**STAIRWAY TO GOD**

Since the beginning of time, man has recognized the need for divine worship. He has ever sought a stairway to God. • For nearly two thousand years the Christian religion has pointed man to such a stairway. And through the centuries millions have climbed it. • But millions have not! And the reason they have not is the most serious problem that faces the Church and the world today: • You see, the only stairway to God is FAITH IN JESUS CHRIST, HIS SON. And Faith is not something which men can possess collectively, as all Americans possess freedom. Faith is something we can only possess individually like life itself. The man who lacks it is dead, even though millions around him possess it. • The faith of your wife, or your father, or your son, or your nation is not—for you—a stairway to God. Christ has given you the Church to plant and cultivate faith in your heart. But the Church must have your heart—in person!

**THE CHURCH FOR ALL... ALL FOR THE CHURCH**

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.
