

The Battalion

Number 61: Volume 54

COLLEGE STATION, TEXAS THURSDAY, FEBRUARY 10, 1955

Price 5 Cents

BARE FEET AND BOWS—A gay moment in Fred Waring's "Pleasure Time 1955" is the production of the folk song "Barefoot." Dancing in nature's "shoes" are Dee Harless and Jack Best in the foreground, and Eddie Erickson, Presley Stone, Hugh Fleming and Carol Kelsey, all of whom participate in the folk song sequence. The show will be presented in the Town Hall series at 8 tonight in Rollie White coliseum.

Waring To Draw Big Crowd Tonight

A crowd of 6,000-6,500 persons will be on hand at 8 tonight to see Fred Waring's musical production "Pleasure Time 1955," said C. G. (Spike) White, director of student activities.

We're expecting even a larger crowd than we had at Town Hall when the Champions were here, he added.

The Pennsylvanians will present a colorful old-time minstrel as one of the sequences in their new show.

Admission to the show will be by season ticket or individual tickets which are \$2 for adults and \$1 for children.

Two newcomers to the Fred Waring's organization are contralto Dee Harless and Carol Kelsey. Miss Harless is a native of Illinois and is one of the outstanding performers introduced this season. Miss Kelsey, 23-year-old New Jerseyite, is a graduate of the Lambertville Music circus, a prominent eastern musical stock company.

"It's these youngsters among us," Waring said, "with their energy and endless ideas, that help

make us thrilled about our new show." The show runs from moments of light music to religious and patriotic choral music. Elaborate lighting effects, complete stage scenery, colorful costumes and other theatrical devices will supplement the musical talent of the Pennsylvanians.

The group will arrive at the Memorial Student Center at 2 p.m. today and will be welcomed by members of the Singing Cadets, White said.

Small Shot Could Bring Large Fine

Youngsters who want to practice their marksmanship in the city limits have been the subject of several complaints to the city hall recently.

According to City Manager Ran Boswell, an ordinance was passed in 1950 prohibiting, among other things, "air rifles, B. B. guns, or other mechanism that discharges or ejects any bullet, buckshot, or any other metallic object of any size by force or combustion, mechanism or air."

Violators may be punished by a fine of not less than \$5 or more than \$50. Boswell said no one had been charged so far.

Aero Director Speaks Thursday

Cliff Green, state director of aeronautics, will speak at a meeting of the Brazos County Aviation association at 8 p.m. Thursday in the council room of the city hall.

He will speak on the progress and future of the Texas Aeronautics commission.

Green, who did graduate work at A&M and is a former columnist for the Temple Daily Telegram, holds all CAA and air force flight ratings.

He is also coordinator of civil air mobilization for the state civil defense and disaster relief organization.

The public, and A&M students in particular, are invited to the meeting, said Jack McBride, president of the association.

News of the World

Ike Says America Will Remain Alert

WASHINGTON, (AP)—President Eisenhower declared Wednesday America will remain alert and continue to pursue peace through strength in the face of a Soviet shakeup he interpreted as an expression of internal "dissatisfaction."

In a spur-of-the-moment reply to a news conference query, Eisenhower also said he would not hesitate to consult his advisors—"if we found it desirable"—on the question of inviting his old friend, Soviet Marshal Georgi Zhukov, to visit the United States.

What the top-level reshuffling in Moscow means to the world, the

President said, "won't be apparent for some time." He said it doesn't necessarily signify a tougher policy toward the United States, since the Russians "would say anything that would suit their purposes at the moment of a great significant change of this kind in their government." Nor, he said, is there any proof that Soviet Foreign Minister V. M. Molotov was right in claiming that this country now is the laggard in atomic weapons as a result of Russian success in developing the hydrogen bomb.

Tuesday's realignment at the Kremlin brought the resignation of Premier Georgi Malenkov and his replacement by Defense Minister Nikolai Bulganin, an advocate of building up heavy industry that is the basis for war production.

Wednesday, Marshal Zhukov, with whom Eisenhower established friendly relations in Berlin at the close of World War II, was named to Bulganin's former post as defense minister.

Under questioning, Eisenhower noted that he and Zhukov "developed personally a practice of getting along and seeing eye to eye" on local problems in Berlin back in 1945. He said this was an effort to set a pattern for showing that "two nations could get along if they would both recognize the folly of not getting along."

