World News

By the Associated Press

PARIS, (AP)—Premier Edgar Faure, striving to save his wobbly government, called on the National Assembly last night to back his moderate policy for French Morocco. "I have faith in my formula as a means of building French-Moroccan friendship," Faure told the deputies. Faure dropped four Gaullist ministers who refused to accept his plans for Morocco-pegged to the creation of a three-man regency council to replace an unpopular Sultan now retired in Tangier—and parried threats from other ministers who were being pressured to quit.

FORT WORTH, (AP)—Texas Democrats named soft-spoken Lt. Gov. Ben Ramsey national committeeman, and heard Gov. Allan Shivers challenge northern big city bosses who want to "saddle and bridle us and put blinders on our eyes."

BUENOS AIRES, (AP)—Argentina's government advised Paraguay yesterday to get rid of Juan D. Peron and send him out of South America altogether. In a stiff note, the Foreign Ministry said Peron's continued exile in neighboring Paraguay could "awaken in him dreams of returning to power which would be dangerous even though senseless."

LARAMIE, Wyo., (AP)—A United Air Lines plane carrying 65 persons smashed into a mountain peak yesterday, killing all aboard and splitting the DC4 into fragments. It was the worst crash of a commercial airliner in United States history.

NOW SOMEBODY IS NOT GOING RIGHT—We aren't the betting kind, but we'd be tempted to bet that the one-way sign is more correct than the driver of this car. The two streets which run from the Academic Building along both sides of the Library are now alternately one-way. This was done to make the area safer for pedestrians and to ease the traffic problem brought about by the increased number of cars on the campus this year.

Distribution In Dorms

Senate Backs Seal Drive

Joe Sorrels, head of the Christmas Seal Drive, appeared before the Student Senate last night in an effort to get their support for the coming distribution of seals.

The Senate decided to back the drive and to provide any means of publicity it had available. The Christmas Seals will be given to Col. Joe E. Davis, commandant, and Robert O. Murray, civilian counselor, for distribution within

the student body.

"We have to distribute the seals in this manner, because the student directory does not come out in time for us to get the address of each student," Sorrels said.

The Senate also passed a resolution stating that they would "not condone any type of campaigning for student offices by advertising methods on the campus, other than personal contact."

A report from the Reveille Committee was presented and approved by the Senators. Reveille is to spend one month with E Infantry and then one month with A Quartermaster Corps and will then be rotated back and forth for the one month period.

One civilian student said that Milner Hall would be glad to take care of the mascot since there were more veterinary medicine students there and that they had the two head waiters from the civilian dining hall living in their dorm. He said the dog would probably become a friendlier with more people this way.

The Senate expressed its appreciation to students of Milner but said that the report had already been approved and she would have to accept the previous agreement.

In other business, the Senate referred the laundering of waiter's jackets to the Mess Committee. One Senator brought up the fact that waiters have to pay 15 cents for each jacket sent to the laundry, even if the bundle is not over limit. The committee on campus beau-

tification turned in the following recommendations:

- The completion of sidewalks in the east area.
- The planting of grass in the quadrangle of the west area.
- The placing of wire around the Drill Field and Academic Building to keep students from making paths across the grass.
- That major paths not up for sidewalks be graveled.
- That the hospital area be supplied with proper drainage.

News Briefs

SAM KIBER, elected president of the Industrial Education Club for the fall semester at the club's first regular meeting Tuesday night. Other officers elected at the meeting were Bob McCarn, vice-president; Al Stephens, secretary; Glenn Pheil, treasurer; Pete McMillian, program chairman; Jim Newman, social chairman; Carl Livesay, parliamentarian; Bob Vett, financial chairman; and Gordon DeMarrais, reporter. Frank Nixon of the I. E. department was elected sponsor.

THE PETROLEUM CLUB will meet Tuesday night at 7:30 p.m. in the MSC and all students interested in its activities are invited to attend. Sophomores are invited to attend.

