

May 30-31, June 1

Aggies To Meet Arizona In Bryan for District Title

By RONNIE GREATHOUSE
Battalion Sports Editor

A&M's baseball team will be on familiar ground when it meets the University of Arizona in Bryan May 30-31 and June 1 for the District 6 NCAA championship.

"I like it. It's definitely to our advantage," said Coach Beau Bell. "We experienced some difficulty with the high altitude at Tucson in 1951, and I think they should have some trouble here."

The best-of-three series will be played at night at Bryan's Travis park. Kyle field is not equipped with lights.

"I understand Arizona has some good hitters on its team," said Bell, "but I don't think that ball will go as far down here, and I think our pitchers can slow them down too."

The power-laden Arizona nine has an impressive 37-5 season record, but hasn't won in three pre-

vious meetings with Southwest conference representatives.

A&M clipped Arizona 5-4 and 14-2 in 1951 to take the three game set with the Wildcats. The Cadets ranked fifth nationally that year.

The Associated Press said Jeri Morgan, daughter of Dell Morgan, Rice baseball coach and chairman of the committee to name the District 6 representative, called the coin flip correctly yesterday by phone.

Dr. Emil L. Larson, commissioner of the Border conference, made the flip in Tucson. Morgan's daughter called heads, and heads it was.

The Aggies received another lift today when Joe Hardgrove, ace lefthander and leading SWC hurler, announced that his arm would be in good shape for the Arizona series.

"My arm feels all right, and I'll be ready to go against Arizona," he said.

Arizona has three top-flight pitchers with fine records over season play in Don Lee, Carl Thomas and Benny Rincon. Lee sports a 9-2 won-lost record, Thomas 7-0, and Rincon 8-2. All are juniors, and righthanders.

State Senate May Look Into SWC Recruiting

Sen. William Moore of Bryan, who introduced a resolution to make A&M coeducational two years ago, dropped another possible bomb-shell into the State Senate yesterday, calling for further investigation into Southwest conference recruiting.

"We didn't inspire the action," said Chris Groneman, chairman of

the Athletic council. "All I know is what I've read about it."

President David H. Morgan and Athletic Director Paul Bryant had no statement to make when contacted last night.

According to Associated Press reports, the resolution asking for the investigation was introduced in the Senate yesterday, but was shoved into committee, where its fate appeared uncertain.

Sen. Moore, an A&M ex-student, introduced the measure, and declared A&M should not have been placed on 2-year probation by conference officials for recruiting practices he claimed have been used by all conference schools for 15 years.

The action, severest in conference history, was taken for alleged violation of rules regarding recruiting of high school football players.

A&M was made ineligible to participate in any postseason football games and the school's letters of intent were cancelled. The letters are commitments by high school players to attend a certain school.

Moore told the Senate the action was a result of "jealousy" because it appeared A&M was about to get a winning football team.

Opponents claimed such an investigation was not the business of the Senate but of the Southwest conference. They said such action would bring disrepute throughout the nation on the conference and on all Southwest conference schools.

Conference officials said yesterday the violations were by the

Aggie coaching staff as well as ex-students. Bryant earlier had placed the blame on "over-enthusiastic" alumni.

Sen. Crawford Martin of Hillsboro, opponent of Moore's resolution, asked what authority the Texas Senate would have over investigating out-of-state Arkansas, one of the conference members.

"Well, I think we ought to kick Arkansas out of the conference anyway," responded Moore.

The Senate first voted 15-14, to take up consideration of the measure immediately but reversed itself later by an 18-13 vote and sent it to the State Affairs committee for study.

Morgan said yesterday, "I have checked thoroughly into the actions taken by our Athletic council and athletic director," Morgan said the check was to prevent "any possible violations on our part of Southwest conference regulations." He said he was convinced no such violations could occur in the future.

Punch-line to the year's hottest power story—

Chevrolet "Turbo-Fire V8"!

This is the engine that's writing a whole new chapter in the book of automobile performance records. This is the engine that has stock car timers doing a "double take" at their stop-watches wherever experts gather to compare the abilities of the 1955 cars.

For example, in the recent NASCAR* stock car competition at Daytona Beach, Florida, Chevrolet literally ran away from every other car in its class—and a raft of others besides. In the one-mile straightaway run for low-priced cars, the first two places—and six of the first ten—went to Chev-

rolets. And in acceleration runs from a standing start against all comers, the Motoramic Chevrolet beat all other low-priced cars—and every high-priced car except one!

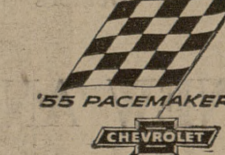

What's behind this blazing performance? A compact honey of a V8 that only the world's leading producer of valve-in-head engines can build. Chevrolet's new "Turbo-Fire V8".

It puts a new kind of fun in your driving life. You're in charge of 162 high-spirited horsepower—or if you're looking for even more excitement, the new "Super Turbo-Fire V8" (optional at

extra cost) puts 180 h.p. under your toe!

Pick the one you'd rather have fun with, then come in and get behind the wheel. You'll see why the Motoramic Chevrolet is showing its heels to every-one else on the road!