When a reporter remarked that Zhukov has been quoted as saying Eisenhower twice invited the Marshal to visit the United States and that Zhukov still dreams of doing so, the President said the invitations were at the direction of the United States government.

Interracial Leader To Speak Here Friday

Lincoln Maynard Catchings, interracial and intercultural secretary for the national YMCA, will speak here at 7:30 p.m. Friday at the YMCA.

Catchings' talk, which will be on his interracial work, will be sponsored by the United Nations club. Everyone is invited to the meeting, said James Caffey, secretary of the club.

A native of Houston and a graduate of Prairie View A&M college, Catchings has done graduate work in sociology and religion at Howard university and the University of Chicago. He has taught at

Weather Today

The weather outlook for today is cloudy with light rain drizzles throughout the day. High winds with limited visibility and a low of 25 tonight also have been predicted.

Yesterday's high was 69, low 43. The temperature at 10:45 this morning was 57.

A&M WILL HOST TISA SATURDAY

Executive Council To Plan Convention

More than 130 students from 35 Texas colleges will gather at A&M Saturday morning for a meeting of the Executive Council of the Texas Intercollegiate Students Association.

The TISA, with membership from all major colleges in the state, is an organization devoted to improving better relations between schools and providing aid on mutual problems.

This Executive Council session, which A&M's Student Senate is sponsoring, will be to plan the organization's annual convention, to be held at Trinity university in April.

The delegates will register from 8 to 9 a.m. Saturday, and then will have a business session at noon.

Staff, Student Leaders Hosts To RE Speaker

The Rt. Rev. John E. Hines was the guest of faculty and student leaders at an informal get-acquainted luncheon held yesterday in the Memorial Student Center.

Hines, scheduled to be principal speaker during Religious Emphasis week Feb. 20-25 in Guion hall, met with David H. Morgan, president; J. P. Abbott, dean of the college; W. L. Penberthy, head of student activities; Frank Ford, cadet corps commander; John Jones, Civilian Student council president; Jerry Ramsey, Student Senate president; Theo Lindig, Interfaith Council chairman; Conrad Cummings, corps chaplain; Garrett Maxwell, Y Cabinet president and Harri Baker, Battalion co-editor.

No classes will be held during the hours Hines gives his daily talks in Guion hall. The talks during RE week are scheduled for 11 a.m. Monday, 10-11 a.m. Tuesday and Wednesday and 9-10 a.m. Thursday and Friday.

Other speakers scheduled include Dr. Ellis Nelson, professor in the Presbyterian Theological seminary in Austin, who will meet with the faculty each evening in the biological sciences lecture room, and Dr. A. L. Porterfield, head of the department of sociology at Texas Christian university, who will lead the married students forum and discussion groups in the YMCA chapel each evening.

Other speakers and the dormitories to which they are assigned are Rabbi Yonah H. Geller, dormitory 9; Rev. Ross C. Coggins, dormitory 11; Dr. Sterling L. Price, dormitories 2 and 4; Maj. Harry A. McKnight, dormitories 6 and 8; Rev. Albert J. Ettling, dormitory 15 and A Ordinance of dormitory 17; Rev. John G. Marvin, dormitories 1 and 3; Dr. Dallas H. Smith, dormitories 10 and 12; Rev. Robert Brehnan, Walton hall; Col. James C. Bean, dormitories 5 and 7; Clifford Rogers, dormitory 16; Rev. L. A. Richardson, Hart hall; Rev. Lloyd T. Watson, Puryear, Law and Mitchell halls; Rev. Charles W. Williams, Leggett and Milner halls; Rev. Louis Hahn, S.J., who will hold Mass and meditation in the MSC.

City Begins Impounding Untagged Dogs

Unlicensed dogs in College Station are being picked up, said Ran Boswell, city manager, and as of yesterday, seven dogs had been impounded.

An ordinance passed in May, 1940, prescribes the conditions under which dogs are allowed in the city.

The first section of the ordinance says that "no person shall allow a dog owned by him or in his care to run at large within the city unless a license for such dog has been secured and is in effect, unless such dog is effectively immunized against rabies, and unless evidence of both such license and immunization are indicated by a tag or tags, provided by or under the direction of the city, attached to a collar worn by the dog."

