Southern, Baytown Head IL Track Cast

AUSTIN, May 3—(AP)—Versatile hurdler-sprinter Eddie Southern of Dallas Sunset and a record breaking mile relay team from Baytown promise to grab the Class AA spotlight Friday and Saturday at the Interscholastic league track meet.

Southern, a smooth-striding runner, has posted the state's best times in both hurdles and the 220-

yard dash to give him the inside track on three gold medals. Baytown, holder of the national high school mile relay record, rates an odds-on favorite to repeat last year's victory and might possibly set a new standard in the process.

Bobby Mosshart of Abilene, who broke the state half-mile mark last week with a stunning 1:54.3 clocking, may get a chance to join the parade of record-smashers.

The squat youngster turned in his eye-opening performance the first time he concentrated on his specialty. He had always been too busy anchoring the Abilene relay teams to compete in the 880.

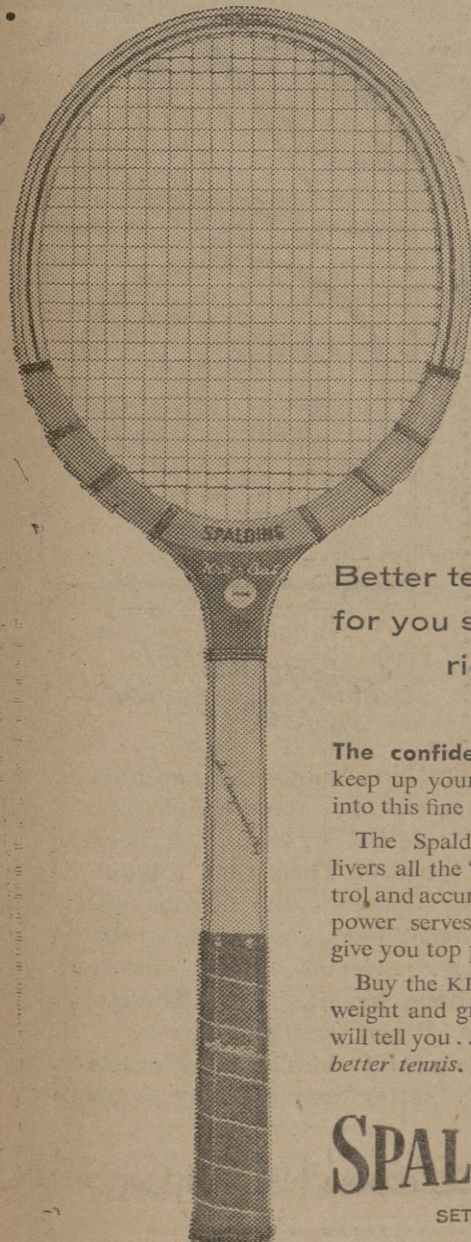

Southern, a master of all trades, could probably win the 440-yard dash if he decides to enter that event, but the rules limit him to three races. At the Texas Relays he tied the state quarter-mile record of 48.9 seconds.

In Denton Meet

Aggies Will Need Depth

A&M's depth in the distance and field events will be badly needed at Denton tomorrow night to get the Cadets past Abilene Christian and North Texas State in their triangular track meet.

ACC and the Eagles have outstanding sprinters and relay teams, but are short on manpower in most of the field events.

Thus Tom Bonorden, Herman Johnson, Winton Thomas, Fritzie Connally, Bill Coker and Verlon Westmoreland, key Aggie performers in the field and long running events, carry much of the Maroon and White victory hopes.

Aggies Have Done 54-4

Bonorden has thrown 52-11 1/4 twice in competition (he was second with 52-1/4 at the Dallas invitational meet) and he and Johnson have reached 54-4 in practice. Connally is a consistent 6-4 high jumper and did 6-5 1/4 at the

Kansas Relays for third place. NTS' Kenneth Kelley did 6-6 to win the event at the Texas Relays, however. Coker and Westmoreland figure to win the two-mile and one-mile.

Morrow Heads ACC

ACC's tremendous Bobby Morrow, whose 9.3 100 is the fastest time turned in this year by a small-college sprinter, heads the Wildcat squad. He'll be the favorite in the 100 and 220.