DR. A. B. WOOTEN, extension economist, and Dr. Tyrus R. Timm, head of the Department of Agricul-

Civilian Council Names John Jones President

Texas Tech May Become SWC Member

FORT WORTH, (AP)—Dr. M. E. Sadler, president of the Texas Christian University, said last night he was "greatly encouraged" over the possibility of Texas Tech becoming a member of the Southwest Conference as the result of a meeting held here recently.

Dr. Sadler called the meeting of college representatives with the specific topic of conference expansion to take in Texas Tech and he said that contrary to newspaper reports he found general sentiment was that the big college in West Texas should be invited.

Reports concerning the meeting, that was supposed to have been informal and without publicity were that it was decided that if expansion ever was considered, Oklahoma probably would be the first school to receive an invitation.

"Some of those present mentioned Oklahoma and University of Houston," Dr. Sadler said, "but only incidentally. I felt that the general sentiment of the meeting was that Texas Tech should be invited and since then I have received letters from virtually all who attended the meeting saying they thought the meeting was most helpful. They said they thought it would be good to have Texas Tech in the conference."

Will Name Chaplain During Next Meeting

The Civilian Student Council elected John W. Jones of College View as their president for the second year at their first meeting last night.

Other officers elected are Jerry Van Hoosier, vice-president; Ronald Gardner, secretary; Hugh Langtree, treasurer; and Ray Carroll, parliamentarian.

The Council re-established the declaration of authority that they made last year, saying "We are the final word on all matters pertaining to civilian students only, but we reserve the right to talk over any matters dealing with the school."

The Council also discussed methods of appointing a new Civilian Chaplain to replace Stewart Coffman, who resigned to become commanding officer of Company E, infantry, the new Civilian company. No action was taken, and the Council voted to postpone decision until the next meeting.

Foreign Service Talk Scheduled For Tuesday

Warren E. Elrod Jr. of the Department of State will be in the Assembly Room of the MSC to talk with students interested in a career in the Foreign Service of the United States.

The State Department has announced that the second written examination under the new revised procedures will be held in 65 cities on Dec. 9. Candidates must file their request to take this examination not later than Oct. 21 and to be eligible should be: at least 20 and under 31 years of age, at least 10 years a citizen of the United States, and, if married, married to an American citizen.

Those successful in the one-day written test will be given an oral examination before a traveling panel which will meet in regional centers. Beginning salaries for Foreign Service officers range from \$4,400 to \$5,500 depending on age and experience; additional benefits include insurance, annual and sick leave and a generous retirement plan.

Approximately 300 officers are expected to be appointed during the coming year as a result of the vastly increased need for them. These will fill positions both in the Department in Washington as well as over 250 posts in 77 countries throughout the world.

Students who are interested in this program can obtain applications at the Placement Office.

Harrington Voted SALGC President

Chancellor M. T. Harrington of the A&M College System was elected President of the Southern Association of Land Grant Colleges and Universities, at the Association's annual meeting in Atlanta, Ga., Tuesday.

Civilian Esprit de Corps was resoundingly expressed when a representative from Milner Hall leaped to his feet and declared "Milner Hall challenges all of the other dorms to keep up with them as far as cooperation and spirit are concerned." Several other Council members rushed to express their dormitory's willingness.

In addition to Jones, members of the council elected Wednesday include Emil J. Papacek, Hart Hall; Bill J. Lilly, Leggett Hall; Ronald G. Gardener, Puryear Hall; Jim McMullan, Walton Hall; Jerry Martinets, Law Hall; James W. Ard, Mitchell Hall; Robert R. Stansbury, day student; Jack Quinn, Milner; Alvin G. Stephens, College View; Edward P. Muisch, dormitory 16; and Hugh Langtree, Ray Carroll and Jerry Van Hoosier from the Student Life Committee.

Project House representative will be Bennie Camp. Council members were elected in meetings of their ramp, row, or floor representatives, Student Senators and housemasters.

More Aggieldands Expected Soon

All of the 2,330 Aggieldand '55 are gone, but the other half of the shipment is expected at any time, according to Ross Strader, director of Student Publications.

