WEDNESDAY, SEPTEMBER 28, 1955

Have You Voted?

Have you done your duty? Have you voted? If not, you are losing your chance to express your own will; your place in the student opinion about the union fee has been left vacant.

We hope you will vote "YES" in the election being held today and tomorrow in the Memorial Student Center. We hope you vote this way, for the Center needs the money to continue its high standards of facilities and services.

But even more so, we hope you will vote because it is your privilege to express your individual opinion through your ballot. Whatever your feelings, however you vote, that is for you to decide. The MSC wants a decision, a favorable one it is hoped, but one that is the true expression of the opinion of as many students as possible.

A free vote is a precious thing, but in the past, precious few students have exercised this privilege. It's a good time for change.

Those interested in the MSC hope to see a majority of students vote "YES." And they want this majority from as large a majority of Aggies as will do their duty.

Friendly Advice

If you think the parking problem is bad now, just wait until you see the number of cars here this weekend for the football game.

But things won't be so bad if you will follow some advice being given by the Office of Campus Security. This advice is: Leave your car in its proper parking area unless it is absolutely necessary to use it.

Our campus streets are going to be crowded with strangers to our school driving around looking for "that meeting place."

Students can help. They know the campus and, unless necessary, can walk to wherever they have to go.

And they'll also know that they don't have to walk clear across the campus to get back to where they had to park their cars.

CADET SLOUCH by James Earle

Kid Day At BAFB Termed Success

The seventh annual Kid Day, sponsored jointly by the College Station and Bryan Kiwanis clubs and Bryan Air Force Base, was a large success.

Reverend Norman Anderson, chairman of the Kiwanis Club's Boys and Girls committee, said at the Tuesday meeting of the club, that four bus loads of junior and senior high school students from College Station joined a larger group from Bryan to tour the base. The students inspected pilot training apparatus, T-33 jet aircraft, and watched movies.

Speaker for the Kiwanis meeting Tuesday was Captain J. B. Carlisle of the Safety Section of the Texas Highway Patrol. He spoke on traffic safety, and the need for driver education in state schools.

He said driver education would cost only \$25 per student, or the price of one dented fender and would save thousands of dollars in property damage.

Like Progresses Along Road To Full Recovery

DENVER—(AP)—President Eisenhower made continuing, encouraging progress along the road to recovery yesterday amid a growing belief he will retire to the role of "elder statesman" at the end of his present term.

Personal friends said privately it would be "unthinkable" to subject him to the burdens of a 1956 political campaign and another four years in the White House.

At the same time they ruled out the possibility that he would even consider resigning before the expiration of his present term in the absence of any complications that would block the "complete recovery" for which his physicians are hoping.

Meanwhile, as encouraging bulletins continued to come from the sickroom on the eighth floor of the hospital, Atty. Gen. Brownell suggested in Washington that it may not be necessary for him to give any opinion on the delegation of the President's powers. But he added that "there are legal ways and means to assure the orderly functioning of the government under the Eisenhower policies."

Accident Victims Improving Rapidly

The condition of the two Band seniors hurt in a car wreck early Sunday was said to be improving rapidly today.

John Kincaid, who was at first feared to be seriously hurt, has been moved to the College hospital. After x-rays were completed, doctors found he was not suffering from cracked ribs as suspected.

Pete McMains, who was riding in the car, is still in the Hearne General Hospital but is expected to be brought here in the next day or two. He is suffering from severe cuts on his face and a minor concussion.

McMains and Kincaid were coming back from the A&M-LSU game when their car swerved off the road and crashed into a tree about one mile north of Hearne at about 5:30 a.m. Sunday.

When you bring fresh strawberries home from the market, dump them out of their containers into a flat container where each berry will have plenty of room. Cover with waxed paper and place in the refrigerator. Do not wash or hull the berries until you are ready to use them. Don't slice and sugar them, either, until shortly before using.

Yardley brings you a new feeling of well-being—London style

The way to arrive at this happy state, gentlemen, is to use Yardley After Shower Powder morning and night. Here is a cooling, masculine body powder—conceived in England and now made in America—which has a special drying action effective in the muggiest weather. Its deodorant properties are invaluable. At your campus store, \$1.10 plus tax. Makers and distributors for U. S. A., Yardley of London, Inc., New York.
