Up to Candidates

The Election commission, following the dictates of the somewhat confused Student Senate, has re-set the class officer elections for next year's senior and junior classes and re-opened filings.

Because of the way this was ordered by the senate, nothing official has been done to clear away the slate of candidates and the resulting ill-feeling caused by primaries in each election.

So now it's up to the candidates. If the students in these two classes really want to have officers who can work well together and avoid any partisan tinge in the class activities, they will have to do it themselves.

The army students, who engineered the primaries, can file more men than their original slate, which was about one in each office against several air force men. This will make the number of candidates about even,

and allow the election to be on a fair basis of qualification.

Or both sides could forget their artificial branch loyalty and vote for the best man—this would surely result in a mixed set of officers, because neither side could possibly have all the good men.

And above all, the air force sophomores and juniors must refrain from trying to organize any primaries or otherwise fixed elections of their own, in an attempt at retribution.

Such a thing could never be kept quiet, and it is not the way to do it, anymore than a lynch mob is the proper way to combat a murderer.

If the classes want to have a good organization next year, they're going to have to arrange for it this year, and be honest with themselves and with the other side while they're doing it.

Tigers Enter Regional Track Golf, Tennis

A & M Consolidated track, golf and tennis players will compete in the regional meet at San Marcos Saturday after last week's district meets at Brenham and Bastrop.

The Tigers, fourth in last Saturday's district 69-B track meet at Brenham, will enter the broad jump, 880, mile and 440 relay. Sophomore Don Tax won the only CHS first place as 11 records were broken in 14 events.

Tax won the broad jump with 19-5 to break the record of 19-4 3/4 set by Virgil Mutschink of Giddings in 1954.

Other track entrants will be Dick Hickman, second in the 880, J. B. Carroll, second in the mile and the third-place 440 relay team of Bobby Witcher, Bill Hall, Bobby Joe Wade and Tax.

Carroll barely lost the mile race to George Vacek of Smithville, who set a new district record of 4:59.4.

Other Tiger point-getters (only the first three in each event are eligible for the regional meet); Witcher, fourth in the 100; Henry Phillips, fourth in the 220 and 440; Jack McNeely, fourth in the 880; Hall, fourth in the 180-yard low hurdles and pole vault; and the mile relay team of Hickman, Billy Mixon, Hall and Phillips, fourth.

Steadman Davis, Jerry Holland, Clifton Bates and Hall won the district golf title at Bastrop last week, the first time CHS entered a golf team. Alternate Winfred Pardue may take Hall's place at the regional meet since Hall is entered in track.

Betsy Burchard won the senior girls' singles tennis title at Bastrop. She reached the state quarterfinals last year after winning the regional championship.

Student Life

(Continued from page 1) military or civilian are the presidents of the junior and senior class, and the editor of The Battalion.

The SLC also forwarded to the president a letter from the Religious Leaders association asking for clarification of the rule setting aside Wednesday night as religious activities night.

The association said that some groups had been violating the rule. Groups named by the association

were Great Issues, Etiquette series, basketball, the Harlem Globetrotters, and the Aggie Christian Fellowship.

A parenthetical explanation by the group after the ACF's name said the ACF "drew students away from their own churches." The ACF is a non-denominational group.

Southern Named

John H. Southern of the agricultural economics and sociology department has been named associate editor for agricultural economics of the Southwestern Social Science Journal. The journal is a quarterly publication issued by the University of Texas Press. It is one of the leading journals dealing with social and economic problems in the Southwest.

Lions Club Hears Art Advisor Talk

Mrs. Ralph Terry, Memorial Student Center art advisor, spoke to the College Station Lions club yesterday on "How to Maintain Normal Blood Pressure While Viewing Contemporary Art."

"The painter often has a perception that others do not have," Mrs. Terry said. "Things that are pretty and pleasant to one person may not be to another."

People are quick to criticize because of a lack of understanding, and often label a painting as bad art because they do not realize its significance or if they do understand it, call it good work, she said.

What's Cooking

TUESDAY
7:15—Spanish club, 127 Academic.

7:30—French club, 123 Academic, two French films will be shown free, public is invited.

Pre-Med Pre-Dent club, 107 Biology building, final plans for Galveston trip.

Industrial Education club, 113 Biological Science building, speaker from Bureau of Mines will demonstrate on "The Magic of Fire."

A&M Weather club, room 2A MSC, films: "Weather—Friend or Foe," Weather within an Occluded Wave," refreshments.