The Aggieldands distributed this week represented only half of the total shipment and the rest were due two days after the first arrivals, Strader explained.

When the annuals arrive they may be picked up at the Student Publications Office in Goodwin Hall. Students must present their ID card, last year's Aggieldand card, or a 1954-55 fee slip. Students who wish to buy a copy of the annual and did not pay their student activity fee may do so by paying \$7.50 at the office.

Delegation To Pick Aggie Sweetheart

The Aggie Sweetheart for 1955-56 will be chosen this weekend from 10 candidates at Texas State College for Women in Denton.

Ten A&M students will leave here Saturday morning to select one of the 10 lovelies to be A&M's representative for the remainder of the school year.

Representatives are Larry Kennedy, Corps commander; John Jenkins, deputy Corps commander; Scotty Parham, Student Senate president; Allan Greer, Senior Class president; Bill Willis, president of the Arts and Sciences Council; Joe Bill Foster, Senior Class social secretary.

Bud Whitney, MSC council president; Don Burton, president of Senior Court; Bob Lee, election commission, and Jack Quinn, representative of the Civilian Student Council.

They will arrive in Denton in time to have lunch with the candidates, who were chosen from 41 girls elected by the sophomore, junior and senior classes at TSCW.

The A&M delegation will be entertained with a schedule of dining and dancing. They will attend services in the Little Chapel in the Woods Sunday morning with the candidates. After services, A&M representatives will recess for two hours to vote on the Sweetheart. In addition to the sweet-

heart they will elect two alternates.

The sweetheart will represent A&M at all football games, the Cotton Bowl ceremony on New Year's Day, University of Texas Roundup, Rice Rondelet and all other Southwest Conference school functions where A&M needs a female representative.

Selection will be announced in the Union Building recreation room immediately after noon Sunday.

"We had a hard time selecting 10 girls from the pictures sent in by TSCW," Kennedy said. "And I'm certain it will be an even harder job to eliminate nine more to select an Aggie Sweetheart, but I feel confident we will be able to elect a girl suitable to represent A&M."

Hall, Pascuzzi Shine

Aggie Fish Stomp Wogs 27-6

By BARRY HART
Battalion Sports Writer

Led by the fine all-around play of quarterback Luther Hall and the sparkling running of halfback Joe Pascuzzi, the Aggie Fish broke loose in the second half to smother the TCU Wogs, 27-6, on rain-swept Kyle Field last night.

Hall showed the talent that gained him all-American fame as a Dallas schoolboy. He hit three of four passes for 42 yards and one touchdown, scored once himself on an 11-yard jaunt and set up both other scores with his fine faking and ball-handling.

Pascuzzi, a 25-year-old ex-serviceman from Avella, Pa., was the game's leading ground gainer with 50 yards in three trips. Joe hauled in a touchdown pass, scampered 24 yards for the final score and kicked three extra points.

Paul Delfeld, left halfback from North Dallas high school, picked up 44 yards on four carries, including a 33-yard sprint to the double-stripe for the second Aggie tally.

"I thought the A&M quarterbacks, especially Hall and Hathorn, looked particularly good," said Bill Van Fleet of the Fort Worth Star Telegram. Jackie Hathorn, Port Neches two-year all-stater, completed two of three pass attempts for 37 yards, and ran the option play well.

Held in check by three 15-yard penalties in the first 25 minutes of play, the Fish capitalized on a TCU fumble for their first score.

With a first and 15 on their own 26, Wog fullback Johnny Gregory was hit hard and fumbled the wet pigskin. Fish tackle Clarence Hays, Gregory's teammate at Fort Worth's North Side high school, re-

covered for the Fish on the TCU 23.

On the second play from scrimmage Hall hit Delfeld with a pass right into the brunt of the rain for 16 yards to the TCU five, and on the next play passed to Pascuzzi two yards deep in the end zone for the score with 4:35 left in the half. Pascuzzi's try for the extra point was low and the score remained 6-0 at the half.