Morrow also anchors the 440 and 880 relay teams which won those events at the Texas and Drake Relays. Morrow, Leonard Fry, James Segrest and Don Conder set a Drake 440-mark of 41.8. Waymond Griggs replaced Fry on the foursome which ran a 41.4 at Austin, also a meet record.

The ACC 880-relay team did 1:26 for a Texas Relays mark and ran a 1:26.1 in winning at the Drake Relays.

NTS, with Jimmie Weaver, Jimmie Huffman, Mike Hagler and Paul Patterson, won the Drake mile relay in 3:15.6 and took the event in 3:14.8 at the Austin meet.

The Eagles also won the mile relay at the Border Olympics and West Texas Relays.

Freshmen

After that, Newton set down the Ramblers with one hit in the last five innings, a pop double in the seventh accounting for their only other run.

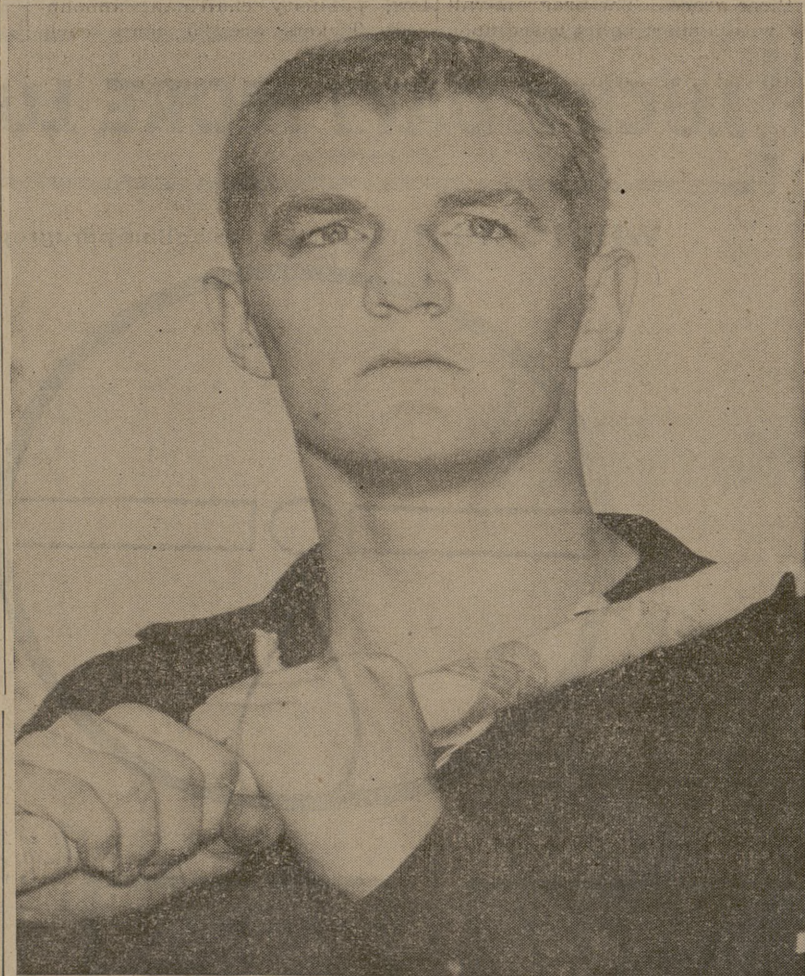

Newton whiffed seven in the first three innings—two in the first and third, and three in the second. He also struck out the side in the seventh. In the Allen ninth, after walking two and hitting another batter, Newton fanned two to end the game.

The Fish scored once in the third on a walk, stolen base, ground-out and error. Ham's triple to lead off the fourth was the first Freshman hit. Maxwell followed with a home run lined to right field.

A hit batter, double steal, wild pitch and three singles gave Allen three runs in the fourth.

In the seventh, Ham and James Smotherman each drove in two runs with a triple and single. A single by Maxwell, Conrad's double, and Don Smith's ground-out also scored runs. Maxwell slapped two singles in the inning.

The Fish got two more in the eighth on Dudley's single after one-baggers by Smith, Ham and Maxwell. They meet Allen here at 3 p.m. Thursday.

who had walked before him, on base.

It took A ordnance only three innings to crush A signal, 14-2, in the freshmen quarterfinal, scoring five in the first and seven in the second. The game was called at the end of three on the 10-run lead rule.
