THE CONQUEST OF FEAR

One of the earliest emotions a child experiences is fear. And from the first loud noise that awakens him until the moment of his death he knows no day without some recurrence of the sinister, some foreboding of danger.

From the beginning of time religion has been our tested antidote to the poison of fear. In the dark forests of antiquity, on the boiling seas of exploration, in the fox-holes of modern strife, men have calmed the body's trembling with the soul's faith. We have faced the unknown, the hostile, through trust in the Known, the Faithful; we have challenged the insurmountable, confident in the power of the Almighty.

How essential, though, that each generation passes on our Faith to the next! Who dares to deprive a child of the chance to conquer fear? Who would rob his son's soul of the Christian heritage martyrs died to preserve?

Bring your children to God's House every Sunday. Seek with them FAITH for this atomic age.

THE CHURCH FOR ALL... ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.
