

# Council May Organize FOOTBALL 8 New Wives Clubs

The Aggie Wives Council met last night to discuss the forming of 8 additional wives clubs on the campus, according to Joy Jones, secretary.

Included in the 1200 names turned in are these majors for which there is no wives club: Science, Aeronautical Engineering, Agriculture Engineering, Agriculture, Oceanography, Wildlife Management, Industrial Engineering and Industrial Education.

The completed list of married students divided according to majors was assembled by council members with the help of Bennie Zinn, head of Student Affairs. "We will contact two or three

girls on the list," said Mrs. Jones, "and get their help in notifying the remaining names for the formation of a club."

Additional names for the already formed wives clubs were also distributed at the meeting with the hopes that it might boost membership in the clubs.

Also discussed were plans for the Council Dance which will be held Nov. 19 in the Memorial Student Center. Capers Combo will furnish the music for the married couples.

The bowling league, which is sponsored by the Council, will meet next Tuesday at 8:15 p.m. in the MSC.

(Continued from Page 3)

Taylor gained 41 and 33 yards respectively.

DENNIS GOEHRING, A&M's sturdy right guard, was the "line-man of the day," according to Coach Paul Bryant. Other stand-outs in the Aggie line were Charles Krueger and Jim Stanley, both sophomores. Bobby Conrad, who had a busy afternoon playing quarterback, halfback and end, was also outstanding.

Baylor fullback Reuben Saage, who remarked before the game that "A&M would be just another scrimmage," was the Bears' leading ground gainer with 20 yards. Halfback Weldon Holley, fourth in SWC rushing before Saturday, dropped to 10th place this week after getting only three yards in three tries.

A&M STUNNED the Bears with a TD only 3:30 after the opening kick-off. Bobby Drake Keith pounced on a Baylor fumble on the Bear's 18, and five plays later quarterback Donnie Grant rode Hale's back into the end zone. Taylor's extra point kick split the uprights.

Baylor came right back after the ensuing kick-off to march 69 yards for their lone score. Reuben Saage tallied from 1 yard out, and the successful conversion knotted the score at 7-7.

The Bears were through for the day, as far as scoring threats, and never managed to get past A&M's

40 the rest of the game.

PARDEE AND Taylor shared the ball carrying load in A&M's second touchdown drive that started on the Aggie 37. Pardee leaped over the goal line from the 1-yard line with 4:54 left in the half to put A&M ahead 13-7. Taylor's extra-point kick was wide to the right.

The Cadets took the second half kick-off and marched 66 yards in 10 plays for the game's final TD. Denny got the Ags started by returning the kick-off 28 yards. A&M's drive appeared bogged-down with fourth and 15 facing the Aggies on Baylor's 24, but Jimmy Wright stepped in and calmly fired a pass to Taylor for 22 yards and a first on the BU 2-yard stripe. Pardee blasted for three tries.

Neither team scored again, but A&M marched to the Bruin's 8 and 13-yard line in the final period, only to lose the ball on downs.

## What's Cooking

The scheduled for tonight is:

7:30 AICE will meet in room 104 of the Petroleum Engineering Building. Dr. Adam of American Viscose Corp. will speak and junior chemical engineers are urged to attend for elections.

Business Society in the Assembly Room of the Center for a film of 1955 A&M football season.

7:40 Accounting Society in YMCA

for a talk on "Government Accounting Through Civil Service."

Petroleum Engineering Club, all sophomores interested in Pet. E. are invited to attend. Election of faculty advisor.

Rodeo Club, A & I Building.

Pre-Law in room 2 C of the Center for talk by Brooks Cofey, assistant district attorney in Bryan.

Horticulture Society in the Agriculture Building.

OPEN FOR ALL BANQUETS, DINNERS RECEPTIONS, WEDDINGS AND LUNCHEONS ALL by RESERVATION ONLY

## BOEING AIRPLANE COMPANY

WILL CONDUCT PERSONAL INTERVIEWS ON CAMPUS

OCTOBER 27 AND 28

GROUP MEETING OCTOBER 26

Boeing has many positions open for graduating and graduate students. These opportunities are in all branches of Engineering (AE, CE, EE, ME and related fields). Also needed are Physicists and Mathematicians with advanced degrees.

Fields of activity include Design, Research and Production. Your choice of location: Seattle, Washington or Wichita, Kansas.

Personal interviews will cover the details of openings, the nature of assignments, Company projects currently in work, and miscellaneous information about the Company.

Come and learn about the excellent opportunities with an outstanding Engineering organization—designers and builders of the B-47 and B-52 Multi-Jet Bombers; America's first Jet Transport, the 707; and the Bomarc IM-99 Pilotless Aircraft.

For time and place of group meeting and for personal interview appointments—consult your
