

# Local Community Chest Drive Goal Set At \$12,100

By WELTON JONES  
Battalion City Editor

A goal of \$12,100 was set for the annual A&M College-College Station Community Chest-Red Cross Drive at a budget hearing held in the Memorial Student Center last night.

The goal represents a \$2,607 decrease from last year's goal of \$14,707. Last year donations totaled \$11,860.

The drive will begin Oct. 31 and continue until Nov. 12, according to Robert A. Houze, chairman of this year's drive.

The American Red Cross requested \$2,250 to continue their

programs in relief, rehabilitation, water safety, nurse service, Grey Ladies, and other charities. The budget committee granted them \$2,000.

For the Boy Scouts of America, Arrowmoon District, C. N. Lloyd asked \$2,304.96. He stressed that this money will not leave the community, but will be spent on all phases of the scouting program in Brazos and Robertson Counties. The committee set aside \$2,000 for the Boy Scouts.

Mrs. Lloyd Keel, representative of the Bryan-College Station Girl Scout Council, submitted the Girl Scout's request for \$1,700. She pointed out that the annual Girl

Scout Cookie Sale does not contribute to the Council.

"The individual girl applies these earnings to her tuition for camp and not to the Scouts," Mrs. Hilliard said.

The committee granted the sum asked for the Girl Scout program. The Salvation Army's representative, Wilber J. Lee, asked for \$750 to carry on their program of helping supply food, clothing, and spiritual help to the poor. They received \$750.

Mrs. Troy P. Wakefield presented the request of the United Service Organizations. The local USO, reactivated last year, has moved to its own building in Bryan at the

corner of West 26th St. and Sims. The attendance has jumped from an average of 30 men each night to 200 men per day when the USO is open over the weekends.

The USO asked for \$600, and received it.

The Brazos County Hospital Fund, through its representative Benny Zinn, received \$300 to continue its program of assisting charity cases in entering the John Sealy Hospital in Houston.

Dr. E. E. Ivy, representative of the College Station Recreation Council, presented the Council's request for \$1,350 to continue the summer recreation program. The amount was allotted as asked.

The YMCA general secretary, Gordon Gay, requested \$400, to be used mainly for improvement of Cashion Cabin, meeting house in Hensel Park owned by the YMCA. The sum was granted.

Bob Cherry, chairman of the College Station Youth Committee, received \$200 to pay the last debts incurred in lighting the softball field at Lincoln School, and to purchase supplies for the future.

The Community Center, Inc., through its representative, the Rev. Robert L. Darwall, asked for \$839 to improve its facilities at the day nursery and kindergarten for colored children.

W. A. Tarrow, principal of Lincoln Schools, reported that due to the facilities at the day nursery, enrollment is up in the schools.

"Prior to this, some students were staying at home to care for younger brothers and sisters," he said.

After careful consideration, the committee gave Community Center, Inc., \$1,000.

Vic Ehlers, county youth counselor, presented the budget request of the Brazos County Youth Development Committee for its services of counseling and correcting the youth of Brazos County.

The committee granted \$300 of

the proposed \$600 with the suggestion that Ehlers submit a request to the City of College Station in July for the remainder of the required sum.

Finally, the committee set aside \$1,500 for local charities in the local Chest Charity Fund.

Members of the committee include Houze, H. G. Thompson, Carl Landis, S. C. Brown, John Milliff, R. E. Patterson, Eddie Chew, John L. Bearrie, W. A. Tarrow, C. A. Roeber, Dick Hervey, Bob Ried, Lloyd Mousner, C. W. Price, Mrs. R. L. Elkins, Mrs. F. R. Bryson, Mrs. W. H. Heritage, Mrs. W. S. Edmonds and Edward Madeley.

# Dances, Concert, Game Invade A&M

## Weekend Frolics Will Begin Tonight

A crowd of about 37,000 is expected to start rolling onto the campus late this evening for the big football weekend which features the A&M-Baylor game.

Starting the whole thing off will be a dance in Cafe Rue Pinalle and the All-Aggie Rodeo tonight. The dance, which will feature the Capers Combo, will start at 8 p.m. and let out in time for midnight yell practice in The Grove.

A French atmosphere will be the theme for the night with a chorus line of 20 girls and 8 men from the University of Texas adding to the merry-making. Tickets are 75 cents each.

A&M's cowboys join forces with other college students from all parts of the state for the All-Aggie Rodeo here tonight and tomorrow night. The rodeo started last night.

More than 75 are expected to take part in the three-show rodeo which begins each night promptly at 8 p.m. Some contestants will be drawn from college faculty to add to the fun.

