

Ags Begin Practice for U of H Game Saturday

The Aggie varsity returns to practice today for their second meeting of the season with the University of Houston, scheduled for Saturday night in the Bayou City.

Following their 93-69 loss to SMU in Dallas Tuesday night,

Ag Pistol Team To Fire In SA

The A&M pistol team will go to San Antonio for the NRA pistol meet Feb. 12-13, according to Sgt. R. G. Cox, pistol instructor.

Cox said that starting this week targets and scores of the team will be sent weekly to the U. S. Revolver association. A&M is one of 12 schools taking part in this competition.

The team is planning to go to the National Mid-Winter Pistol match in Tampa, Florida, March 8-12.

Frank Norvell is high scorer. Joe Martinez, Toby Chandler, James Arledge and Kenneth Snipes are also leading scorers.

The Cadets got the day off yesterday, coach John Floyd and John DeWitt, his assistant, scouting the U of H-Oklahoma City university game last night.

The Fish, sporting a 4-1 record, also have a date Saturday night, meeting the Cougar freshmen in a prelim to the varsity meeting. Tuesday night's 89-80 win over Tyler junior college boosted the Fish scoring average to 74.4 per game.

Forward Bill Brophy's 24 points against the Ponies gave him the varsity scoring lead over John Fortenberry. Brophy now has 184 points, a 15.3 average, and leads in rebounds with 99. Fortenberry has 176 points and a 14.6 average.

Sophomores George Mehauffey and Roger Harvey are third and fourth in team scoring, with 106 and 91 points, respectively. Harvey, though he has only a 7.6 average, has developed into a fine defensive player.

He held the veteran Art Barnes to two field goals in the SMU game. Razorback Jerald

Barnett made only one goal off him, and Rice's Monte Robicheaux also scored only one from the field while Harvey was defending him. All three are among the best guards in the

conference. The Aggies don't play another home game until Jan. 20, when the varsity meets LSU and the Fish take on Allen academy. After the Houston game, A&M

plays Baylor in Waco Tuesday night in a varsity-freshman double header. The LSU game will be the fifth in 12 days for the varsity.

Leading the Fish in scoring and rebounding is Fritzie Connley, with 87 points and 59 rebounds. Bryan Sutherlin has scored 83 points, good for a 16.6 average compared to Connley's 17.4.

The New York Giants never relinquished their National League lead after taking over first place on June 15.

The Tigers meet Snook, one of the tourney favorites, at 2 p.m. Friday in their first-round game. If they win, they take the court again at 2 p.m. Saturday. If they lose, Consolidated plays at 11:30 a.m. Last season's district 25-A champions lost to Klein in the finals.
