.

He received a certificate from the Amateur Athletic Union of the United States.

The American Bowling Congress has sanctioned 28,144 leagues this season.

Squadron 19 Wins 27-25

In upperclassmen football, squadron 9 beat B engineers, 19-6; squadron 2 beat A anti-aircraft artillery, 25-6; C infantry beat squadron 1, 8-7; and squadron 4 won on penetrations over D field artillery.

In upperclassmen horseshoes, B anti-aircraft artillery beat Maroon band, 2-1; C anti-aircraft beat 1st regimental staff, 2-1; and C armor beat squadron 3, 2-1.

In freshmen tennis, squadron 12 beat squadron 15, 3-0; and A Ordnance beat squadron 16, 2-0.

Floek Stars, Tigers Win

Sharpshooting Norman Floek scored 20 points last night as A&M Consolidated's varsity defeated Navasota 56-39 in Tiger gym. The B team lost to the Rattler B team 36-33 in the opener.

Floek's scoring and rebounding paced the Tigers to a commanding 18-7 lead at the end of the first quarter, and Consolidated built up a 33-15 margin at the half.

Forward Manuel Garcia scored 16 points, and guard J. B. Carroll had 10 as the Tigers showed improvement offensively and defensively.

Forward Billy Webb hit for 10 points to lead Navasota.

The win gave the Tigers a 3-4

season record. They play Somerville here tomorrow night in a double-header starting at 7.

The B team fought to a 17-15 lead just before the half, but the Rattlers tied it 17-17 at the end of the half and went ahead 23-17 early in the third quarter. After that, CHS couldn't catch up and went down to its sixth straight loss.

Guard Bill Hall scored nine points for Consolidated, followed by forward Bobby Potts with eight.

The night before Christmas

Sleep comes slowly on that magic night. Little eyes bright with the wonder of Christmas don't want to close. Little ears straining for the sound of reindeer hooves don't want to stop listening. Sleep comes slowly when a child's whole world is focused on the shining promise of tomorrow morning. But Mom and Dad will sleep a little more soundly tonight, knowing they've looked beyond tomorrow morning in their Christmas buying. Like so many parents, they've included a U. S. Savings Bond among the gifts under the tree. They've given the gift of security that grows right along with the youngster who receives it.

Give the gift of security—
 with United States Savings Bonds

Here's why Savings Bonds are such an important investment in your family's future. Each Bond earns an average 3% annual interest, compounded every 6 months, if held to maturity. And it goes on earning interest for as long as 19 years and 8 months! That means a return of up to 80% more than you originally paid. Think how much a Bond will grow in value by the time your children or grandchildren are ready for college or marriage or a start in business.

This Christmas include the present that builds for the future—a U. S. Savings Bond. And keep on building through the year with the Payroll Savings Plan where you work—the plan that does your saving and your Bond buying for you. Someone you love will be glad you did.