Saturday, the Corps of Cadets will participate in a graded march-in for the A&M-Baylor football game in Kyle Field. Uniform for the occasion is class A summer with overseas caps. White gloves will be worn and sabers will be carried. The winter uniform is optional for festivities tomorrow night.

The Corps will fall out at 12:48 and move onto the track at 12:55 p.m. Order of march is the Band, Corps Staff, first wing, second wing, first regiment, second regiment.

Then, at 2 p.m., the Aggies take on the tough Baylor Bears in the second conference game for both teams. Baylor has been chosen a slight favorite by many sports writers throughout the state.

Buddy Morrow will be featured at the first all-college dance of the year scheduled for tomorrow night, from 9-12.

A concert will be held in Guion at 7:15 p.m., with admission of 75 cents. The dance will be held in the newly redecorated Sbis Dining Hall and will be semi-formal. Tickets are \$2 stag or drag and may be purchased in the Office of Student Activities or at the door.

## World News

By THE ASSOCIATED PRESS

WASHINGTON — President Eisenhower told Russia during last July's summit conference that "under no circumstances is the United States ever going to be a party to aggressive war—against any nation."

AUSTIN—The Court of Criminal Appeals was asked to take a new look at its Oct. 5 decision which had the effect of knocking out 104 indictments against Duval County officials and others.

NEW YORK — Adlai Stevenson made it virtually clear yesterday he will be a candidate for the Democratic presidential nomination. "I'm not counting on the New York delegation at all," he told newsmen. They took this as a plain indication he would be in the race.

## Missing Bear Has Returned To BU Den

Well, Davy didn't get him nor did Aggies. Pancho, the Baylor bear cub mascot, has returned to the den.

He was found late Wednesday night tied to a pole halfway between Waco and the municipal airport on the northeast side of town. Unharmed, except for a painted "A&M" on his side, Pancho is reported happy to be back.

Baylor officials said that there was "no indication" that the cub was stolen by an A&M student or students. And to the exonerating report was added a statement by the Baylor dean of men that "A&M students have shown more improvement in sportsmanship in the last 10 years than any other school in the conference.

## A&M Freshman Kidnaped; Returns

Neill Perry, freshman pre-dentistry major from Austin, was "kidnaped" yesterday and carried to Baylor to be put on exhibition before the Baylor student body at a pep rally scheduled for 10 this morning.

The Dean of Men at Baylor said, through a telephone call last night, that he had told the students to get the freshman back to A&M before the sun came up this morning. And, Perry was here when the sun came over the Academic Building.

Here's the way things went yesterday evening. When Perry returned from classes, he found one of his home town "buddys" from Baylor waiting for him in his room. The "buddy" asked him to go for a cup of coffee at the East Gate, but upon arrival there, it was assumed more boys were waiting and they sped away to Waco, with Perry in their car.

Perry, a member of Squadron 21, got to a telephone and called his first sergeant telling him that he was alright but the Baylor students had taken his clothes.

Lt. Col. Taylor Wilkins, assistant commandant, called the Baylor Dean of Men to inform him of the incident and try to get the student back here. The dean said he would handle the Baylor students, who were to be in his office at 8 this morning.

PIPELINE—The new College Station sewer line has crossed the city limits and is expected to be completed in about 150 more days. The complete system will include 80,000 feet of pipe ranging in size from six to fifteen inches. The Texala Construction Co. of Houston is doing the work.

## Midnight Yell Practice

## Senate Opposes Confetti

The Student Senate went on record last night as condemning the throwing of "Aggie confetti" at midnight yell practices.

The Senate resolution stated: "The Senate would like to go on record as condemning questionable conduct of students, to include the throwing of confetti, and that the Senior Class, both civilian and Corps, be charged with disciplin-

ing future midnight yell practices." Paul Holliday, head yell leader, brought out that many persons were hurt last year when hit by a roll of the Aggie confetti. He said there were always a lot of people at that ceremony and that it didn't make the students look too mature.

The Senate also approved the Kyle Field Seating plan for the Baylor game. The new plan gives civilian students 500 seats more and also adds some seats to the junior section. Each section will be roped off and 40 ushers will be present at the areas to help students find their proper places.

"Students who do not adhere to the proper seating arrangement will be handled accordingly," said Gus Mijalis, chairman of the Seating Committee.

## UN Club Birthday To Be Celebrated

Dr. J. Horace Bass of the History Department, will deliver the principal address at the tenth birthday celebration of the United Nations Club, to be held in the YMCA chapel tonight at 7:30.

