vision.  
Class A's 300-ft. freestyle was featured by winner Mike Kuich of Leggett Hall and William Robertson of B-Engineers, who took freshman honors in that event.

C-AAA's Boyd Smith was the number one diver of Class A competition and John Lyon of A-Athletics was the Class B winner.

Class A and B 300-ft. medley relays were won by A Chemical and B Engineers respectively. Sq. 7 was first in Class A's 400-ft. relay and B Engineers was on top in Class B.

Passes and penalties helped move the squadron 6 freshmen past A-Quartermaster in yesterday's intramural football headliner. Final score was 6-6. A margin of two penetrations handed the game to Sq. 6.

The passing prowess of A-Quartermaster's Ray Hart and Sq. 6's Jerry Tice was strained to compensate for yardage lost via the red flag. Both teams were assessed heavy penalties throughout the game, nullifying two touchdown passes.

Tice, Sq. 6's passing ace, also starred on defense as the airman refused to let the QMC advance on the ground. Don Maskal was also outstanding on defensive play.

The Quartermaster forward wall led by Joe Grubbs, Charles Drury and Jimmy Butler staved off several scoring threats to retrieve the ball on downs.

A-Signal romped over Sq. 5, 30-0; Sq. 9 blanked B-Composite, 12-0; Sq. 8 beat A-Composite, 13-0; and Sq. 17 shut out A Chemical, 16-0.

Tom Giles led the scoring in yesterday's upperclassman basketball thriller with 10 points, as Sq. 5 edged A Signal 22-21. Wendell Creamer also pushed Sq. 5's lead by scoring six points.

In other games A-Quartermaster topped Sq. 6, 25-17; A Engineers slipped by Sq. 14, 17-14; and Puryear A beat Milner in a civilian game, 17-15.

watch. They watched and those same "buts" turned to exclamations of amazement as Murry climbed up the ranks to a starting position before the Rice Slime game.

He kept that starting Fish position and this year has shared left guard duty with Jim Stanley. A fine defensive man, Trimble has to half-block, half-tackle an opposing runner, but his slashing play helped demoralize the big TCU line and he poured salt in their wounds late in the final period when he broke through and smashed quarterback Chuck Curtis for a vital five-yard loss.

Trimble's athletic ability is not limited to football, however. As a Fish baseball pitcher he had a 2-1 record and doubled in the winning run against the Texas Shorthorns.
