HUNTSVILLE — (AP)—A&M's baseballers evened the score here Tuesday, stopping the Sam Houston Bearkats 3-1. The Aggies scored twice in the fourth inning on a single by left fielder Les Byrd, the Cadet captain, a double by catcher Jim Williams and a triple by third baseman Joe Schero. The visitors added another run in the fifth on Bill Ross's stolen base after getting on with a fielder's choice. Ross stole second to get into scoring position and Byrd drove him home with a single. Sam Houston scored its only run in the bottom of the ninth. Outfielder Joe Pearson opened the frame with a two-bagger, then went to third on Frank Gee's single. First baseman Johnny Reimer then singled to score Pearson. Poor base running then allowed the Aggies to put out the rally with a quick double play. Starter Dick Munday earned the win and Hubert Boales was tagged

About 40 eager candidates for the Fish baseball team battle for positions this week as Coach Les Palmer announced he will trim the squad Saturday. "Our pitching is stronger this year than last," said Palmer, "but we need outfielders." James Smothermon of Allen, outfielder, are among the more promising players named by Palmer. The Fish schedule this season is: April 2, Baylor at Waco; April 6, Allen academy here; April 12, Rice here; April 16, Texas at Austin; April 20, John Tarleton here; April 23, Baylor here; April 26, Wharton junior college here; May 5, Allen academy at Bryan; May 10, Rice at Houston; May 14, Wharton junior college at Wharton; May 17, Texas here.

MORE PEOPLE BOUGHT FORD CARS IN 1954 than any other make!

*Ford passenger-car sales to customers outnumbered those of any other make by thousands**

AND IT'S EASY TO SEE WHY!

Ford is the leader in styling
Motorists know that Ford has set the style trend in the industry for years. And now, with styling inspired by the fabulous Thunderbird, Ford is farther out front than ever!

Ford is the leader in V-8 power
Ford was first in its field (by 23 years) to provide the advantages of V-8 power. Since that time, Ford has built over 14,000,000 V-8 engines—more than all other makers combined! For 1955, Ford offers two new and mighty V-8's, as well as a most modern Six—all with the split-second response of Trigger-Torque power!

Ford is the leader in ride
Ford was first in its field to introduce Ball-Joint Front Suspension—the greatest advance in chassis design in 20 years. For '55, it's even better. Springs are set at an angle to smooth out even the tiniest bumps. It's the new Angle-Poised Ride.
