PLEASE don't forget to drive with care!

Accidents can be avoided!

Telephone men and women know that safety is no accident. It is the result of eternal vigilance, courtesy and thoughtfulness.

Now that schools are open again, all of us must take even greater care in driving to protect our children. Safety pays its dividends in the saving of human life and the prevention of suffering.

Let's all remember that taking a few seconds for safety may save a lifetime of regret.
