OFFICIAL NOTICES

The Student Publications Board, August
 2, 1955, ruled that all campus organiza-
 tions which have dues, charge admissions
 or have an appropriate other source of
 income will be charged for space in fu-
 ture Aggie yearbooks. The new rule
 specifically affects R.O.T.C. units,
 civilian dorms and intercollegiate sports
 in that those organizations will be charged
 for space beginning in the 1956 Aggie
 yearbook. On the same date, from \$55 to \$50
 per page and from \$35 to \$30 per half
 page. The action was taken to broaden
 the basis of charging for purposes of con-
 sistency and equality. The net additional
 income expected will be used to offset
 higher printing costs and the loss of the
 Football Program concession from the
 Student Publications Program.

Ross Strader, Manager
 Student Publications

The College has received an announce-
 ment by the National Science Founda-
 tion of its program of postdoctoral fellowships
 for 1955-56. Anyone interested may ex-
 amine the details of the announcement in
 this office.

Family Favorites

The following recipes are a continuation of those
 given last week by Mrs. John S. McCannon. Lack of
 space in last week's paper necessitated saving some of
 her recipes for today's issue.

HAM, POTATO, CARROT AND ONION CASSEROLE

Ham has always been a favorite around our house. I like it
 because you can do so very much with it. The following recipe was
 given me by my mother.

6 T. ham drippings, oleo or butter
 6 T. enriched flour
 3 cups milk
 2 t. salt
 ¼ cup buttered bread crumbs

¼ t. pepper
 ½ lb. cheddar cheese, grated
 1 lb. cooked ham, diced
 4 cups cubed cooked potatoes
 12 small cooked onions
 2 cups cubed cooked carrots

Melt the drippings or fat. Blend in flour and add the milk, stir-
 ring constantly. Cook mixture until thick, boiling about three minutes.
 Add seasonings and grated cheese and cook slowly until cheese dissolves.
 Add cooked ham, potatoes, celery and onions.

Put the ham and vegetable mixture into a greased casserole.
 Cover the mixture with buttered bread crumbs and bake, uncovered,
 in a moderate oven (350 degrees) for 30 or 40 minutes or until the
 crumbs are lightly browned. Serves 8 to 10.

APPLE OR PEAR CRISP

I have never tried this dish with pears, but we like the apple
 crisp so well that I had to include the complete recipe.

8 fresh pears or apples
 ¼ cup bread flour
 ¼ cup water, if pears are hard
 1 t. lemon juice (omit if using
 tart apples instead of pears)

¼ cup brown sugar
 1/3 cup butter
 ¼ t. salt

Place sliced pears or apples, unpeeled if you wish, in a buttered
 baking dish and sprinkle them with lemon juice and water. If you
 are using apples, pile them high, as they tend to settle. Blend flour,
 butter and salt until the mixture resembles cornmeal in texture. Spink-
 le this lightly over pears or apples. Bake them in a slow oven for
 about 45 minutes until the fruit is tender and the crust is brown.

Scholarship Offered

The Department of Oceanog-
 raphy announces that the \$500
 Texas A&M Research Foundation
 Scholarship in meteorology is again
 available for the 1955-56 academic
 year. Established in October 1953
 by the board of trustees of the
 Research Foundation, it is awarded
 annually to a junior or senior stu-
 dent majoring in the Meteorology
 under-graduate program in the de-
 partment.

Students with two years in en-

gineering, physics, chemistry or
 mathematics curricula may be eli-
 gible to begin the meteorology pro-
 gram and qualify for this scholar-
 ship. Formal application must be
 on file not later than August 31.
 The department also announced
 that the new A. H. Glenn assistant-
 ship of \$2,400 for the 1955-56 year
 for students with a bachelor's or
 master's degree in physics, civil or
 mechanical engineering or physical
 oceanography is still available. The
 research work on this assistantship
 will be concerned with studies of
 fluid forces on structures.

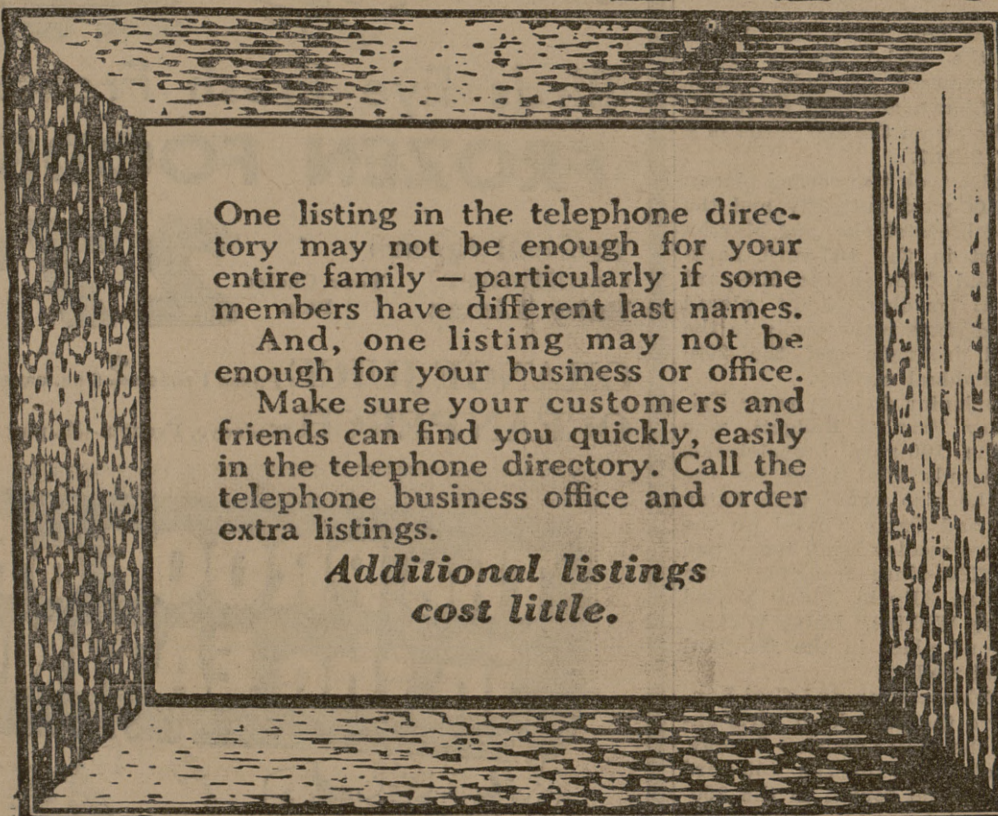

Further information and forms
 for applying for these awards may
 be obtained from the office of the
 Department of Oceanography.
