

A&M, Texas Battle At Border Meet

With fast-improving Tom Bonorden and Herman Johnson bent on replacing the loss of Bobby Gross in the shot put and discus, A&M again challenges University of Texas for the Border Olympic title.

A 20-man squad left for Laredo this morning with Coach Frank (Col. Andy) Anderson to compete against top tracksters from UT, Rice, SMU, TCU, Baylor, Arkansas, Oklahoma A&M, University of Houston and Texas Tech.

Last year, the Steers ended a five year A&M reign of the annual event.

Bonorden, a junior, and Johnson, a sophomore, are good bets for one-two finishes in the shot and discus, with Gross out with a hurt

knee. They finished two-three, behind Parry O'Brien, world record-holder, at the Pan American games warmup in Houston, and Johnson took third in the discus, behind O'Brien and Fortune Gordien.

Cadets going to Laredo are: Bonorden, shot and discus; Johnson, shot and discus; Fritzie Connally, high jump; James Jackson, pole vault; Lee Newman, discus; Joe Schiraldi, javelin and high jump;

Winton Thomas, pole vault; Bill Coker, two-mile; Carol Goyer, 440-yard sprint relay and 220-yard dash; Harley Hartung, high and low hurdles and 440 relay; Bill Holloway, 440 relay, relay mile, 440;

James Hollingsworth, high and low hurdles; Wally Kleb, mile relay, 880; Bob McKnight, mile relay, 440; John Roberts, mile relay, 440; Don Watson, 440 relay, 100 yard dash;

Verlon Westmoreland and John Whitwell, mile; Dale Elmore, broad jump; John Henry, javelin.

Texas Jumps to Lead In SWC Swim Meet

Texas' Charlton Hadden shoved the Longhorns off to a flying start in the Southwest conference swim-

ming meet here last night, churning to a new A&M pool record of 20:36.6 in the 1,500-meter freestyle.

three-meter diving and 300-yard medley relay are scheduled. Finals in these events are at 8:30 p.m. Saturday.

'UCLA' Wins 20-19 Football Scrimmage

"UCLA" used its single wing power five months too early yesterday and defeated A & M's 1955 football team, 20-19.

Head coach Paul Bryant sent his squad through a 60-minute game-condition scrimmage on Kyle field and paired off the boys who figured to do most of the playing next fall against a team of 1954 squadmen and freshmen using UCLA's offense.

"UCLA" even wore the Uclans' light blue jerseys.

Scoring developed this way: 1. Ewell, a 5-9, 170-pounder, climaxed a 53 yard drive with a 16 yard scoring burst over left guard, on the first play of the second period, then kicked the extra point.

Wingback Bob Stolusky started the march with an 18-yarder through the left side and Hall passed to end Tommy Strait for 15 yards on a fourth down play to keep it alive.

2. Ewell carried six times in a 50 yard drive after a Red fumble, leaping over from the one. He contributed runs of 11 and 8 yards. Hall chipped in a 13 yard gain off tackle.

3. Ewell converted. On the first play after the kickoff, Grant ran 17 yards to the "UCLA" 33, then sped the rest of the way on an option on the next play. Loyd Taylor converted.

4. End Hollis Pollard intercepted a Hall pass and returned it 15 yards to the scrub 27. After a five-yard penalty, Grant, again on a pitch-or-keep option, rambled 32 yards off left tackle to score. The snapback on the PAT was high, hitting Taylor in the face.

5. Ewell dove over center from the two on the last quarter's third play, ending a 51-yard, 14-play drive. A fumble recovery set it up. Ewell carried on 11 plays, including an 18-yarder off right tackle. He missed the conversion after a 15-yard penalty.

6. Center Lloyd Hale intercepted a pass to start a final 59-yard Maroon scoring drive. Huddlestone reeled off 21 and 11 yard gains. Kettler threw to halfback Carlos Esquivel for 16 on a fourth down play with 15 needed.

That put it on the 4, and Kettler (See FOOTBALL, page 4)

Ed Johnson and Pat Patterson of Texas finished behind Hadden in that order to give the Longhorns 13 points in the first event of the meet. It was the only event staged yesterday.

