2 cups water
2 cups sugar
Boil together five minutes. Meanwhile wash and pick over one pound or four cups cranberries. Add to sugar and water. Boil together in covered sauce pan until you hear skins pop. About five minutes. Cool. This can be made up ahead and stored in refrigerator.

Tomato Aspic Salad
2 envelopes unflavored gelatin
1/2 cup cold water
Simmer together for 15 minutes:
2 cups tomato juice
1 tsp. salt
1 tsp. sugar
Dash of celery salt
Dash of savory salt
1 bay leaf
1 cup small onion
A few celery leaves

Soften the gelatin in cold water. Add the remaining ingredients strained plus one tsp. lemon juice. To give the salad a real holiday look, add 1/2 cup chopped celery and 1/4 cup stuffed green olives sliced. Cool, pour into individual molds and chill until firm. Unmold on salad greens and serve with mayonnaise.

Roast Turkey
Stuff the turkey with your favorite dressing, grease well with Crisco or similar fat, and place on rack in roaster. Put in hot oven—about 450°—and brown. Cover thoroughly with foil or put tight cover on roaster, reduce heat and cook until tender. Remove from pan and cool. Letting the turkey cool it will cut much nicer and the slices will be fine grained and snowy.

Dressing For Turkey
1 medium-sized onion, minced
Sage
Salt and Pepper
Hot water
1 very large bowl or dish pan
of dry bread
1/2 pound butter or oleo
2 or 3 stalks of celery chopped very fine

Use bread (white) or corn bread or a mixture. Break in small pieces. Melt butter or oleo and add celery and onion, cooking until soft. Pour over bread mixture, sprinkle ground sage over the top and mix. Season with salt and pepper. Pour over enough hot water to make it the consistency of soft dough. Salt the inside of the turkey and stuff with the prepared dressing.

Mince Meat Tarts
Pastry
1 1/2 cups flour
3/4 tsp. salt
1/2 cup shortening
3 tbsp. water
Mix as for any pie crust and fit pastry into muffin tins.

Filling
I use prepared mince meat following the directions on the package. During the short cooking period add a handful of raisins and one tart apple. When you take your filling from the stove add three table-spoons rum and fill the tart shells. Top with pastry and bake in hot oven over 425° until tarts are nicely browned.