## Weather Today

Scattered clouds this morning were expected to clear this afternoon. Temperature at 10:45 a.m. was 78 degrees. Yesterday's high of 86 degrees dropped to a cool 55 degrees in the early hours this morning.

## Oath Will Be Given To Cadet Officers

Lt. Col. Taylor Wilkins, assistant commandant, will administer the oath of office to approximately 450 cadet officers, in services to be held at 4:35 Tuesday afternoon.

The entire Corps of Cadets will assemble in White Coliseum for the program. The invocation will be given by R. H. Scott, Corps chaplain; followed by an introduction of the speaker, Dr. David H. Morgan, president, by Col. Joe Davis, commandant. Wilkins will then administer the oath, after which Scott will deliver the benediction. The Aggie Band will close the services, playing the National Anthem.

The Corps will remain standing until all of the distinguished guests have left, then will be dismissed by Corps Commander Larry Kennedy. Faculty members, students and the general public are invited and encouraged to attend.

## Ags Meet Bruins Tomorrow at 2

By RONNIE GREATHOUSE  
Battalion Sports Editor

Pinning down Baylor's flexible offense poses the big problem for A&M tomorrow afternoon in seeking its first win over the ill-tempered Bears since 1947.

"TCU stuck to a routine. Not so with Baylor," says Lorin McMullen, of the Ft. Worth Star Telegram, "The Bears will mix 'em up, inside, outside, short and deep. If one quarterback doesn't display sufficient chance-taking, they'll put in another."

Fans who counted on watching the 2 p.m. contest on television are in for a disappointment. More than 6,000 tickets are still available, and under NCAA rules, any game not a sellout can't be televised locally.

## Rodeo's Second Performance Goes Tonight

Cowboys from universities and colleges all over the state donned their western attire yesterday and came to College Station for A&M's spill-packed All-Aggie Rodeo.

Approximately 75 contestants were entered in the three-show rodeo. The second and third shows will start promptly at 8 p.m. today and tomorrow.

Two new events have been added to this year's show, "Professors' competition," and an "intramural pig scramble." Representatives from each group competing in campus intramurals try for points to add to their year's total by chasing, catching and toting back to the finish line a half-grown shoat.

Other events include bareback bronc riding, wild bull riding, steer wrestling, ribbon and tie-down roping and a girl's barrel race. Trophy buckles will be awarded to winners of each event.

Profits are used by the Saddle and Sirolo Club, sponsors of the rodeo, to help send student judging teams to national shows all over the Midwest, said Ken Killion, president of the club.

The Aggies will be outweighed 10-pounds per man, not an unusual situation this season, by the burly Bruin linemen. Baylor's stout defense held previously unbeaten Washington to a minus 5 yards rushing for more than two-thirds of last Saturday's game at Seattle.

"They're stronger and faster than TCU," observed Coach Pat James, who scouted the Bears twice this year, "and, I wouldn't say they were dirty—but they're about the meanest, roughest, hardest tackling bunch I've ever seen play this season."

THE BRUINS and Aggies have identical 4-1 season marks, and both are currently knotted in a three-way tie with SMU for first place in the young SWC race. Baylor won its loop opener against Arkansas, 25-20, while the Aggies hold a 19-16 decision over TCU.

Coach George Sauer plans to save Doyle Traylor, his sophomore passing expert, for the TCU game next week. Traylor will be the only player missing from Baylor's first three teams, and as a result the Bears will be in their best physical condition of the year.

"We're ready to play a good ball game," says Sauer.

JOHN CROW, brilliant both on offense and defense this season, is definitely sidelined for Saturday's (See FOOTBALL, Page 3)

## J Students Meet For Intern Dinner

Three journalism students left today for the annual intern dinner sponsored by the Fort Worth chapter of Sigma Delta Chi, professional journalism fraternity.

Bill Thomas, Phil McNeer and Jim Bower will meet with interns from all over the state for the program and dinner to be held in the Worth Hotel at 8 p.m. tonight in Fort Worth.

After dinner, each of the interns will give a short talk on some of his experiences this summer while serving as a "cub reporter." Each intern spent at least 10 weeks this summer working on a newspaper.

D. D. Burchard, head of the Journalism Department, is accompanying the boys.

## MSC Film Society

"The Man in the Attic," starring Jack Palance, Constance Smith and Byron Palmer will be shown by the MSC Film Society in the Center at 2 p.m. Sunday. Admission is 25 cents per person or by season ticket.

STILL THE WINNER—Squadron 24 and A Athletics seem to be capturing the lime light in the sign contest for this year. This is the third time they have been awarded first place and the second time in a row. Someone in one of those two outfits must be an artist.
