# Aggies Face Air-Minded LSU Tigers At Dallas Saturday; Conrad Hurt

By **RONNIE GREATHOUSE**  
Battalion Sports Editor

A&M, stung viciously by the pin-point passing of UCLA's Ronnie Knox last weekend, may find the air lanes equally harmful tomorrow night when it takes on the "new look" LSU Tigers at the Cotton Bowl in Dallas.

KORA will bring a play-by-play account of the game, starting at 8 p.m. A pre-game warmup begins at 7:50 p.m. Sharpshooting Matt Burns, whose two touchdown passes led the Bayou Bengals over highly rated Kentucky last week, directs an all-letterman backfield.

A noticeably weary Coach Paul Bryant sent the first two teams in early yesterday after less than an hour on the practice field.

"Our folks aren't ready," sighed Bryant "LSU is probably just too tough and aggressive for us. I thought we had some men on our team, but it looks like we've got a bunch of boys. Unless we start acting like grown folks we're not going to beat anybody."

Another jolt to the Aggies' hopes came yesterday when it was learned that sophomore quarterback Bobby Conrad, a starter against UCLA, will miss the LSU game because of an injury. Conrad pulled a leg muscle in Wednesday's practice.

The Cadet's growing injury list now totals four. Besides Conrad, tackle Henry Clark and ends Dean Meeks and Roger Hobson will sit out tomorrow's contest.

A&M's starting lineup shows four changes this week. Jimmy Wright takes over the man-under position, Bobby Drake Keith moves to right end, Loyd Taylor, recovered from a pre-season injury, is at right half and Dee Powell holds down left guard.

LSU's backfield boasts break-away speed and power along with Burns' aerial artistry. Halfbacks Chuck Johns, the Tigers' leading ground gainer last fall with 408 yards, and Vince Gonzalez team with line-smashing fullback O. K. Ferguson. Burns, being a converted halfback, is also a threat on the ground.

Intramural play gets underway Monday. Freshmen begin football, horseshoes and ping pong. Upperclassmen, both Corps and Civilian, start basketball, tennis and bowling.

## CHS Plays Mustangs At Navasota Tonight

By **MAURICE OLIAN**

With a come-from-behind victory under their belts, A&M's Consolidated Tigers journey to Navasota tonight to do battle with the 1954 district 24AA champion Mustangs. Game time is 8 p.m.

After losing a squeaker to Hearne, 7-6, in the opener, Coach Horace Schaffer's Tigers fought back with two second-half touchdowns last week to defeat Madisonville, 12-6, and will be out to revenge last year's 12-7 loss to Navasota. With their 1954 squad virtually intact, the Mustangs are favored to win this one and remain undefeated. Only an open-

ing game tie, 6-6, with Lamar Consolidated spoils their record. They edged Hearne last week, 7-6.

The starting offense for the Tigers finds Norman Floeck and co-captain Manuel Garcia, all-district at guard in '54, ends; Dick Hickman and co-captain Ed Linton, another all-district performer, tackles; Garland Andrews and Jack McNeely guards; Steadman Davis, center; Ed Feldman, quarterback; Bobby Witcher and Bill Hall, halfbacks; and Bill Kavanaugh, fullback.

Defensive replacements are Wayne Thompson for Witcher; Don Vaughn for Davis; and Bobby Johnson for Feldman. Bo Linton is also expected to see a lot of action.

## A Ordnance Strong Again In Intramurals

The defending champions in both freshmen and upperclassmen intramurals, A Ordnance, is shaping up as a definite possibility to repeat its double-crown performance of last year, according to outfit Athletic Officer, Joe Cooper.

"With so many of last year's freshmen returning as upperclassmen this year, our chances in that bracket appear to be strongest," Cooper said.

Last year's A Ordnance freshmen took five championships to lead in points for overall high averages. The second place team was Squadron 17, while Squadron 5 and A Infantry finished third and fourth respectively.

In upperclassmen competition, A Ordnance was trailed by Squadron 7. Third place honors were shared

**AMERICAN HISTORY REQUIREMENT**  
The attention of the faculty and students is called to Senate Bill 254, 54th Legislature, which reads as follows:  
Section 1. No person after July 1, 1956, shall be granted a baccalaureate degree of any kind from any institution of higher learning supported or maintained by the State of Texas, or from any junior college receiving state aid, except that he or she has taken and passed six semester hours in American History provided that any student shall have the option, at his or her request, to substitute three semester hours of Texas History for three of the six semester hours in American History required by the terms of this Act.

Section 2. The provisions of this Act are in addition to existing laws requiring the teaching of state and federal Constitutions in state supported colleges and universities in Texas.  
Section 3. The fact that recent surveys have disclosed a disturbing lack of knowledge and appreciation of the facts and significance of American history, with its bearings on the present and implications for the future, creates an emergency and an imperative public necessity that the Constitutional Requirement bills to be read on three several days in each House be suspended; and such Rule is hereby suspended, and this Act shall be in force and effect from and after its passage, and it is so enacted.

By action of the Executive Committee of the Academic Council, all curricula which do not include this requirement, or only partially include it, are herewith amended to include it for all students who are to receive their degrees after July 1, 1956. In these curricula the additional hours needed to satisfy the requirement will replace an equivalent number of elective hours. The total number of semester hours required for the degree remains unchanged. Two sequences of courses offered by this institution meet the requirement of the law—(1) History 105 and 106 (History of the United States) and (2) History 325 (Trends in American History) and History 326 (History of Texas), this last to be offered beginning with the spring semester of 1956. Students who have completed three or more semesters of college work before registering for courses in American History are advised to schedule History 325 and 326.  
J. P. Abbott  
Dean of the College 1545

Students holding Advanced ROTC contracts who desire to satisfy only the minimum requirement for graduation in their respective curricula are reminded that the deans of the degree-granting schools have authority to substitute an equivalent air or military science course for a course prescribed for a degree in the several curricula of their schools since no substitution can be made official without notice to the Registrar's Office by the deans.

## NOTHING IN ITS FIELD CAN MATCH CHEVROLET FOR ACCELERATION!

Great Features back up Chevrolet Performance: Anti-Dive Braking—Ball-Race Steering—Out-rigger Rear Springs—Body by Fisher—12-Volt Electrical System—Nine Engine-Drive Choices.

When you need a quick sprint for safer passing, this V8 delivers!  
It's pure dynamite, and you have to go way, way up the price ladder before you ever find its equal.

The proof was burned into the sands of Daytona Beach at the NASCAR\* trials earlier this year. In acceleration tests, Chevrolet walked away from everything else in its field. Plus all the high-priced cars except one!

It's the big reason Chevrolet's been taking all comers in short track stock car events this season. Sizzling acceleration along with handling ease and cornering ability—things that mean safer, happier highway driving. Come on in and let a new Chevrolet show you what we mean.

Drive with care . . . EVERYWHERE!
