

FLY BOYS—Standing with their two planes are members of the team of Aggies who competed in the National Intercollegiate Air Meet at Fort Worth last week. They are, left to right, Fred Weick, sponsor, David Huebner, Bob Parry, Ed Rivers, Tyree Hardy, and Joe Rivers.

Flying Club Planned Here

Groundpounders beware—The flyboys are organizing! Students interested in starting a flying club at A&M are requested to attend an organizational meeting tonight at 7:30 in Room 3D in the Memorial Student Center. Membership will be open only to student or private pilots, said Tyree Hardy, organizer of the club. Fred Weick, director of personal aircraft research here, has agreed to act as sponsor.

Last week David Huebner, Joe Reeves, Ed Rivers, Bob Parry, Tyree and Weick attended the National Intercollegiate Air meet at Meacham field in Fort Worth. They competed in power-on and power-off spot landings, navigational and "bombing" contests. Carswell air force base of Fort Worth put on a static display of the B-36 and B-47 bombers; and the base's acrobatic team put on a show in Thunderbird jets.

Twenty-eight major colleges, with the Flying Frogs of Texas Christian university as hosts, competed. Saturday night about 200 students attended a banquet held in their honor, with Gen. Montgomery of Carswell as the main speaker.

Track Meet

(Continued from Page 5) Clark were two-three-four in the pole vault to put the blue chips on the last event. Texas had to finish two places above the Aggies in the relay to win. Thomas and Rice's Stephen James again put on a two-man duel in the vault. After both cleared 13-6, the bar was put at 13-11½. James cleared it on his last try after Thomas had knocked the bar off on his third leap and disgustedly pounded the ground with his fist. Aggie firsts, in addition to Hartung's win in the low hurdles, were won by Hollingsworth in the highs; Bonorden in the shot, with 52-10¼; and Fritzie Connally, who tied for first in the high jump at 6-3. Herman Johnson, who was second in the shot, was upset in the discus by Rice's Ed Jackson. Jackson had 156-4, the best of his career.

'Murals

(Continued from Page 5) A anti-aircraft artillery; Cooper, B infantry; Smith, Leggett; Shepard, C armor; Ware, D infantry. Best time, 54.0, by Cooper. Best time, 52.5, by Posz. Today, preliminaries will be run in the 440-yard relay and prelims and finals in the shotput.

Aggies Win SWC Crown

(Continued from Page 1) in the sixth, but tempers were soon quieted. The Cadets brought the small group of Aggie fans to their feet in the top of the ninth by pushing across two quick runs and knotting the score at 3-3. Boring led off with a walk, went to second on Bowers' boot of Charlie Puls' slow roller down the third base line, but was forced at third by John Hoyle, who was safe at first on a fielder's choice. Clyde Stinson, batting for Munday, struck out. Ablon walked to load

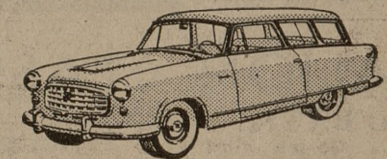

the bases and set the stage for Stockton's game tying single. Hoyle scored all the way from first base on Stockton's smash, barely beating the throw in. SMU came close to winning in the last of the ninth. With the bases loaded, and a 3-2 count on Bob Mills, Vanzura came through with a straight fast ball that Mills grounded harmlessly to Schero for the out. After two outs in the top of the 11th Stockton blasted a 1-1 pitch down the right field line for a triple that scored Ablon from first with what proved to be the winning run.