The license for the dog may be bought at the city hall for \$1 upon showing a certificate from a licensed veterinarian that the dog has been given rabies shots recently enough to cover the period for which the license is to be effective. So far 186 licenses have been bought this year compared to 380 last year.

Any dog picked up by the city may be recovered by its owner within 48 hours. A fee of \$2.50 will be charged.

News Briefs

THE FOURTH 40-hour course for safety supervisors will be held here Feb. 14-18. Purpose of the course is to train safety supervisors in organizing and conducting an effective program of accident prevention.

THE INDUSTRIAL Plant Protection school is being held on the campus. It is sponsored by the Texas Engineering Extension service.

SECOND LT. Benjamin Moore, an A&M former student, has graduated from the army's Transportation school at Fort Eustis, Va. His home is Houston.

MRS. LEON B. WEISS of College Station was among Texas retailers who attended a three-day fashion show at the San Antonio Spring Dry Goods and Apparel market.

HAROLD FRANK '54, an A&M former student, has graduated from the Infantry school's basic officers course at Fort Benning, Ga. A resident of Lampasas, he is a second lieutenant.

Senior Class To Meet Monday

The senior class will meet Monday night at 7:15 in the Memorial Student Center ballroom, according to Conrad Cummings, class president.

The Senior Ring dance, a report from the traditions committee, gift committee and the class project committee will be on the agenda.

Chemistry Student To Receive Award

The chemistry department will award a Handbook of Chemistry and Physics next week to the student who has demonstrated the greatest progress in chemistry 101.

Selection of the student will be made by a faculty committee over the weekend, with a presentation sometime next week.

The award is not necessarily for the student making the highest grade, but for the student who has shown the greatest achievement in the course.

CS Lions Club Schedules Circus

College Station Lions club will sponsor Hagen Brothers' three-ring circus here March 28, said Capt. Albert Sparks, club publicity chairman.

The circus will be held just south of the traffic circle on Sulphur Springs Rd. on property donated by J. C. Culppepper, Bryan real estate man. Admission will be \$1.80 for adults, and 50 cents for children.

Fish Sweetheart Deadline Nears

Freshmen who wish to enter their girl friend's picture in the Freshman ball sweetheart contest should turn the pictures in at student activities office in Goodwin Hall before Feb. 24, according to Don Elledge, class president.

Students should fill out blanks provided by the office, and pictures do not have to be of any specific size, said Elledge.

The dance will be March 5 in Sbia Hall. Final plans are being made by the committees, which will meet again Feb. 14.

Chairmen for the committees are as follows: program and guests, Jim Gatlin and John Dosier; dance, Ed Cashman; tickets and finance, Ted Lowe and Don McGinney; sweetheart, Elledge; and decorations, Larry Van Doozer and Larry Martin.

Petroleum Group Plan Open House

The Petroleum Engineering club will have its annual open house for freshman petroleum engineering students at 7:30 p.m. Friday in the petroleum engineering building.

R. L. Whiting, head of the department, and department faculty members will speak and a film on the oil industry will be shown.

The open house is held each year to acquaint new students with the department, since freshman and sophomore petroleum engineering majors do not take courses in the department, said Charlie Seely,

Election To Fill Senate Vacancies

Three vacancies in the Student Senate will be filled at an election to be held Feb. 15, according to Dave Lane, student election committee chairman.

The vacancies are the class of '56, Mitchell hall and Law hall. Filings for the positions in the student activities office will close at noon Saturday. Candidates must have a one-point grade point ratio and have attended the school for the last two semesters, and Mitchell and Law hall candidates must live in the respective dormitories that are to be represented.

Election for the Law hall senator will be held from 5 to 6 p.m. in the lounge of Puryear hall. Mitchell hall election booth will be on the second floor of Mitchell hall, and the election will be held from 5 to 6 p.m. The election for the class of '56 will be held from 3 to 6 p.m. at the entrance to the post office in the Memorial Student Center.

Johnson Speaks

Maj. H. O. Johnson jr., air science instructor, spoke to the 9807th air reserve squadron Monday night on the air force ROTC curriculum. Approximately 40 members of the squadron were present.
