THEY DON'T FORGET HER

How dear she is to her sons and daughters and her grandchildren. On this, her birthday, they don't forget her. These flowers are just a token, but in each blossom there is love.

She it was who taught them their first words... and their first prayers. She it was to whom they came with their childhood hurts. She it was who stood ready to console them when everything had gone wrong. She it was who taught them how essential religion is to a happy life—how vital it is that they belong to and take part in the activities of the church. On her birthday they remember all of this anew. Men and women now, they are living their own lives and accomplishing their own successes. But the great truths she taught them about faith, hope, gratitude, love and fortitude will remain with them forever.

Grandmother has indeed made a great contribution to their lives. Little wonder each week in church they say a special prayer in her memory.

THE CHURCH FOR ALL... ALL FOR THE CHURCH
The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For the sake of his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.
