## Four Handballers To Play In Chicago

Four members of the A&M Handball club will participate in the National Intercollegiate Handball tournament in Chicago Dec. 27-30, said Johnny Johnson, president of the club.

The tournament is sponsored by the United States Handball association, and colleges from over the nation will be represented. A&M will send two singles players and one doubles team.

The club has played two matches so far this year, beating SMU in Dallas Nov. 5 and losing to Texas in Austin Nov. 24.

Johnny Sain of the Yankees pitched in 39 games last season. All were in relief.

## Ags Practice Hard For Tournaments

Faced with two tough tournament dates during the holidays, A&M's varsity basketballers returned to practice yesterday and concentrated on offense.

Co-captain John Fortenberry showed signs that he may be snapping out of his scoring slump, pumping in one hand jump and set shots with regularity in the latter part of the workout.

Coach John Floyd first sent his team through a session against the Fish, then had his starters working against a zone defense set up by the reserves.

Through most of the latter workout, the Cadets had Lee Smith and Roger Harvey at guards, Bill Brophy and Fortenberry at forwards, and George Mehaffey at center.

Fortenberry lofted in numerous shots from the left side as the Aggies at times exhibited some snappy passing. Mehaffey and Brophy also turned in some fine play close to the basket.

Brophy's 28 points against LSU gave him 56 points for the season and a 14.0 average per game. Mehaffey is the team's leading rebounder with 37. Harvey a sophomore, has made 11 of 25 field

goals and has scored 39 points, second high on the team.

The Aggies meet West Texas State Dec. 21 in the Canyon tournament, then play either Hardin-Simmons or Pepperdine the next day. Houston is the other team in the tourney.

A special Aggie student section will be reserved both nights, said Joe Richardson jr. of the Amarillo A&M club. Tickets will be \$1.50 and can be obtained from the West Texas State athletic department at Canyon.

Richardson said about 300 former students are expected to attend.

A&M goes to Houston Dec. 27-29 for the preseason Southwest conference meet. The seven SWC teams and Alabama will be on hand. The Cadets play Texas at 4 p.m. Dec. 27 in the first round.

The Fish, sporting a 76.7 scoring average after three straight wins, don't play again until Jan. 4, when they meet the Rice Slimes in Houston before the Ag-Owl varsity game.

Guard Bryan Sutherlin is the leading scorer on John DeWitt's freshman team, with 56 points and an 18.7 average. He is second in rebounds with 29.

Center Fritzie Conley has 42 rebounds and 53 points, a 17.7 scoring average.

The Fish have connected on 75 of 196 shots for 38 per cent.

# About 4,000 Expected Today For Third Annual Benefit Tilt

By RONNIE GREATHOUSE  
Battalion Sports Staff

Army and air force squads climax weeks of sweat and hard work today at 3:30 p.m. in the third annual 12th Man Bowl game.

An expected crowd of 4,000 will watch the battle.

The game promises some thrills as the teams are rated just about even. Both Elwood Kettler, air force coach, and army coach Benie Sinclair seemed confident after putting the final polish on their offenses yesterday.

The coaches announced their starting offensive lineups after practice.

Opening for the army team will be Jim Morrison, quarterback, Charles Durham, left half, Jerry Houston, right half, Bob Sanders, fullback, Wendell Baker, Paul Beckman, ends; Louis DeHaes, Bob Goble, tackles; Lee Richards, Roy Millen, guards; Ogden Bass, center.

Air force starters include Charlie Ritchey, quarterback, J. M. Denard, left half, Adrian Helms, right half, Tommy Norton, fullback, Bill Sauer, Gale Pruitt, ends; A. V. Gonzalez, Ernie Strain, tackles; John Cunningham, Byrne James, guards; K. G. Swan, center.

Ritchey, Norton and Dorsie Page are tri-captains for the air force in today's game. Army captains are Sanders, Houston and Gilbert Petty.

"It's a wonderful thing," said J. Gordon Gay, chairman of the Student Fund committee, "and I believe that it makes available the best financial aid on the campus."

Gay is chairman of the three-man committee that decides which students will receive aid from the Student Aid Fund.

Frank Ford and Joe West are the two student members of the committee.

Students who need money for some special need such as an operation, eye glasses, or school payments may borrow interest-free money. Students may wait until they graduate to pay the money back.

The Student Aid Fund got \$1,000 from the proceeds of the 12th Man Bowl game last year.

A student may borrow up to \$300, but more will be made available if the need is great.