Hadden missed breaking the SWC record, which he set last year, by 49.6 seconds.

Gayle Klipple of A&M came in fourth with a time of 21:51.2 to give the Aggies three points. SMU's John McElhaney and David McComb finished fifth and sixth, respectively, to tie A&M with three points.

This afternoon at 2:30, preliminaries are on tap in the 50-yard freestyle, 200-yard backstroke, 220-yard freestyle, 200-yard orthodox breaststroke, one-meter diving and 400-yard freestyle relay. Finals in these events begin at 8:30 tonight.

Dick Hunkler and Don Horne of A&M, along with Phil Vaiden, SMU, and Robert Bell and Dave Fennekohl, Texas, are favorites in the sprints. Hunkler has beaten both the SMU and Texas entries in earlier meets this season.

In the 200-yard backstroke, A&M's Norman Ufer has outdistanced both Richard Snelling of SMU and Bo Baker of Texas, and stands a good chance of setting a new pool record. He swam the distance in 2:19.4 against SMU at Dallas. The pool record is 2:20.5 set by George McMillan of SMU in 1952.

Richard Weick of A&M has coped both the breaststroke and individual medley against all SWC competition this year and wrote a new medley pool record here recently in 2:17.5.

Texas' Richard Lawler and Louis Million rate tops in conference diving, followed closely by SMU's Jim Groves and Jim Roberts.

Saturday at 2:30 p.m., preliminaries in the 100 yard backstroke, 200-yard butterfly breaststroke, 100-yard freestyle, 440-yard freestyle, 200-yard individual medley,

Ag Tennis Team Wins Second, 5,1

Sweeping the four singles matches, A&M's varsity tennis team yesterday won its second straight decision of the season, defeating Southeastern Oklahoma 5-1 here.

A&M won the singles and one doubles in straight sets. Gene Kinard downed the visitors' Cecil Duncan, 6-1, 6-1, and Aggie Bob Kerr beat Jimmy Walker, 6-0, 6-1.

A Campus-to-Career Case History

"This is what I did yesterday"

"I like a job that keeps me jumping," says Bill Jermain, C.E. from Marquette, '52. "And my first management assignment with Wisconsin Telephone Company does just that. I'm Service Foreman at Sheboygan, with nine installers, and that means variety of responsibility. But judge for yourself. Here's a quick run-down of what I did yesterday, on a typical day—

- 8:10**—"Checked day's work schedule. One of my new men was putting in a buried service wire, and I went over the job specs with him to be sure he had things straight.
- 8:30**—"Answered mail while my clerk checked time sheets from previous day.
- 9:30**—"Out to supervise installation of the first aluminum Outdoor Telephone Booth in my exchange. Reviewed the assembly instructions with the installers, then arranged for special tools and bolts to be delivered to the job.
- 11:30**—"Drove across town. Made a complete 'quality inspection' on a telephone we installed last week. Everything checked O.K.
- 12:00**—"Lunch.
- 1:00**—"Picked up film for next day's safety meeting. Watched the film, made notes for discussion.
- 2:00**—"Met with moving company manager to estimate cost of telephone cable lifting for a house moving job. Drove the route he had planned and worked out schedule for construction crews.
- 3:30**—"Returned to aluminum booth installation. Went over wiring specs with the electrician.
- 4:00**—"Stopped at Central Office to pick up next day's orders. Met installers at garage as they checked in and assigned next day's work."

Bill has been in his present job about a year, and is looking forward to new responsibilities as his experience increases... as are the many young college men who have chosen telephone careers. If you'd be interested in a similar opportunity with a Bell telephone company... or with Bell Telephone Laboratories, Western Electric or Sandia Corporation... see your Placement Officer for full details.

BELL TELEPHONE SYSTEM

When the campus queen beside you murmurs, "Gosh, I'll never pass!..."

Then turns to you and whispers, "Will you help me after class?"

M-m-man, that's **PURE PLEASURE!**

For more pure pleasure... SMOKE CAMELS!
No other cigarette is so rich-tasting, yet so mild!

P.S. No other brand has ever been able to match the pure pleasure in Camel's exclusive blend of castly tobaccos — one of the reasons why Camels are America's most popular cigarette!
