Drill Field Gets Water Extension

The first steps toward landscaping the main drill field are being taken, according to Howard Badgett, manager of A&M physical plants.

Two water mains, one in front of Bizzell hall and the other across from the parking lot behind Law hall, are being extended to the drill field.

Temporarily, these will be used with the aluminum irrigation systems now in use over the campus, but later they will be incorporated into the proposed underground sprinkler system.

After the Student Senate agreed to move the bonfire to the drill field behind Duncan dining hall, the College obtained an estimate on the cost of an underground system similar to that on the golf course. Estimated cost is \$14,000.

"Although nothing can be done until school is out and we can grow some grass on the field, we have already loosed the soil and fertilized it," Badgett said.

Why do more college men and women smoke VICEROYS than any other filter cigarette?

VICEROYS

than any other filter cigarette?

BECAUSE ONLY VICEROY GIVES YOU A PURE, NON-MINERAL, NON-TOXIC FILTER WITH 20,000 FILTER TRAPS IN EVERY FILTER TIP!

- Yes, only Viceroy has this filter composed of 20,000 tiny filter traps. You cannot obtain the same filtering action in any other cigarette.
- Besides being non-mineral and non-toxic, this cellulose-acetate filter never shreds or crumbles.
- The Viceroy filter wasn't just whipped up and rushed to market to meet the new and skyrocketing demand for filtered cigarettes. Viceroy pioneered. Started research more than 20 years ago to create the pure and perfect filter.
- Smokers en masse report that filtered Viceroy's have a finer flavor even than cigarettes without filters. Rich, satisfying, yet pleasantly mild.
- Viceroy draws so easily that you wouldn't know, without looking, that it even had a filter tip . . . and Viceroy's cost only a penny or two more than cigarettes without filters!

That's why more college men and women smoke VICEROYS than any other filter cigarette . . . that's why VICEROY is the largest-selling filter cigarette in the world!
