

# Ag Fish Face Baylor's 'Greatest' Cubs

By BARRY HART  
Battalion Sports Writer  
The Aggie Fish, off to a fast start in the race for the Southwest Conference freshmen championship, run into an imposing road block tomorrow night in the form of Baylor's mighty Cubs, regarded by many as the "greatest first-year team in conference history."  
Game time is 7:00 p.m. on Kyle Field.

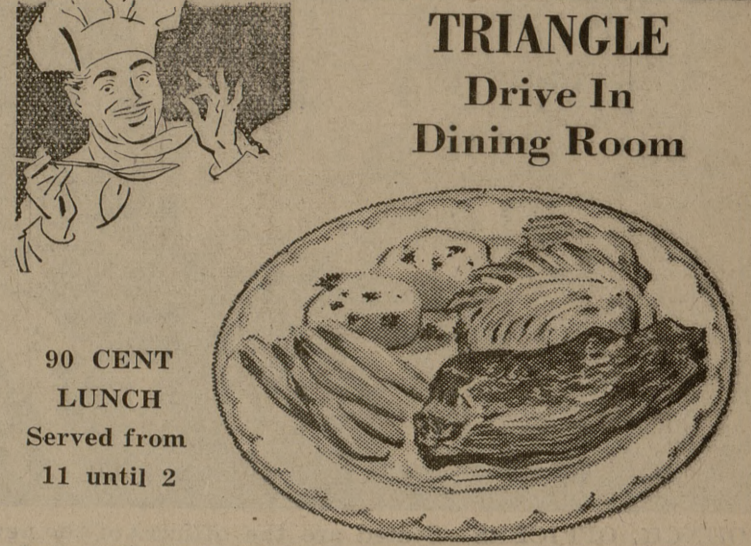

"They're the greatest array of freshmen football talent ever assembled at a college, and even Coach George Sauer admits it," said Coach Paul Bryant.  
Picking his lineup of the top ten teams in the nation, Bryant puts the Baylor Cubs in the No. 10 position, just behind the UCLA, Navy and Texas Christian varsity.  
In what may be the game of the year in freshman play, the Fish will be out to revenge the humiliat-

ing 38-14 loss at the hands of the Cubs in '54. It was the Fish team's only loss last year.  
Hailed in pre-season picks as the two best first-year teams in the conference, both showed tremendous power and depth in their opening games. A&M used three teams to smash the TCU Wogs, 27-6, while Baylor slaughtered the Texas Shorthorns for the third

straight year, 48-7.  
Paced by three outstanding quarterbacks, Luther Hall, Jackie Hathorn and Hal Sandefur, the Aggies' first three teams ran the split-T attack with precision and authority.  
"Hall was the real standout," said Dave Campbell, sports editor of the Waco Tribune-Herald. "Both Hall and Hathorn ran the

split-T option play with skill and finesse, better than any quarterback Baylor had on display against Texas."  
Hall, playing at both quarterback and halfback, passed for 42 yards and a touchdown with three out of four completions and picked up another score on his 27 yards rushing.
