

Clubs Plan Projects, Speakers for Coming Year

Architect Wives Club will meet Wednesday in room 3B of the Memorial Student Center to hear Milam S. Kavenaugh speak on child psychology. Kavenaugh is associate professor in the Psychology Department.

The Dames Club will meet Tuesday in the YMCA, for their first meeting of the year. Plans for the semester will be discussed including the bowling league.

Civil Engineering Club will meet Wednesday at the home of Mrs. S. R. Wright, 700 Hereford St., at 8 p.m. for a business meeting.

Geology Wives Club held their first meeting Monday night and discussed plans for the bowling league.

Nancy McCarty was elected to represent the club at the Aggie Wives Council.

The Aggie Wives Bridge Club will meet tonight in the MSC at 7:30.

Hostesses for the regulars will be Virginia Feraday and Chloma

Burk; intermediates, Barbara Creager, and beginners, Jan Hall and Janie Perkins.

Virginia Feraday was the high score prize winner for the regulars with Francis Brummerhop taking second high score. Low score was Nelda Napp and Kathy Rowir won the floating slam prize.

Nell Shockley took high score prize for the intermediates and Mary Virginia Lyles took second place high score.

The Band Wives Club met Tuesday night to plan their project for the year. The girls will cut cartoons from leading magazines, such as Colliers, and make several scrapbooks for the college hospital.

The second annual tea of the Business Wives Club will be held Oct. 17 at the YMCA. The tea is open to all faculty members and their wives, and the husbands of club members.

The Wives plan a cake sale Nov. 23 to raise money to buy toys for a colored children's nursery in Bryan. This is the second year the club has sponsored the nursery.

Family Favorites

By Mrs. W. M. Potts

This week's guest co-editor, Mrs. W. M. Potts, is a graduate of the University of Texas, took graduate work at SMU and did one summer's work in Home Economics at the University of Colorado.

Mrs. Potts, president of the foods group of the Social Club, is the wife of Dr. W. M. Potts of the Chemistry department.

They have two sons: Gene, who is attending Southwestern Medical School of the UT in Dallas, and Bobby, a junior at A&M Consolidated High School.

SHRIMP SAUCE

A native of New Orleans gave me this sauce for shrimp.
 6 T salad oil ½ t. salt
 2 T vinegar 4 T Creole mustard
 1 T paprika ½ heart of celery, chopped fine
 ½ t. white pepper
 A little chopped parsley Small onion, chopped fine
 Mix all these ingredients, chill well, and serve on cold boiled shrimp.

APRICOT ICE CREAM

Is there anything better than ice cream made in an old fashioned rank freezer? This recipe has been used in my family for many years.
 2 cups water 1 qt. milk
 3 cups sugar ½ pt. whipping cream
 Juice of 3 lemons 1 ½ t. vanilla
 No. 2 ½ can apricots
 Make syrup of water and sugar by boiling together for 5 minutes. Cool. Add apricot juice and the apricots which have been run through a sieve, the lemon juice and vanilla. Chill milk and cream in freezer and then add the syrup mixture. Freeze until firm.

PECAN PIE

There are many pecan pie recipes, but my family prefers this one since it isn't as sweet as the majority.
 ½ cup sugar 2 eggs, beaten
 2 T. flour 1 cup pecans
 ½ t. salt 2 T water
 1 cup white Karo 1 t. vanilla
 2 T. melted butter
 Mix the sugar, flour, and salt. Add the rest of the ingredients in order. Pour into an unbaked crust and bake at 350 degrees for 15 minutes, decrease to 300 degrees and bake until custard is firm and pie is slightly brown.

By Mrs. Donald King

Our other co-editor this week, Mrs. Don King, originally from Ohio, is the mother of two sons: Bruce, six and Doug, two years old. Mr. King is in the Entomology Department.

TUNA TREAT

This is a slight variation of the old standby, tuna casserole.
 1 can mushroom soup 1 can tuna
 1/3 cup milk 1 small can peas
 Pour the above ingredients into a baking dish and mix well. Place in 350 degree oven and bake for 12 minutes.
 Then separate four eggs. Beat whites until stiff and add 1/8 of shredded cheese. Spread this mixture on top and continue baking 20 minutes at 400° F.

LEMON FLUFF

Crust	Filling
2 cups crushed graham crackers	1 pkg. lemon jello
2 T sugar	¼ cup sugar
¼ cup melted butter	¼ cup lemon juice
	1 cup chilled undiluted evaporated milk

Combine jello, water, sugar and 2 T lemon juice. Whip evaporated milk with remaining lemon juice for one minute. Add cooked gelatin mixture, and whip until fluffy (2 min.). Pour into crust and chill one hour or until firm.

CHOCOLATE TARTE

This chocolate tarte is better served at a party or during the evening rather than as a family dessert since it is so rich.
 Mix:
 ½ cup butter 2 sq. melted chocolate
 1 ½ cup conf. sugar ¼ t. salt
 2 egg yolks beaten 1 t. vanilla
 Fold in egg whites and ½ cup chopped nuts. Grease pan, sprinkle with graham cracker crumbs and add chocolate mixture. Add remaining crumbs to top. Place in refrigerator until ready to serve. Top with whipped cream.

Wives' Clubs Start Bowling Tuesday; Officers Elected

Ann Perryman, representing the Mechanical Engineering Wives Club, was elected chairman of the bowling league sponsored by the Aggie Wives Council.

Clubs interested in the bowling league met Tuesday at the Memorial Student Center to elect officers and choose committees.

Vice-chairman is Nancy McCarty, geology club; Joy Jones, secretary, Business Club; Betty Chin-

nock, treasurer, Business Club; and Amye Phillips, sergeant at arms, Geology Club.

"So far we have six clubs competing in the 'round robin' tournament," said Joy Jones, secretary. "Any club interested in bowling with the league beginning Tuesday, can call me at 6-1042 or 6-8743, so I can schedule your club," she said.

Each club will have five players on their team, with alternate players as substitutes.

A rules committee was chosen to decide whether handicaps be given to individuals or teams, along with setting up rules for the tournament.

John Geiger, manager of the bowling alley, met with the girls Tuesday to explain handicaps,

how to select the proper ball and the approach to the alley.

The newly formed Wives Council is sponsoring the league to give a recreational outlet for the wives, many of whom work.

"Many of the clubs are trying to find sponsors to help pay for bowling shirts," Mrs. Jones said. "It has been requested that the girls wear toredor pants or blue jeans —no shorts or Bermuda shorts," she added.

Bowling will cost \$1 a night which includes regulation shoes and the alley. If you have your own bowling shoes, the charge will be 90 cents.

The clubs registered to date for the tournament are Geology, Business, Mechanical Engineering, Bridge, Electrical Engineering and Civil Engineering.

Wives' Council To Meet Monday

The newly formed Aggie Wives Council will meet Monday night at the home of Mrs. Robert B. Kamm, sponsor, at 4109 Nagle, College Station.

Plans for a bowling tournament and the Council dance will be discussed at the business meeting which begins at 8.

The bowling tournament will begin Tuesday night in the Memorial Student Center with six clubs participating. The Dance will be held Nov. 19 in the Center with music by the Capers Combo.

Any Wives Club on the campus which is not represented in the Council may send the president, one permanent representative and one club member.

The Council, which meets every other Monday, was started this summer to form a harmonious unity among the Wives Clubs and to sponsor joint-social affairs among them.
