

Sewage

(Continued from Page 1)

Debate between council members over this resolution concerned the time given the school board to prepare to do the assessing and collecting of the tax themselves. The reasons given for this change concerned the size of the school tax program.

It was indicated that when the city took over this job the work was small enough that it did not cost the city money. For the past few years the school district has paid the city \$4,000 for the work. Previous to this time the amount paid had been \$200 monthly.

The council now feels that the school tax program is large enough for the school board to hire a business manager to handle this work. Ran Boswell, city manager, reported that College Station would have to hire extra help in order to keep up with the matter in its present state.

It was also suggested that the school could use the \$4,000 now paid the city to hire a business manager. (For more on this problem of school taxes and the city, see the story in this issue on the budget hearing held Monday night for A&M Consolidated School System.)

INTERMEDIATE CHAMPS—With 12 points more than the next highest team, these local swimmers won first place in the intermediate division of the Crystal Pool Open Championships at Houston. They are (back row, left to right) Mary Varvel, John Harrington, Dall McCannan and Helen Klipple and (front row, same order) Judy Litton, Patsy Wilkins, Mary Frances Badgett, Gail Schlesselman, Ann Cleland and Patsy Varvel. Coach Art Adamson stands at the left, holding the shiny-bright trophy won by his proteges.

CS Swimmers Win Meet

The College Station swimming team ended the 1955 season by running away with first place in the intermediate division of the Crystal Pool Aquatic Club Open Championships last weekend.

Leading the intermediate girls were Gail Schlesselman, who won first place in the 200-meter individual medley and the 100-meter butterfly and fourth place in the 100-meter breaststroke, and Martha Shaw, who placed first in the 100-meter backstroke and second in the 200-meter individual medley. Both girls swam on the first-place 200-meter medley relay team with Mary Frances Badgett and Judy Litton and on the second-place freestyle relay team with Judy and Patsy Wilkins.

John Harrington paced the boys with a win in the 200-meter individual medley and in the 100-meter backstroke. He also swam with Dall McCannan, Tom Ivy and Dickie Lapham on the medley relay team, which took fifth.

The final score by teams was as follows: College Station 88, West University 76, San Antonio 72. (See SWIMMERS, Page 4)

Special Notice ATTENTION WORKING MOTHERS We guarantee that your child will be happy in our nursery school. Ages through 4. Music, art, games, meals. Hours 7:30-5. Phone 4-9761. 91f

The Student Publications Board, August 2, 1955, ruled that all campus organizations which have dues, charge admissions or have an appropriate other source of income will be charged for space in future Aggie yearbooks. The new ruling specifically affects R.G.T.C. units, civilian dorms and intercollegiate sports in that those organizations will be charged for space beginning in the 1956 Aggie yearbook. On the same date, the Board ruled that the space rates would be reduced for all organizations from \$55 to \$50 per page and from \$35 to \$30 per half page. The action was taken to broaden the basis of charging for purposes of consistency and equality. The net additional income expected will be used to offset higher printing costs and the loss of the Football Program concession from the Student Publications Program.