The first-year Aggies had another touchdown before the fans got settled in their seats in the third period. Fish tackle Leo Wotipka, from Baytown, recovered a TCU fumble on the Wog 37. After picking up five on first down, Delfeld took Hall's pitchout and raced 33 yards behind Pascuzzi's block to pay dirt. Pascuzzi split the up-rights and the scoreboard read 13-0.

TCU put together four first downs after the ensuing kickoff and marched to the Aggie 25 before Fish fullback Barney Smith picked off Hunter Enis' pass on the Fish 15.

Paced by quarterback Hathorn

and halfback Larry Minaldi, A&M moved to the Wog 27 on six plays but a 10-yard loss and an incomplete pass stopped the drive.

Aggie halfback Gene Jones got things started early in the fourth quarter as he swiped Enis' pass and returned 10 yards to the Wog 35. Five plays later, Hall, now at left halfback, took a hand-off from quarterback Hal Sandeur and shot over left guard untouched for a touchdown with 12:20 remaining in the game. Pascuzzi converted.

Bobby Murray recovered an Aggie fumble for the Wogs on the Fish 26. Eight plays later TCU had its only score as quarterback (See FOOTBALL, Page 3)

MSC Film Society Schedules Movie

The MSC Film Society will present "The Thing" as its second movie of the year at 7:30 tonight in the MSC Ballroom.

The show, a science fiction film, stars Kenneth Tobey, Margaret Sheridan, and Dewy Martin.

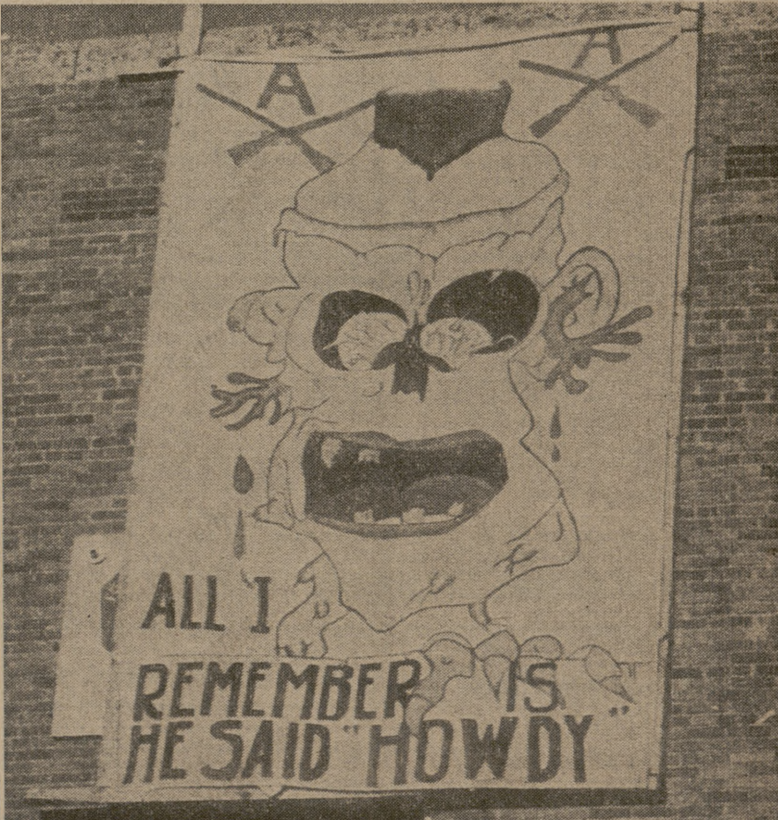

Admission is by Season Tickets, or single admission of 25 cents.

Weather Today

Forecast is clear to partly cloudy and continued cool. Temperature at 10:45 a.m. was 69 degrees. High yesterday was 95 degrees and last night's cold front dropped the temperature to 59 degrees.

Game At A Glance		
	Fish	Wogs
First Downs	15	15
Rushing Yardage	246	195
