Ags Muzzle Bulldogs 6-3 At Seguin

A&M's baseball team meets the dangerous New Orleans Pelicans at Huntsville Friday in hope of extending its win streak to four straight games.

Coach Beau Bell's Aggies carry a 3-1 record into the contest after having dumped Texas Lutheran's Bulldogs, 6-3 Saturday at Seguin.

Les Byrd continues to lead A&M at the plate with three hits in eight trips for a .375 mark.

First sacker John Hoyle garnered two hits in three at-bats against Texas Lutheran to hoist himself into second place with a .250 average.

Wendell Baker toiled five innings in the Texas Lutheran contest to take credit for the win. He gave up two earned runs and four hits.

Southpaw Joe Hardgrove took over mound duties in the sixth and gave up one unearned run on three hits.

The Aggies scored first in the opening frame and were never behind. Joe Schero smashed a single, stole second and was pushed home on a one base blow by John Stockton.

A&M tallied again in the fourth. Hoyle singled with one out, stole second and scored on Joe Boring's single. The next scoring came in the fifth as Baker came home from third on a long fly by Byrd.

Leading 3-2 going into the ninth the Aggies picked up what proved to be the winning runs. Fred Ahlon slashed a two bagger to drive in Hoyle and Boring, and scored later on a single by Schero. The Bulldogs scored one run in the last of the ninth.

ILLEGAL HUNTING HIGH

LANSING, Mich. — (P) — Michigan's illegal deer kill is relatively high, the state department of conservation reports.

Answers to nearly 600 questionnaires by hunters show that many witnessed at least one illegal kill. Some said they saw as many as 12 or 14, reported the department.

Track Team Plays Host To Rice, LSU

A & M trackmen display their talents at home for the first time this season in a triangular meet with Rice and LSU Saturday.

Bobby Gross, Southwest conference shot and discus champion, is definitely out for the rest of the season according to coach Frank G. Anderson. Gross' knee ailment has failed to respond to treatment and requires an operation.

Gross, a veterinary medicine major, has three more years of school. He will be eligible next year since he has not competed in any meets this season.

The Aggie cindermen placed third behind Texas and surprising Oklahoma A&M in the Border Olympics last Saturday.

Oklahoma A & M, with top strength in the 440, 880, mile and two-mile events, copped the University division crown with 52½ (See TRACK, Page 4)

A&M Loses Lead, Bows To Texas Swimmers 113-128

In his 25th year at A&M, Art Adamson's swimming team looked like it might give him his first Southwest conference title since 1945 Saturday night, but University of Texas took the first four places in the 440-yard freestyle and swept into an insurmountable lead.

The Longhorns wiped out an 86-81 Aggie lead, took a 100-88 advantage and broke a two year SMU string.

Texas finished with 128 points, A&M 113, SMU 81 and Rice 13. Arkansas, Baylor and TCU didn't compete.

A&M swimmers set two SWC records—in the 200-yard individual medley and the 300-yard medley relay. Dick Weick won the medley in 2:15.8, shattering the old mark of 2:18.1 set by Adamson's son, Van, in 1950. Weick had set the previous pool record of 2:17.5 earlier this year.

Weick, John Speich and Norman Ufer covered the relay distance in

3:02.9, breaking UT's 1949 record of 3:05.3. Texas' Charlton Hadden scored (See SWIMMING, Page 4)

Last Week of Drills Starts for Gridders

After putting on its best offensive display of the spring on a day when head coach Paul Bryant was out of town, A&M's 1955 football team today starts the last lap of spring practice.

The Cadets got a day off yesterday but have their 14th practice session today. They probably will finish the 18 days of drills next Monday.

Fullback Ken Hall scored three touchdowns Saturday as the Whites, predominantly freshmen, beat the Maroons 28-27. Quarterback Bobby Conrad gained 115 yards in 12 carries for the Whites, including an 80-yard scoring scamper on the first play from scrimmage.

Bryant didn't get to see the offensive fireworks, however. He was the referee of the Border Olympics in Laredo.

The two elevens started these lineups:

Whites—Ends, Bobby Marks and Bobby Keith; tackles, Charles Krueger and Henry Clark; guards Gene Baker and Paul Lillard; center Lloyd Hale; quarterback, Conrad; halfbacks, Billy Dendy and Loyd Taylor; fullback, Hall.

Maroons—Ends, Gene Stallings and Dean Meeks; tackles, Darrell Brown and Jack Powell; guards, Dee Powell and Joe Howell; center, Herb Wolf; quarterback, Donald Grant; halfbacks, Carlos Esquivel and Ed Dudley; fullback, Jack Pardee.

Jimmy Wright, Billy Stevenson, Bob Stolusky and Roddy Osborne saw a lot of action in the White backfield. Elwood Kettler, John Crow, Don McClelland and Bobby Ewell alternated for the Maroons.

Conrad's touchdown and Taylor's extra point, his first of four, gave the Whites a 7-0 lead. Crow, who missed practice Wednesday and Thursday because of a bruised arm, put the Reds back in the game, in the second period, scoring on a 24 yard run after a pitchout from Kettler.

The snapback on the conversion was too high and there was no chance for a kick.

Hall put the Whites back in front, bursting loose on a 27 yard scoring run a trap outside right guard, the same play on which he scored his other two.

ENGINEERS

BOEING AIRPLANE COMPANY

WILL CONDUCT PERSONAL INTERVIEWS ON CAMPUS

MARCH 17 AND 18

Boeing has many positions open for graduating and graduate students. These opportunities are in all branches of engineering (AE, CE, EE, ME and related fields). Also needed are physicists and mathematicians with advanced degrees.

Fields of activity include DESIGN, RESEARCH and PRODUCTION. Your choice of location: Seattle, Washington or Wichita, Kansas.

A group meeting, first day of campus visit, will precede personal interviews. Details of openings, nature of assignments, company projects, etc. will be explained. Married students are invited to bring their wives.

Come and learn about these excellent opportunities with an outstanding engineering organization—designers and builders of the B-47 and B-52 multi-jet bombers; America's first jet transport, the 707; and the BOMARC F-99 pilotless aircraft project.

For time and place of group meeting and for personal interview appointments—consult your
